P. Musil

The European Center Right At The End Of The Twentieth Century:

The European Center-right at the End of the Twentieth Century Frank L. Wilson, 1998 This text aims to fill a gap in the literature by studying the moderate to right parties in nine Western European countries A chapter on each country explores the structures electoral bases programmes and strategies of the party in question The New Right in the New Europe Seán Hanley, 2007-08-07 This book considers the emergence of centre right parties in Eastern Europe following the fall of communism focusing primarily on the case of the Czech Republic Although the country with the strongest social democratic traditions in Eastern Europe the Czech Republic also produced the region s strongest and most durable party of the free market right in V clav Klaus Civic Democratic Party ODS Se n Hanley considers the different varieties of right wing politics that emerged in post communist Europe exploring in particular detail the origins of the Czech neo liberal right tracing its genesis to the reactions of dissidents and technocrats to the collapse of 1960s reform communism He argues that rather than being shaped by distant historical legacies the emergence of centre right parties can best be understood by examining the responses of counter elites outside or marginal to the former communist party state establishment to the collapse of communism and the imperatives of market reform and decommunization This volume goes on to consider the emergence of right wing forces in the disintegrating Civic Forum movement in 1990 the foundation of the ODS the right s period in office under Klaus in 1992 97 and its subsequent divisions and decline It concludes by analyzing the ideology of the Czech Right and its growing euroscepticism The United States and the World Andrzej Mania, Łukasz Wordliczek, 2010-01-15 The conference The United States and the World from Imitation to Challenge was meant to gather those interested in various aspects of the mutual connections between the United States and the world It concentrated on the problem of the model of American democracy the presidential system American politics American society American culture and the world s reflections about them from imitation to challenge For this there was an invitation to scholars from many research fields political science philosophy law culture studies economy and sociology It was a result of our vision of American Studies as an interdisciplinary effort And so thanks to the rich and diverse approaches of the participants our vision turned out to be true The effect of the conference is reflected in the contributions that follow in this volume and in the rich interdisciplinary debate over the American impact on the world integration in Pax Americana and patterns of integration in other parts of the world different and or similar approaches to challenges to international order and last but not least the issue of continuity and change in politics Here one also needs to mention the ever present debate on the American export of values separation of church and state human rights the idea of sovereignty the rule of separation of powers modern federalism democratization approaches Americanism American Studies dilemmas American exceptionalism uniqueness in contemporary American society and patterns in foreign policy **Centre-Right Parties in Post-Communist East-Central Europe** Seán Hanley, Aleks Szczerbiak, 2020-09-10 This is the first book to cover the centre right in post communist Eastern

Europe It makes an vital contribution to the broader research agenda on the Central and East European centre right by focusing on one specific question why strong and cohesive centre right formations have developed in some post communist states but not others It also delves into the attempts to develop centre right parties after 1989 in four nations the Czech Republic Hungary Poland and Slovakia The authors of these fresh case studies use a common analytical framework to analyse and provide fascinating insights into the varying levels of cohesion in centre right parties across the region This volume was previously published as a special issue of the Journal of Communist Studies and Transition Politics

Partnering with Extremists Kimberly A Twist,2019-12-06 As long as far right parties known chiefly for their vehement opposition to immigration have competed in contemporary Western Europe many have worried about these parties acceptability to democratic voters and mainstream parties Yet rather than treating the far right as pariahs major mainstream right parties have included the far right in 15 governing coalitions from 1994 to 2017 Parties do not care equally about all issues at any given time and Kimberly Twist demonstrates that far right parties will agree to support the mainstream right s goals more readily than many other parties making them appealing partners Partnering with Extremists builds on existing work on coalition formation and party goals to propose a theory of coalition formation that works across countries and over time The evidence comes from 19 case studies of coalition formation in Austria and the Netherlands countries where far right parties have been excluded when they could have been included and included when the mainstream right had other options The argument is then extended to countries where coalitions are less common France and the United Kingdom and to cases of mainstream right adoption of far right themes Twist incorporates both office and policy considerations in her argument and reimagines policy to be a two dimensional factor it matters not just where parties are located on an issue but how firmly they hold those positions

Authoritarian Party Structures and Democratic Political Setting in Turkey P. Musil,2011-12-22 Conducting a comparative case study among four parties in the Turkish political system this study shows how the variance in interest configurations and the power resources of local party activists constitute these changing patterns

East Central European Crisis Discourses in the Twentieth Century Balázs Trencsényi,Lucija Balikić,Una Blagojević,Isidora Grubački,2024-08-20 The term crisis with its complex history has emerged as one of the pivotal notions of political modernity As such reconstructing the ways the discourse of crisis functioned in various contexts and historical moments gives us a unique insight not only into a series of conceptual transformations but also into the underlying logic of key political and intellectual controversies of the last two centuries Studying the ways crisis was experienced conceptualized and negotiated can contribute to the understanding of how various visions of time and history shape political thinking and conversely how political and social reconfigurations frame our assumptions about temporality and spatiality A historical region wedged in between various competing imperial centers East Central Europe has been an area often associated with crisis phenomena by both internal and external observers Seeking to employ the regional gaze as a vantage point to reflect

on issues which are relevant well beyond those countries between the Baltic and the Adriatic this project is also in dialogue with a number of recent transnational attempts to rethink political and intellectual history with regard to the recurrent epistemological frames that structure the political and cultural debate This book will thus be useful both for researchers from the field of intellectual history and numerous adjacent fields and graduate university students alike

Greece's New Political Economy George Pagoulatos, 2003-03-12 Greece's New Political Economy traces the course of Greece from a postwar developmental state to its current participation in the Euro zone Taking an innovative comparative approach George Pagoulatos examines the political economy of financial interventionism and liberalization banking politics relations between the government and central bank the winners and losers of financial reform the effects of globalization and EMU and the implications of the new economic role of the state This book will be an indispensable reference work for anyone seeking to understand the Greek political economy in the light of major contemporary debates

The Politics of Party Leadership William Cross, Jean-Benoit Pilet, 2015-11-26 Making use of a unique data set that includes more than 1000 leadership elections from over 100 parties in 14 countries over an almost 50 year period this volume provides the first comprehensive comparative examination of how parties choose their leaders and the impact of the different decisions they make in this regard Among the issues examined are how leaders are chosen the factors that result in parties changing their selection rules how the rules affect the competitiveness of leadership elections the types of leaders chosen the impact of leadership transition on electoral outcomes the factors affecting the length of leadership tenures and how leadership tenures come to an end This volume is situated in the literature on intra party decision making and party organizational reform and makes unique and important contributions to our understanding of these areas The analysis includes parties in Australia Austria Belgium Canada Denmark Germany Hungary Israel Italy Portugal Romania Spain Norway and the United Kingdom

Comparative Politics is a series for students teachers and researchers of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu

Party Change in Southern Europe Anna Bosco, Leonardo Morlino, 2007-02-01 It has been argued that political parties are weakening In Southern Europe however political parties have shown remarkable pragmatism Not only have they played a crucial role in the installation and consolidation of democracy mostly in the 1970s and 1980s but they have also adapted to the aftermaths of severe political crises during the 1990s

The European Center Right At The End Of The Twentieth Century Introduction

In today's digital age, the availability of The European Center Right At The End Of The Twentieth Century books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The European Center Right At The End Of The Twentieth Century books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The European Center Right At The End Of The Twentieth Century books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The European Center Right At The End Of The Twentieth Century versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The European Center Right At The End Of The Twentieth Century books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The European Center Right At The End Of The Twentieth Century books and manuals, several platforms offer an extensive collection of resources. One such platform is

Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The European Center Right At The End Of The Twentieth Century books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The European Center Right At The End Of The Twentieth Century books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The European Center Right At The End Of The Twentieth Century books and manuals for download and embark on your journey of knowledge?

FAQs About The European Center Right At The End Of The Twentieth Century Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The European Center Right At The

End Of The Twentieth Century is one of the best book in our library for free trial. We provide copy of The European Center Right At The End Of The Twentieth Century in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The European Center Right At The End Of The Twentieth Century. Where to download The European Center Right At The End Of The Twentieth Century online for free? Are you looking for The European Center Right At The End Of The Twentieth Century PDF? This is definitely going to save you time and cash in something you should think about.
