The Addiction Process A Systemic Cultural Condition

Bob Colonna, Dr. Bob

The Addiction Process A Systemic Cultural Condition:

The Addiction Process Bob Colonna, 2000-11-20 This book came out of a series of lectures given to participants in a chemical dependency treatment program It is a provocative and powerful book that illuminates the hypocrisies and inequities in the laws and values in our society surrounding alcohol and other drug use abuse and addiction These inequities stem from the lack of knowledge of the underlying addiction process on the part of our institutions and the general public The author challenges the very foundation of our cultural values and shows us how these values give birth to an addiction process that permeates thinking throughout our family religious governmental and educational institutions This distorted thought system perpetuates a state of fear which polarizes society in an us against them mentality and an attitude of any means justify the end

The Addiction Process Bob Colonna, Dr. Bob, 1998-09-01 *Systematic Methods for Analyzing Culture* H.J. François Dengah II, Jeffrey G. Snodgrass, Evan R. Polzer, William Cody Nixon, 2020-12-29 *Systematic Methods for Analyzing Culture* is a practical manual that provides step by step instruction for collecting and analyzing cultural data This compact guide explains complex topics in straightforward and practical terms via research examples textual and visual software guides and hands on exercises Through each chapter's introductory examples the manual illustrates how socially learned knowledge provides group members with shared understandings of the world which allow for mutually intelligible interactions The authors then carefully walk readers through the process of eliciting those socially learned shared and thus cultural representations of reality which structure the thinking and practice of individuals inhabiting social groups Specifically the book shows how researchers can elicit such thought and behavior via methods such as free lists pile sorts cultural consensus and consonance analysis textual analysis and personal network research The book will help both undergraduate and graduate students identify ways to unpack the black box of culture which may be absent or given only cursory attention within their training and respective fields The book's clear and systematic step by step walkthroughs of each method will also encourage more established researchers educators and practitioners from diverse fields and with varying levels of experience to integrate techniques for assessing cultural processes into their research teaching and practice

Implementing Evidence-Based Practices in Community Corrections and Addiction Treatment Faye S. Taxman, Steven Belenko, 2011-11-20 Community corrections programs are emerging as an effective alternative to incarceration for drug involved offenders to reduce recidivism and improve public health and public safety Since evidence based practice is gaining recognition as a success factor in both community systems and substance abuse treatment a merger of the two seems logical and desirable But integrating evidence based addiction treatment into community corrections is no small feat costs personnel decisions and effective appropriate interventions are all critical considerations Featuring the first model of implementation strategies linking these fields *Implementing Evidence Based Practices in Community Corrections and Addiction Treatment* sets out criteria for identifying practices and programs as evidence The book's detailed blueprint is based on extensive
