The American Inquisition 1945 196:

The American Inquisition, 1945-1960 Cedric Belfrage, 1973 **American Inquisition** Eric L. Muller, 2007-10-15 When the U S government forced 70 000 American citizens of Japanese ancestry into internment camps in 1942 it created administrative tribunals to pass judgment on who was loyal and who was disloyal In American Inquisition Eric Muller relates the untold story of exactly how military and civilian bureaucrats judged these tens of thousands of American citizens during wartime Some citizens were deemed loyal and were freed but one in four was declared disloyal to America and condemned to repressive segregation in the camps or barred from war related jobs Using cultural and religious affiliations as indicators of Americans loyalties the far reaching bureaucratic decisions often reflected the agendas of the agencies that performed them rather than the actual allegiances or threats posed by the citizens being judged Muller explains American Inquisition is the only study of the Japanese American internment to examine the complex inner workings of the most draconian system of loyalty screening that the American government has ever deployed against its own citizens At a time when our nation again finds itself beset by worries about an enemy within considered identifiable by race or religion this volume offers crucial lessons from a recent and disastrous history *It Did Happen Here* Bud Schultz, Ruth Schultz, 1990-08-04 In this moving book two skilled oral historians collect the words of Americans who have been victims of political repression in their own country Disturbing and provocative *It Did Happen Here* is must reading for everyone who cares about protecting the rights and liberties upon which this country has been built **Focus On: 100 Most Popular 20Th-century American Politicians** Wikipedia contributors, **AB Bookman's Weekly** ,1996 *The Human Tradition in America Since 1945* David L. Anderson, 2003 In the brief biographical essays of *The Human Tradition in America since 1945* students will meet a wide range of diverse individuals both men and women rich and poor powerful and vulnerable who represent key elements of post World War II America The Enemy in Our Hands Robert C. Doyle, 2010-03-19 Revelations of abuse at Baghdad s Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation s military history Military expert Robert C Doyle s *The Enemy in Our Hands America s Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question Historical as well as timely in its content this work examines America s major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners *The Enemy in Our Hands* offers a new perspective of U S military history on the subject of EPWs and suggests that the

tactics employed to manage prisoners of war are unique and disparate from one conflict to the next. In addition to other vital information, Doyle provides a cultural analysis and exploration of U.S. adherence to international standards of conduct, including the 1929 Geneva Convention in each war. Although wars are not won or lost on the basis of how EPWs are treated, the treatment of prisoners is one of the measures by which history's conquerors are judged. **Moral Questions in the Life and Work of Lillian Hellman** Pia Seija Taavila-Walters, 1985 *Heresy, Crusade, and Inquisition in Southern France, 1100 - 1250* Walter L.
