Richard Schmitt

The Aerialist:

The Aerialist Victoria Hallerman, 2005 Poetry THE AERIALIST is a wise observant and deeply reflective body of work With mature authority and true poetic intelligence Hallerman presents us with our lives as aerialists Her life is the wife she can never come down if she were to cut the wire she dreams of this the sky would break like a mirror into the sea and nothing would be whole again Jean Valentine As soon as I began reading these poems I knew I was in the company of a writer I wanted to be with someone whose personality becomes recognizable on a basic yet open level that is appealing and not in any way exclusive I was eager to learn what she had to say about the wide variety of things that concern her This is the unforced voice of a poet who has nothing to prove and therefore does not need to lecture or presume and does not restrict herself to one small area in short a poet who reveals herself without needing to confess *The Aerialist* is a superb collection it is hard to believe that it is the *The Aerialist* Richard Schmitt, 2000 This latest title in the Sewanee Writers Series is a gritty debut novel in the tradition of Tom McGuane and Pete Dexter that chronicles a young man's retreat into the darkly glamorous world of the circus *Girl, Incorrupt* Megan Bledsoe, Magical lore all the feels and ominous characters who haunt the page Daphne James has a plan get her boyfriend to propose But on the night she expects it to happen he jokes about marrying a local vaudeville star They say L Aornum Theatre's headliner is beautiful talented mysterious everything Daphne isn't Just the thought of her triggers Daphne's insecurities Daphne's determined to learn her secrets But the starlet has more secrets than Daphne can fathom She's an incorrupt corpse And she wants Daphne to become a part of her plan WARNING This isn't a love story It's a love HORROR story Do not read this book if you're not ready to fully give in to a monster type you've never seen before Tropes will be subverted corpses will rot and hearts will be broken But don't let me deter you Step right up if you dare **The Aerialist's Fall** Joan Joffe Hall, 1980 **Female Aerialists in the 1920s and Early 1930s** Kate Holmes, 2021-11-29 Female solo aerialists of the 1920s and early 1930s were internationally popular performers in the largest live performance mass entertainment of the period in the UK and USA Yet these aerialists and this period in circus history have been largely forgotten despite the iconic image of the female aerialist still flaring in the popular imagination Kate Holmes uses insights gained as a practitioner to reconstruct in detail the British and American performances and public personae of key stars such as Lillian Leitzel Luisita Leers and the Flying Codonas revealing what is performed and implicit in today's practice Using a wealth of original sources this book considers the forgotten stars whose legacy of the cultural image of the female aerialist echoes Locating performers within wider cultural histories of sport glamour and gender this book asks important questions about their stardom including Why were female aerialists so alluring when their muscularity challenged conservative ideals of femininity and how did they participate in change What was it about their movements and the spaces they performed in that activated such strong audience responses This book is vital reading for students and practitioners of aerial performance circus gender popular performance and performance studies
