

The Africanamerican Church At Work

Janice M. Rasheed, Mikal N. Rasheed

The African American Church At Work:

The African-American Church at Work Michael A. Battle, 1994 Black Church Studies Stacey Floyd-Thomas, Juan M. Floyd-Thomas, Carol B. Duncan, Dr. Stephen G. Ray Jr., Nancy Lynne Westfield, 2007-11-01 Religious Studies Over the last thirty years African American voices and perspectives have become essential to the study of the various theological disciplines Writing out of their particular position in the North American context African American thinkers have contributed significantly to biblical studies theology church history ethics sociology of religion homiletics pastoral care and a number of other fields Frequently the work of these African American scholars is brought together in the seminary curriculum under the rubric of the black church studies class Drawing on these several disciplines the black church studies class seeks to give an account of the broad meaning of Christian faith in the African American experience Up to now however there has not been a single comprehensive textbook designed to meet the needs of students and instructors in these classes **Black Church Studies An Introduction** will meet that need Drawing on the work of specialists in several fields it introduces all of the core theological disciplines from an African American standpoint from African American biblical interpretation to womanist theology and and ethics to sociological understandings of the life of African American churches It will become an indispensable resource for all those preparing to serve in African American congregations or to understand African American contributions to the study of Christian faith Looks at the diverse definitions and functions of the Black Church as well as the ways in which race class religion and gender inform its evolution Provides a comprehensive view of the contributions of African American Scholarship to the current theological discussion Written by scholars with broad expertise in a number of subject areas and disciplines Will enable the reader to relate the work of African American theological scholars to the tasks of preaching teaching and leading in local congregations Will provide the reader the most comprehensive understanding of African American theological scholarship available in one volume Stacey Floyd Thomas Brite Divinity School Juan Floyd Thomas Texas Christian University Carol B Duncan Wilfrid Laurier University Stephen G Ray Jr Lutheran Theological Seminary Philadelphia Nancy Lynne Westfield Drew University Theology Theology and Doctrine Contemporary Theology

The African American Church in Birmingham, Alabama, 1815-1963 Wilson Fallin, Jr., 2017-09-06 This study first published in 1997 attempts to fill a gap in the historiography of the African American church by analysing the role and place of the African American church in one city Birmingham Alabama It traces the roles and functions of the church from the arrival of African Americans as slaves in the early 1800s to 1963 the year that the civil rights movement reached a peak in the city This title will be of interest to students of nineteenth and twentieth century religious and social history **In Search of Wisdom** Anne Streaty Wimberly, Evelyn L. Parker, 2002 A guide for pastors church leaders and all who help African Americans in their search for a meaningful Christian lifestyle Forming Christians leading fallen and flawed human beings into the path of discipleship to a crucified and risen Lord is one of the central if not the central tasks of all Christian

churches It is a difficult enough task anywhere but for African Americans beset by racial conflict personal crises generational separation and other concerns it is especially so African American churches must work particularly hard to counter the messages their members receive from the dominant and often unfriendly culture This book employs the biblical text and African tradition to draw on the idea of the search for wisdom as a potent way to help African Americans in their pursuit of genuine Christian discipleship Wisdom in African American tradition is not simply knowledge rather it is those insights attitudes beliefs behaviors and practices that create and sustain a life of hope and that produce an inherent sense of the worth of one's self If their members are to engage in the search for wisdom African American churches must build an intentional ministry of faith formation Wisdom can be gained the authors argue when African Americans listen to the black oral tradition with its proverbial sayings revered Bible stories songs and narratives from the lives of exemplary individuals The book offers several similar avenues for the search for wisdom including helpful models of black males mentoring younger black males as a remedy to the destructive effects that contemporary culture has on this segment of the African American community

The History of the Negro Church Carter Godwin Woodson, 2021-04-26 In *The History of the Negro Church* Carter Godwin Woodson meticulously examines the evolution of African American religious institutions emphasizing their role in the broader context of social justice and civil rights With a rich narrative that combines anecdotal evidence and rigorous scholarship Woodson employs a historical lens to illuminate the church's multifaceted influence on African American identity and community cohesion during oppressive eras His literary style is accessible yet profound engaging readers with both passionate advocacy for African American history and a critical reflection on the church's evolving mission from the antebellum period through to the early 20th century Carter G Woodson known as the Father of Black History was a pioneering African American historian and educator who founded Black History Month His commitment to documenting Black history stemmed from his personal experiences of racial discrimination and the neglect of African American contributions in academia Influenced by the socio-political context of his time Woodson sought to reclaim the narrative surrounding the African American experience establishing the importance of the Negro Church as not merely a religious institution but as a cornerstone of resistance and empowerment against systemic oppression This essential work is recommended for scholars students and readers interested in understanding the profound intersections of faith culture and social justice within African American history Woodson's nuanced exploration invites contemplation on the lasting impacts of religion within marginalized communities making it a pivotal text for those who wish to delve deeper into the complexities of American religious life and the African American experience In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing An Author Biography reveals milestones in the author's life illuminating

the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Social Work Practice With African American Men Janice M. Rasheed,Mikal N. Rasheed,1999-02-09 This is a ground breaking and long overdue book that proposes a variety of innovative and practical strategies to address relevant issues for African American men in micro practice approaches such as individual couple family and group treatment issues as well as macropractice approaches such as policy formulation program development and community practice This well documented book is informed by the authors years of qualitative research and their considerable years of clinical experience with African American men

Organizing Black America: An Encyclopedia of African American Associations Nina Mjagkij,2003-12-16 With information on over 500 organizations their founders and membership this unique encyclopedia is an invaluable resource on the history of African American activism Entries on both historical and contemporary organizations include African Aid Society African Americans for Humanism Black Academy of Arts and Letters Black Women s Liberation Committee Minority Women in Science National Association of Black Geologists and Geophysicists National Dental Association National Medical Association Negro Railway Labor Executives Committee Pennsylvania Freedmen s Relief Association Women s Missionary Society African Methodist Episcopal Church and many more

Under Their Own Vine and Fig Tree: The African-American Church in the South, 1865-1900 William E. Montgomery,1995 [The African American Church Community in Rochester, New York, 1900-1940](#) Ingrid Overacker,1998 This work examines the connections between the faith foundations of members of the African American church community in Rochester New York and the work the community engaged in to nurture and protect its members during the first four decades of the twentieth century The book concentrates on four local churches Memorial AME Zion Mt Olivet Baptist Trinity Presbyterian and St Simon s Episcopal and explains how each addressed the human service educational economic and political needs of African Americans in Rochester the book highlights the role of women in the church community and relies heavily on interviews with members of the respective churches This analysis of Rochester s church community challenges the perception of the African American church as accommodationist and other worldly during this critical time in the formation of the African American community both locally and nationally

[The Black Church Studies Reader](#) Alton B. Pollard,Carol B. Duncan,2016-04-29 The Black Church Studies Reader addresses the depth and breadth of Black theological studies from Biblical studies and ethics to homiletics and pastoral care The book examines salient themes of social and religious significance such as gender sexuality race social class health care and public policy While the volume centers around African American experiences and studies it also attends to broader African continental and Diasporan religious contexts The contributors reflect an interdisciplinary blend of Black Church Studies scholars and

practitioners from across the country The text seeks to address the following fundamental questions What constitutes Black Church Studies as a discipline or field of study What is the significance of Black Church Studies for theological education What is the relationship between Black Church Studies and the broader academic study of Black religions What is the relationship between Black Church Studies and local congregations as well as other faith based entities The book s search for the answers to these questions is compelling and illuminating
