**The Adventure of the Speckled Band** Arthur Conan Doyle, 2014-10-10 Holmes client is Helen Stoner a 32 year old spinster who lives with her stepfather Dr Grimesby Roylott of Stoke Moran Dr Roylott is the last survivor of what was a wealthy but dissolute and violent tempered aristocratic Anglo Saxon family of Surrey After returning from India where he had a large medical practice and had served a jail sentence for killing his native Butler in a fit of rage Roylott a widower settles with his two stepdaughters in the broken down ancestral manor all that is left of estates that had extended into Berkshire and Hampshire The doctor becomes notorious for terrorizing the local village because of his quarrelsome personality and violent temper Dr Roylott has required Miss Stoner who is engaged to be married to move into a particular bedroom of his heavily mortgaged ancestral home in Stoke Moran This room was the one in which two years before Helen's twin sister Julia had died under mysterious and dramatic circumstances uttering the last words The band The speckled band just prior to her wedding Helen is reluctant to sleep in the room because a number of things about the bedroom are mysterious and disturbing Late at night Helen hears low whistling sounds followed by a metallic clang There is a strange bell cord over the bed but it does not appear to work any bell The rope goes to a ventilator an opening high in the wall of the room close to the ceiling which provides air circulation between Helen's room and an adjacent room of Dr Roylott in the crumbling mansion In addition Helen's bed is clamped to the floor this piece of furniture can never be moved from its

position Stoner surmises that Julia might have been murdered by the gypsies who wear speckled handkerchiefs around their necks in order to bring in a bit of cash Dr Roylott has rented spare rooms in Stoke Moran near them A cheetah and a baboon also have the run of the property for Dr Roylott keeps exotic pets from India      *Adventure of the Speckled Band* Vincent Goodwin,2010-01-01 When Ms Stoner comes to Sherlock Holmes with a strange story that a mysterious whistle caused her sister s death Holmes is ready to take on the case After examining the clues Watson is sure the gypsies are to blame Can Holmes prove there is a more sinister plot in play Follow the clues with Sherlock Holmes in the adventure of the speckled band Graphic Planet is an imprint of Magic Wagon a division of ABDO Group Grades 3 8      **The Adventures of Sherlock Holmes** Arthur Conan Doyle,2016-02-02 The Adventures of Sherlock Holmes is the first series of stories featuring the world s most famous detective Sherlock Holmes This particular book is the 8th story of the series Enjoy Sir Arthur Conan Doyle s imagination as you read The Adventure of the Speckled Band Matte cover with wrap around cover art      **The Best Loved Adventure Of Sherlock Holmes - The Speckled Band** Sir Arthur Conan Doyle,Michael W. McClure,2021-03-20 The best edition of The Adventure of the Speckled Band currently available for first time readers The unabridged story and original Sidney Paget sketches are supplemented with 18 new illustrations and a fully annotated explained text This 125th Anniversary collector s volume is a great way to introduce young and old alike to the captivating world of Sherlock Holmes All of the ingredients are here for a compelling tale a locked room mystery damsel in distress and a gloomy centuries old mansion surrounded by danger Can Holmes solve the case before it is too late      **The Speckled Band** Sir Arthur Conan Doyle,2021-01-11 On glancing over my notes of the seventy odd cases in which I have during the last eight years studied the methods of my friend Sherlock Holmes I find many tragic some comic a large number merely strange but none commonplace for working as he did rather for the love of his art than for the acquirement of wealth he refused to associate himself with any investigation which did not tend towards the unusual and even the fantastic Of all these varied cases however I cannot recall any which presented more singular features than that which was associated with the well known Surrey family of the Roylotts of Stoke Moran The events in question occurred in the early days of my association with Holmes when we were sharing rooms as bachelors in Baker Street It is possible that I might have placed them upon record before but a promise of secrecy was made at the time from which I have only been freed during the last month by the untimely death of the lady to whom the pledge was given It is perhaps as well that the facts should now come to light for I have reasons to know that there are widespread rumours as to the death of Dr Grimesby Roylott which tend to make the matter even more terrible than the truth
