The Face Behind The Face Poems:

Broken Structures Salman Akhtar, 2000-01-01 This book integrates psychiatry and psychoanalysis to present deeper and sounder clinical profiles of the personality disorders than have been hitherto available *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public Metaphors, Narratives, Emotions Stefán Snævarr, 2010-01-01 This book argues that there is a complex logical and epistemological interplay between the concepts of metaphor narrative and emotions They share a number of important similarities and connections In the first place all three are constituted by aspect seeing the seeing as or perception of Gestalts Secondly all three are meaning endowing devices helping us to furnish our world with meaning Thirdly the threesome constitutes a trinity Emotions have both a narrative and metaphoric structure and we can analyse the concepts of metaphors and narratives partly in each other's terms Further the concept of narratives can partly be analysed in the terms of emotions And if emotions have both a narrative structure and a metaphoric one then the concept of emotions must to some extent be analysable through the concepts of narratives and metaphors But there is more Metaphors especially poetic ones are important tools for the understanding of the tacit sides of emotions perhaps because of the metaphoric structure of emotions The notion that narrations can be tools for understanding emotions follows from two facts narrations are devices for explanation and emotions have a narrative structure Fourthly the threesome has an impact on our rationality It has become commonplace to say that emotions have a cognitive content that narratives have an explanatory function and that metaphors can perform cognitive functions This book is the first attempt to articulate the implications that these new ways of seeing the three concepts entail for our concept of reason The cognitive roles of the threesome suggest a richer notion of rationality than has traditionally been held a rationality enlivened with metaphoric narrative and emotive qualities North of Boston Elisabeth Elo, 2014-01-23 A gripping and unorthodox thriller packed with intriguing characters and unexpected twists Tom Perrotta bestselling author of *Nine Inches* Like Smilla's Sense of Snow combined with the best of Dennis Lehane *North of Boston* is a dark and deeply atmospheric thriller with a sharp witted tough talking heroine readers will be clamoring to meet again Boston bred Pirio Kasparov is out on her friend Ned's fishing boat when a freighter rams into them dumping them both into the icy waters of the North Atlantic Somehow she survives nearly four hours before being rescued Ned is not so lucky Pirio can't shake the feeling that what happened was no accident a suspicion seconded by her cynical Russian immigrant father And when Pirio teams up with the unlikeliest of partners she begins unraveling a terrifying plot that leads to the frozen reaches of the Canadian arctic where she confronts her ultimate challenge to trust herself Active Romanticism Julie Carr, Jeffrey C. Robinson, 2015-03-31 Essays that highlight the pervasive role of Romantic poetry and poetics on modern and contemporary innovative poetry **English Poetry of the Sixteenth Century** Gary F.

Waller,2014-07-15 Explores the poetry of the Renaissance from Dunbar in the late 15th century to the Songs and Sonnets of John Donne in the early 17th The book offers more than the wealth of literature discussed it is a pioneering work in its own right bringing the insights of contemporary literary and cultural theory to an overview of the period *Our Savage Art*

William Logan,2009-04-08 The most notorious poet critic of his generation William Logan has defined our view of poets good and bad interesting and banal for more than three decades Featured in the New York Times Book Review the Times Literary Supplement and the New Criterion among other journals Logan s eloquent passionate prose never fails to provoke readers and poets reminding us of the value and vitality of the critic s savage art Like The Undiscovered Country Poetry in the Age of Tin which won the National Book Critics Circle Award in Criticism Our Savage Art features the corrosive wit and darkly discriminating critiques that have become the trademarks of Logan s style Opening with a defense of the critical eye this collection features essays on Robert Lowell s correspondence Elizabeth Bishop s unfinished poems the inflated reputation of Hart Crane the loss of the New Critics and a damning and already highly controversial indictment of an edition of Robert Frost s notebooks Logan also includes essays on Derek Walcott and Geoffrey Hill two crucial figures in the divided world of contemporary poetry and an attempt to rescue the reputation of the nineteenth century poet John Townsend Trowbridge Short reviews consider John Ashbery Anne Carson Billy Collins Rita Dove Louise Gl ck Jorie Graham Robert Hass Seamus Heaney and dozens of others Though he might be called a cobra with manners Logan is a fervent advocate for poetry and Our Savage Art continues to raise the standard of what the critic can do **The Breath Behind Their Face** John Michael McWilliams,1997 **Selected Literary Essays 1984-2025** Rajeev Patke,2025-09-28 The book consists of a selection of journal articles and book chapters presented at many international conferences and published in academic journals and books from the UK the US India Japan Europe and Singapore **Psycho Boulevard** Dennis Doph,2008-02-19 THE REASON FOR PSYCHO BOULEVARD There had to be something beyond Apocalypse Maybe The author Has searched the bowels of his soul trying to find what makes him Actually tick Apocalypse taps into the anger and the lust Psycho Boulevard is the dregs of the barrel These are the things We think then wish we hadnt As such they are valid But they Cannot be taken at face value The alternate title for this is The Face Behind the Face Behind the Face As the legendary comedienne Renee Taylor commented in her famous Short film satire on Michaelangelo Antonioni Sono la vite senza fine Sotto la vite senza fine Mangila al vestro svago Dennis Doph is his own worm living in the belly of himself recognizing The worm beneath the worm and feeling just fine about all of it And if He eats his own worm it is not cannibalism It is Epicureanism Grab your own worm and enjoy
