## **The Faithful Witness Reflections From Revelation 2 3:**

**The Faithful Witness** Ord L. Morrow, 1981      Notes on the Revelation: with practical reflections. Second edition H. H. SNELL (B.A.), 1870      **Revelation**, 2019-05-21 Where do we go after death What happens to us What factors influence our destiny What will happen to the world in years to come Is there a controlling divine force in human experience Is there a plan or is life a product of random occurrences of chance Why is it the righteous who are persecuted and suffer while the wicked seem to prosper Is there justice in the universe The book of Revelation offers answers to many of these questions Since however it is one of the more difficult of the New Testament books to read and interpret it is often overlooked neglected or even avoided by today's Christians Yet it addresses many prophetic issues of importance to those seeking to understand God's plan for the future Speaking through its heavy symbolism and sometimes strange visions of heaven angels beasts earthly turmoil and destruction the Apocalypse offers hope that God will overcome evil and that he does indeed control human destiny      The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation Msgr. A. Robert Nusca, 2018-06-30 That the Apocalypse of John is a Revelation of Jesus Christ Rev 1 1 is a fact too often overlooked by interpreters of this last book of the Bible As Msgr A Robert Nusca's *The Christ of the Apocalypse Contemplating the Faces of Jesus in the Book of Revelation* proposes beyond predictions of earthquakes and falling stars St John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ Nusca offers an exegetical reading of selected verses of the Book of Revelation incorporating rich spiritual and pastoral reflections The Christ of the Apocalypse above all affirms that St John's God and Christ centered symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity As Cardinal Thomas Collins Archbishop of Toronto writes in his Foreword Now as in the first century Christians face martyrdom and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel More than ever we need the apocalyptic vision to have our own vision of reality clarified and to be strengthened in our evangelical witness      **CSB Restoration Bible** Stephen Arterburn, CSB Bibles by Holman, 2018-12-01 We all face difficulty in life The death of a loved one financial problems divorce health issues job loss the list can go on and on In the midst of these difficult seasons of life there is hope The CSB Life Restoration Bible features relevant and applicable notes and helps focused on life restoration in an easy to follow format to help individuals find hope and joy as they embrace the truths and promises found in God's Word during difficult seasons of life The CSB Life Restoration Bible features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity making it easier to engage with Scripture's life transforming message and to share it with others      *CSB Restoration Bible, Brown LeatherTouch* Stephen Arterburn, CSB Bibles by Holman, 2018-12-01 We all face difficulties in life In the midst of these challenging seasons of life there is hope The CSB Life Restoration Bible features relevant and applicable notes that focus on life restoration In an easy to follow format it guides individuals seeking

**This Is True Grace** Joyce Wai-Lan Sun, 2016-12-31. How and in what respects are the Petrine social instructions shaped by the theological vision of the author of 1 Peter? This publication investigates the coherence between the social behavioural instructions and the theological teachings found in 1 Peter. Engaging with the Balch-Elliott debate, Dr Joyce Sun argues that the core question should not be whether Christians should separate from or accommodate to wider society, but whether their behaviour is consistent with their ultimate allegiance to God. Sun convincingly demonstrates that the social distinctiveness of Christian communities was actively encouraged in the Petrine literature as a form of cultural and spiritual opposition to wider societal norms.

A Theology of Revelation J. Scott Duvall, 2025-03-25. A Theology of Revelation by J. Scott Duvall in Zondervan's Biblical Theology of the New Testament series provides a comprehensive look at the theology of John's Apocalypse. One of only a few dedicated theologies of Revelation, Duvall's book leaves no stone unturned in the study of the final book of the Christian canon of Scripture. This thoroughly researched study includes an investigation into the historical framework of the book, authorship, date, and occasion, and purpose; a survey of literary, theological, foundations, genre, text, and canonicity; grammar and symbolic language; use of the Old Testament literary structure and interpretation; and a full literary theological reading of the book, culminating in an exploration of the book's most significant theological themes: God, Jesus Christ, the Holy Spirit, the people of God, worship, discipleship, salvation, God's judgment of evil, and the new creation. Readers will find here a study that is clearly written, attentive to the historical literary context, with special attention given to the primary theological themes in the book. Perhaps above all, readers will have their hope in God and his amazing plan reinforced and strengthened.

The Necessity of Witness Ariaan Baan, 2015-08-17 The role of witness is a recurring theme in the work of Stanley Hauerwas it is through enacting the truth in a world of lies through seeking peace in a world of violence that witnesses show who God is who we are and what the world is like The Necessity of Witness is a study of Hauerwas and his fascinating but complex understanding of witness Ariaan W Baan argues that Hauerwas's approach makes a significant contribution to current debates in systematic theology on the relation between truth and life Reading Hauerwas can be a precarious adventure His rhetoric is overwhelming but his argument is not always crystal clear and carefully formulated With the help of semiotic and philosophical analysis and biblical exegesis Baan articulates Hauerwas's intuitions fills some of the gaps in his argumentation and discloses hidden biases The results of this analysis sometimes surprise Baan notes that unexpected pericopes in Scripture such as Isaiah and Revelation support Hauerwas's account of witness and concludes that his work offers insight into how in our late modern society such diverse groups as martyrs and pop stars offer implicit witness through their lives
