**THE AMERICAN
ESTABLISHMENT**

AND OTHER REPORTS, OPINIONS,

AND SPECULATIONS

The American Establishment And Other Reports Opinions And Speculations

Ronald Brownstein

The American Establishment And Other Reports Opinions And Speculations:

The Second Civil War Ronald Brownstein, 2008-09-30 In recent years American politics has seemingly become much more partisan more zero sum more vicious and less able to confront the real problems our nation faces What has happened In The Second Civil War respected political commentator Ronald Brownstein diagnoses the electoral demographic and institutional forces that have wreaked such change over the American political landscape pulling politics into the margins and leaving precious little common ground for compromise The Second Civil War is not a book for Democrats or Republicans but for all Americans who are disturbed by our current political dysfunction and hungry for ways to understand it and move beyond it

The Inquisition in Hollywood Larry Ceplair, Steven Englund, 1983 The Inquisition in Hollywood examines the suppression of radical political activity in the film industry from the days of the Great Depression through the tumultuous House Un American Activities Committee era to the waning days of the infamous blacklist Although this thirty year period of American history is marked by widespread targeting of leftists in all areas of life those in the film industry predominately screenwriters were considered to be in positions of great potential indoctrinating power and found themselves under intense scrutiny as the cold war hysteria mounted Ceplair and Englund trace the history of political struggle in Hollywood back to the formation of the Screen Writers Guild in 1933 Many of the blacklisted filmmakers were members of the Communist Party and all of the graylisted filmmakers had expressed their sympathy with progressive mainly anti fascist causes BOOK JACKET

The Wise Men Walter Isaacson, Evan Thomas, 2012-02-28 With a new introduction by the authors this is the classic account of the American statesmen who rebuilt the world after the catastrophe of World War II A captivating blend of personal biography and public drama The Wise Men introduces six close friends who shaped the role their country would play in the dangerous years following World War II They were the original best and brightest whose towering intellects outsize personalities and dramatic actions would bring order to the postwar chaos and leave a legacy that dominates American policy to this day The Wise Men shares the stories of Averell Harriman the freewheeling diplomat and Roosevelt s special envoy to Churchill and Stalin Dean Acheson the secretary of state who was more responsible for the Truman Doctrine than Truman and for the Marshall Plan than General Marshall George Kennan self cast outsider and intellectual darling of the Washington elite Robert Lovett assistant secretary of war undersecretary of state and secretary of defense throughout the formative years of the Cold War John McCloy one of the nation s most influential private citizens and Charles Bohlen adroit diplomat and ambassador to the Soviet Union

Where Did the Party Go? Jeff Taylor, 2006 Using a twelve point model of Jeffersonian thought Taylor appraises the competing views of two Midwestern liberals William Jennings Bryan and Hubert Humphrey on economic policy foreign relations and political reform to demonstrate how the Democratic party lost its place in Middle America Provided by publisher **Wisconsin Library Bulletin**, 1963 Senator Joe McCarthy Richard H. Rovere, 1996-04-12 The definitive job and I can t imagine what else there is to say about him Walter Lippman This is an

appraisal without apology If its judgments are uncompromising they are also given without rancor indeed with an air of almost sympathetic curiosity about the phenomenon that was McCarthy It is no surprise that Rovere s book is a vividly written sophisticated recreation of a political episode whose manic qualities already begin to seem unbelievable Anthony Lewis New Radicalism in America Christopher Lasch,2013-03-20 Around the turn of the century the American liberal tradition made a major shift away from politics The new radicals were more interested in the reform of education culture and sexual mores Through vivid biographies Christopher Lasch chronicles these social reformers from Jane Addams Mabel Dodge Luhan and Lincoln Steffens to Norman Mailer and Dwight MacDonald The Life and Lies of Paul Crouch Gregory S. Taylor,2014-03-11 Taylor traces the life of Paul Crouch 1903 1955 an infamous paid informant for the federal government during the McCarthy era Taylor not only highlights Crouch s unusual life but also examines the dangers of ideologues

The 40s: The Story of a Decade The New Yorker Magazine,2015-05-12 This captivating anthology gathers historic New Yorker pieces from a decade of trauma and upheaval as well as the years when The New Yorker came of age with pieces by Elizabeth Bishop Langston Hughes Joseph Mitchell Vladimir Nabokov and George Orwell alongside original reflections on the 1940s by some of today s finest writers In this enthralling book contributions from the great writers who graced The New Yorker s pages are placed in historical context by the magazine s current writers Included in this volume are seminal profiles of the decade s most fascinating figures Albert Einstein Walt Disney and Eleanor Roosevelt Here are classics in reporting John Hersey s account of the heroism of a young naval lieutenant named John F Kennedy Rebecca West s harrowing visit to a lynching trial in South Carolina and Joseph Mitchell s imperishable portrait of New York s foremost dive bar McSorley s This volume also provides vital seldom reprinted criticism as well as an extraordinary selection of short stories by such writers as Shirley Jackson and John Cheever Represented too are the great poets of the decade from William Carlos Williams to Langston Hughes To complete the panorama today s New Yorker staff look back on the decade through contemporary eyes The 40s The Story of a Decade is a rich and surprising cultural portrait that evokes the past while keeping it vibrantly present Including contributions by W H Auden Elizabeth Bishop John Cheever Janet Flanner John Hersey Langston Hughes Shirley Jackson A J Liebling William Maxwell Carson McCullers Joseph Mitchell Vladimir Nabokov Ogden Nash John O Hara George Orwell V S Pritchett Lillian Ross Stephen Spender Lionel Trilling Rebecca West E B White Williams Carlos Williams Edmund Wilson And featuring new perspectives by Joan Acocella Hilton Als Dan Chiasson David Denby Jill Lepore Louis Menand Susan Orlean George Packer David Remnick Alex Ross Peter Schjeldahl Zadie Smith Judith Thurman Public Intellectuals Amitai Etzioni,Alyssa Bowditch,2006-02-14 Public Intellectuals An Endangered Species investigates the definition role and decline of public intellectuals in American society Drawing from a wide range of commentaries and studies this edited volume demonstrates the unique importance of public intellectuals and probes the timely question of how their voices can continue to be effective in our ever changing social academic and political climates At a time when many

argue that public intellectuals are dying out the book addresses questions such as who qualifies as a public intellectual Have their ranks thinned out and their qualities diminished What is that special service that public intellectuals are supposed to render for the body politic And above all is society being shortchanged
