The Adobe Castle:

The Adobe Castle Inez Ross,1997 The Glass Castle Jeannette Walls,2007-01-02 A triumphant tale of a young woman and her difficult childhood The Glass Castle is a remarkable memoir of resilience redemption and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant Jeannette Walls was the second of four children raised by anti institutional parents in a household of extremes The Adobe Castle of the Santa Fe Trail Emil Gimeno,2004 An account of the reconstruction of Bent s Old Fort in Otero County Colorado for the state s centennial celebrations of 1976 written by the general contractor on the project The Interior Castle Ann Hulbert,2013-10-09 An important moment in American literary history takes life in this stunning biography of Jean Stafford one of the most successful admired and troubled of the brilliant and influential midcentury circle of writers and critics that included Allen Tate Caroline Gordon Peter Taylor Delmore Schwartz Randall Jarrell and Robert Lowell Stafford s first husband Ann Hulbert shows us how Stafford raised in Colorado the daughter of a failed writer of Westerns came of literary age in the East yet fiercely maintained her connection with her provincial background forging the unique style that marked her highly acclaimed first novel Boston Adventure her Masterpiece The Mountain Lion her third novel The Catherine Wheel and the stories she published in The New Yorker and elsewhere which were honored in 1970 with a Pulitzer Prize We follow Stafford through the early experiences to which she returned again and again in her fiction and which helped shape her disenchanted vision her father s sudden loss of his fortune her shame as an adolescent living in a boardinghouse in Boulder run by her mother her aesthetic experimentation as a member of the intellectually maverick Barbarians at the University of Colorado her exciting but troubling Wanderjahr in Nazi Germany where she watched civilization crumbling We see her take her place as a forceful attractive witty yet also insecure woman among a group of spirited young writers who were learning from and challenging their older mentors the increasingly powerful Southern critics and the Partisan Review circle in New York With her marriage to Lowell at twenty four she embarked on a feverishly creative but ill fated coursethat held auguries of his and his fellow poets tragic paths she struggled with Catholicism confronted domestic violence battled with alcoholism and mental instability and throughout it all wrote formally impeccable fiction And we see her as she finds some happiness with her third husband the writer A J Liebling part of the New Yorker world that had become her home in the late 1940s Throughout we are made aware of Stafford s constant search for a bastion of order a safe place an escape from the unsettling sense of vulnerability that engulfed her an interior castle from which to approach her life and her art The WPA Guide to Arizona Federal Writers' Project,2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country s shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph

Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state s unique flavor At the time of the publication of the WPA Guide to Arizona in 1940 the Grand Canyon State was the newest addition to the union The guide presents a state of contrasts both geographically and culturally The photographs show many facets of the state from the mesas and desert lands to the Spanish missions and Native American art **Castle Gap and the Pecos Frontier, Revisited** Patrick Dearen,2017-08-25 First published in 1988 Castle Gap and the Pecos Frontier was acclaimed by reviewers as superb significant and utterly delightful In this revised edition Patrick Dearen draws upon the latest in scholarship to update his study of the Pecos River country of West Texas It s a land wild with tales that blend history geography and folklore and from his search emerge six fascinating accounts Castle Gap a break in a mesa twelve miles east of the Pecos River used by Comanches emigrants stage drivers and cattle drovers Horsehead Crossing the most infamous ford of the Old West Juan Cordona Lake a salt lake where sandstorms and skull baking sun defied early efforts to mine salt vital to survival The bulto or ghost who wanders the Fort Stockton night Lost Wagon Train a forty wagon caravan buried in the sands The lost mine of Will Sublett who found gold and kept its location secret unto death Although linked by the search for treasure the stories are as varied as the land itself They speak eloquently of the Pecos country its heritage and its people
