The Gun Book for Girls Silvio Calabi, Steve Helsley, Roger

Sanger, 2013-09-16 This third installment in the popular series of practical books about guns and shooting is aimed at women of all ages the fastest growing segment of the sport and it couldn't come at a better time America and firearms literally grew up together but today guns are often simply linked to crime and violence gun control has become a polarizing political issue and misinformation about firearms is spreading Now three experts have tackled the subject in a series of books that explores the realities of guns and shooting and sets the record straight about some common misconceptions On the heels of The Gun Book for Boys and The Gun Book for Parents The Gun Book for Girls is for girls and women interested in guns and shooting but who have little or no background in firearms Through example and anecdote the book emphasizes safety and proper usage and it defines terms and provides hands on advice about using and maintaining guns It also covers firearms shooting

methods clothing and accessories for women profiles females who shoot and who work in the gun trade and discusses the issues around guns for self defense a topic of special interest to women Like the other two titles this book is non political and written in an easy to understand conversational tone Each book is thoroughly illustrated and content is presented in easily managed portions that can be read in series or singly all backed up with an index **The AK47 catalog volume 1** Rob Stott,2013-08-15 Clear Color photographs of the AK47 assault rifle and its variations The First volume covers Soviet Russian AKM AKMS Polish AKM AKMS post 1990 Polish AK47 grenade launcher variations as well as full powered sniper rifles from Yugoslavia and Romania 80 pages of color photographs most never published **Blue Book of Gun Values** S P Fjestad,1998-04 *The Writers Directory* ,2013 **The World's Assault Rifles** Gary Paul Johnston,Thomas B. Nelson,2016-12-15 The World s Assault Rifles is a definitive comprehensive reference book covering the militaries of 50 countries in 71 chapters Comprising more than 1 900 photographs this book includes extensive assault rifle history operating and locking systems ammunition types individual specifications and much more With the 1200 page hardcover version weighing 9 pounds and now selling for hundreds of dollars The World s Assault Rifles as an eBook offers convenient transportation and comfortable reading pleasure in the office at home and during travel not to mention the low cost Now used by hundreds of military scholars and agencies world wide The World s Assault Rifles in eBook format will provide instant fingertip access to information unavailable from any other source at an unbeatable price
