The Christian's Defence Against the Fears of Death Charles Drelincourt, 1712

Of Death and Beauty: A Novel Barbara Grenfell Fairhead, 2013 When the beautiful Magdalena Chavez and her troubled passionate son move into the small town of Las

Madres New Mexico it doesn't take long for the discerning among the townspeople to discover that they are other Magdalena is a teller of stories that delight many but also challenge the assumptions of one and all Soon the reader is seduced into an enchanted world in which the boundary between reality and fantasy is always on the point of collapsing The main characters must maintain a difficult balance between opposing polarities sacred and profane forbidden desire and ruthless power a balance that seems to come instinctively to the simple but knowing inhabitants of Las Madres Fairhead is utterly at home in this environment evoking it with a mixture of precision and lyrical intensity Whether she is describing the tumult of a bullfight the stillness of a work of art or the vast cinematic splendour of the New Mexico landscape her voice is always pitch perfect As the title suggests it is a world of great beauty but that same title also warns us that we cannot speak of beauty without also speaking of death The Duende that dark wind that blows through the world and touches the back of the neck whenever death is possible is never far away

The Failure of Death Paul Murray, 2020-06-22 In *The Failure of Death* John records the greatest conflict planet earth has ever experienced It is not a conflict between nations or peoples nor a conflict involving military weapons It is a conflict for the hearts and souls of all men everywhere It is a conflict in the spiritual dimension of reality that has raged on since the beginning of time a conflict between good and evil right and wrong The Jewish leadership had grown to hate Jesus Several times they had tried unsuccessfully to put a stop to His influence over men The prophetic words of Caiaphas the high priest had finally come to fruition It is expedient for you that one man should die for the people and that the whole nation should not perish Jesus had finally been arrested tried and crucified to appease the will of the Jewish leadership Victory had finally been achieved in stopping the madness of The Way The head of the snake had been cut off John focuses our attention around two major players as the events of Jesus crucifixion unfold Peter and Pilate With Peter a clear contrast is drawn between One suffering and dying and the other lying and denying Pilate's struggle who is caught up in the tangled web of the Jews is expressed in the profound question What is truth Yet Pilate turns and walks away before the One who is the truth has a chance to respond Neither Peter or Pilate nor anyone expected that the One who had been crucified and buried would raise from the dead The failure of death rocked the world in the first century and it continues to rock our world today John concludes his gospel with the redemption of the lying denier Pilate on the other hand is left on the trash pile of history As you read you will be caught up in the trauma and emotions of the events that unfold Will the failure of death be your final reward Like Peter and Pilate you also have a choice

The Elixir of Death Bernard Knight, 2015-06-01 Coroner Sir John gets mixed up in alchemy in this twisty instalment in the *Crowner John* medieval mystery series set in twelfth century England 1195 Prince John plots to seize the throne from his brother Richard the Lionheart and he is supported in his wicked schemes by King Philip of France who offers to help John financially by sending him a mysterious alchemist a Mohammedan named Nizam who claims to be able to transmute base metals into gold But Nizam never makes it England alive The ship transporting him and his retainers to the Devon tin mines is found wrecked off the

south Devon coast its crew savagely slaughtered And shortly afterwards Sir Peter le Calve a Norman knight living near Exeter is also found foully murdered his head stuck on the rood screen of the cathedral It s up to Sir John de Wolfe the county coroner to find a motive and connection between the killings and it s clear that his unscrupulous brother in law the disgraced ex sheriff and known Prince John sympathiser Richard de Revelle has something to hide **The Art of Death**

P.M. Thomas,2015-03-12 A long forgotten art collection once belonging to a famous Italian artist of centuries ago is discovered within an age old mausoleum containing various ghastly masterpieces depicting ghoulish fanged clawed beasts with eyes red as blood preying on humans spreading their evil to the far corners of the world A demon with a steel heart stands in the centre of the grand hall containing with it a dark secret What was meant to be a night of celebration turns into a nightmare as an ancient prophecy is fulfilled Under no circumstances can the evil be able to break from the walls otherwise mankind will be doomed to oblivion In a night of madness and bloodshed the odds of survival greatly slim only one question lingers in the tomb of despair Will the nightmare end **Mary's Delusion and the Passions of Jesus, the Angel of Death in Love,Confessions of a Nymphomaniac, the Female American Pope** Dominick Ricca,2008-08-09 There is no available information at this time
