**Adventures of Solar Pons** August Derleth, Peter A. Ruber, 1998      *In Re: Sherlock Holmes* August Derleth, 2018-06-14

Once again in old London the game is afoot In these pastiches of the Sacred Writings written when he was nineteen and twenty August Derleth has recreated the London of Sherlock Holmes It does not matter that the familiar name has become Solar Pons or that the familiar Baker Street has become Praed Street something of the nostalgic charm and fascination of the remembered quickening of the pulse and the familiar settings of the original London of Sherlock Holmes has been recaptured in these pages And what intriguing titles there are to these twelve pastiches chosen from among a greater number Here are The Adventure of the Frightened Baronet about a spectral image of Siva seen at a country estate beyond London The Adventure of the Purloined Periapt which is the purest of pastiches and perhaps the closest of all the tales in this book to the original spirit The Adventure of the Norcross Riddle containing some of the neatest deduction in the book The Adventure of the Man with the Broken Face a tale of dark waters and eight others No doubt writes Vincent Starrett in his Introduction we and by we I mean those frantic and incurable Sherlockians who with August Derleth deplore the paucity of canonical entertainments should rather have more of the great originals but we accept the imitations faute de mieux to satisfy a normal appetite And we accept them with enthusiasm They are the work of affectionate minds and hands There is no intention to deceive These stories and others in their field are intended only to please They are nostalgic reminders of vanished days and nights in Baker Street      **Solar Pons: the Chronicles of Solar Pons and the Apocrypha of Solar Pons** August

Derleth, 2018-11-24 In 1928 at the age of nineteen college student August Derleth wrote to Sir Arthur Conan Doyle asking him whether he planned to produce more Sherlock Holmes stories and announcing that if Sir Arthur did not he Derleth would begin a series of pastiches of his own Sir Arthur promised nothing and Derleth went ahead creating Solar Pons Between Pons first published appearance in 1929 until Derleth's death in 1971 the bite of the Sherlockian bug prompted him to write more than seventy Solar Pons adventures in the best Holmes tradition Throughout he devoted endless hours to research and authentication of details into recreating the London milieu of Pons Now restored from the original 1973 Mycroft and Moran edition Solar Pons is back Join Pons and Dr Parker in The Chronicles of Solar Pons as they investigate the terrifying events of The Missing Tenants the suspenseful matter of The Orient Express and the nearly perfect adventure of The Unique Dickensians For many years it was believed the Pontine Canon would end with the publication of The Chronicles of Solar Pons in 1973 But over the years additional material was discovered in various places including obscure publications and Derleth's own files Now thanks to Derleth's heirs and the August Derleth Estate which still retains full ownership of Solar Pons and these apocryphal adventures this new easily available and affordable collection has been made possible Once again the game is afoot      **Regarding Sherlock Holmes** August Derleth, 1974-09      **The Further Adventures of Solar Pons**

Basil Copper, 1987 In this second volume we again join Solar Pons the latter day Sherlock Holmes and his colleague Dr Lyndon Parker as they solve another four puzzling cases What we always knew about Sherlock Holmes when he supposedly

fell to his death at the Reichenbach Falls we now know about Solar Pons he is not dead he has just been hiding The Papers of Solar Pons David Marcum, 2017-10-19 Solar Pons was created by August Derleth in the 1920s as a continuation of the Sherlock Holmes canon Derleth who famously created Arkham House Publishing to preserve the writings of his friend author HP Lovecraft had corresponded with Sir Arthur Conan Doyle asking whether Doyle would be providing any new Holmes adventures When Doyle said no Derleth determined to write some himself However instead of writing more Holmes tales Derleth came up with Solar Pons a detective very similar to Holmes and Dr Lyndon Parker his Dr Watson Eventually between the 1920s and his death in 1971 Derleth wrote over seventy Pons tales set in that period between the end of World War I and 1939 Now meet Solar Pons the Pride of Praed Street The Master is not too visible that is to the naked eye But you will feel his dynamic presence once again Yes dear reader but turn a page and again the game is afoot Ellery Queen Bestselling Sherlock Holmes author David Marcum continues The Pontine Canon with twelve new Pons adventures The Adventure of the Doctor's Box The Park Lane Solution The Poe Problem The Singular Affair of the Blue Girl The Plight of the American Driver The Adventure of the Blood Doctor The Additional Heirs The Horror of St Anne's Row The Adventure of the Failed Fellowship The Adventure of the Obrisset Snuffbox The Folio Matter The Affair of the Distasteful Society Additionally this volume contains a bonus Sherlock Holmes adventure the author's Solar Pons origin story The Adventure of the Other Brother forewords from noted Ponsians and Appendices Join us at 7B Praed Street where Solar Pons and Dr Parker are about to begin their next adventure The game is afoot Solar Pons is a clever impersonator with a twinkle in his eye which tells us that he knows that he is not Sherlock Holmes and knows that we know it but he hopes we will like him anyway for what he symbolizes The best substitute for Sherlock Holmes known Vincent Starrett
