Altstadt,2017-05-23 Frustrated Democracy in Post Soviet Azerbaijan follows a newly independent oil rich former Soviet republic as it adopts a Western model of democratic government and then turns toward corrupt authoritarianism Audrey L Altstadt begins with the Nagorno Karabagh War 1988 1994 which triggered Azerbaijani nationalism and set the stage for the development of a democratic movement Initially successful this government soon succumbed to a coup Western oil companies arrived and money flowed in a quantity Altstadt calls almost unimaginable causing the regime to resort to repression to maintain its power Despite Azerbaijan s long tradition of secularism political Islam emerged as an attractive alternative for those frustrated with the stifled democratic opposition and the lack of critique of the West s continued political interference Altstadt s work draws on instances of censorship in the Azerbaijani press research by embedded experts and nongovernmental and international organizations and interviews with diplomats and businesspeople The book is an essential companion to her earlier works *The Azerbaijani Turks Power and Identity Under Russian Rule* and *The Politics of Culture in Soviet Azerbaijan 1920 1940* **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects** University of California (System). battle of Abucay than did all American units on Bataan during the entire campaign When the U S high command turned its efforts to evacuating the Philippine Islands Lim began to prepare for the ensuing underground struggle against the Japanese a fight that cost him his life By recounting Vicente Lim s career **Frustrated Ambition** illuminates forgotten episodes in Philippine history offers new perspectives on military affairs during the American occupation and recovers the story of Filipino soldiers whose service changed the course of their country s military history **Book Review Digest** ,1964
