Henry Vaughan

The Aeneid Of Virgils 7 12 S 7 12:

The Dido Episode and the Aeneid Richard C. Monti, 1981 The Dido episode of the Aeneid has been studied for the most part in its relation to the tradition of amatory narrative Because Vergil's poetry relies heavily on literary reminiscence to create its effect it must be a task of the scholarship to trace the influence of earlier literature But even after literary imitations are securely identified and the determination is made whether they are allusive merely or structural one must further consider how Vergil integrates the imitations into the ensemble of his own poem If such considerations are not entertained the simple recognition of imitations can lead to the obfuscation and misunderstanding of what the poet is saying This unfortunately had been the case in the criticism on the Dido episode Emphasis has been placed on Dido as a sentimental heroine at the expense of a fact obvious to every reader of that poem namely that Vergil also presents her as a political woman the ruler of a city destined to be the rival of Rome It is the hope of this study to offer a somewhat more balanced view of the Dido episode Its purpose is first to take up the question of how the literary reminiscences in the narrative of the rupture of relations between Dido and Aeneas are integrated into the larger context of the Dido episode From the perspective which this examination provides it will further consider the relationship between the episode at Carthage and the Aeneid as a whole Pg 1 **Silex scintillans** Henry Vaughan, 1914 *The Works of Henry Vaughan: Silex scintillans* Henry
