100 Great African Kings and Queens (Vol 1) Pusch Komiete Commey,2016-04-07 A chronicle of ten great African monarchs from Makeda the Ethiopian Queen of Sheba to the richest man who ever lived Emperor Mansa Musa of Mali This easy read original edition narrates the journey of these magnificent monarchs through the sands of time of time and will amaze delight and make the world stand up to celebrate a shared humanity without borders *Slave Caravans and King's Treasure* Pasquale De Marco,2025-04-28 In this comprehensive and thought provoking book we delve into the dark history of the slave trade exploring its origins evolution and lasting impact on societies around the world Through a multifaceted examination of economic social and political factors we uncover the intricate web of forces that fueled this abhorrent practice The slave trade was a global tragedy that touched every corner of the earth leaving an indelible scar on the lives of millions of people From the shores of Africa to the plantations of the Americas the forced displacement and exploitation of human beings created a system of racial inequality and injustice that continues to resonate in our modern world We trace the evolution of the slave trade from its earliest forms to its eventual abolition shedding light on the key players and events that shaped its course We examine the economic factors that drove the demand for enslaved labor the political systems that enabled and perpetuated the trade and the social and cultural attitudes that justified it This book also explores the devastating impact of the slave trade on the lives of those who were enslaved We hear their stories of suffering resilience and resistance and we witness the profound psychological and physical toll that slavery exacted on its victims Furthermore we investigate the legacy of the slave trade examining its lasting impact on societies around the world We explore the ongoing struggle for reparations and reconciliation and we consider the lessons that we can learn from this dark chapter in human history to prevent future injustices This book is a powerful and necessary examination of one of the most shameful episodes in human history It is a reminder of the horrors that can be perpetrated when greed fear and prejudice are allowed to flourish It is also a call to action urging us to confront the legacy of slavery and to work towards a more just and equitable future If you like this book write a review on google books **Irohin** ,1996 **The Lost Treasure of King Juba** Frank Joseph,2003-03-25 The story of a mysterious southern Illinois treasure cave and its proof of the presence of Africans in North America long before Columbus Includes over 100 photographs of the artifacts discovered Re creates the historic voyage of King Juba and his Mauretanian sailors across the Atlantic to rebuild their society in the New World Explains the mystery of the Washitaws a tribal group of African origin first encountered by the Lewis and Clark Expedition In 1982 Russell E Burrows a treasure hunter in southern Illinois stumbled on a cache of ancient weapons jewels and gold sarcophagi in a remote cave There also were stone tablets inscribed with illustrations of Roman like soldiers Jews early Christians and West African sailors These relics fueled a bitter controversy in the archaeological community regarding their authenticity leading Burrows

to destroy the entrance to the cave Researching more than 7 000 artifacts removed from the cave before it was sealed Frank Joseph explains how these objects came to be buried in the middle of the United States It started with Cleopatra whose daughter was made queen of the semi independent realm of Mauretania present day Morocco which she ruled with her husband King Juba II Following the execution of their son Ptolemy by Emperor Caligula the Mauretanians rebelled against their Roman overlords and made their way into what is now Ghana There they constructed a fleet of ships for a transatlantic voyage to a land where they hoped to rebuild their kingdom safe from Roman rule They took with them a great prize unsuccessfully sought by two Roman emperors Cleopatra s golden treasure and King Juba s encyclopedic library of ancient wisdom Fully illustrated with many previously unpublished photographs of artifacts retrieved from the southern Illinois site The Lost Treasure of King Juba is a compelling story that could force us to rethink the early history of our nation and the possibility that Africans arrived on our continent nearly fifteen centuries before Columbus

The Life and Adventures of Zamba, an African Negro King Peter Neilson, 1850 *The African World Annual* , 1924 *They Came Before Columbus: The African Presence in Ancient America* Ivan Van Sertima, They Came Before Columbus reveals a compelling dramatic and superbly detailed documentation of the presence and legacy of Africans in ancient America Examining navigation and shipbuilding cultural analogies between Native Americans and Africans the transportation of plants animals and textiles between the continents and the diaries journals and oral accounts of the explorers themselves Ivan Van Sertima builds a pyramid of evidence to support his claim of an African presence in the New World centuries before Columbus Combining impressive scholarship with a novelist s gift for storytelling Van Sertima re creates some of the most powerful scenes of human history the launching of the great ships of Mali in 1310 two hundred master boats and two hundred supply boats the sea expedition of the Mandingo king in 1311 and many others In They Came Before Columbus we see clearly the unmistakable face and handprint of black Africans in pre Columbian America and their overwhelming impact on the civilizations they encountered
