The Alamo Remembered Tejano Accounts And Perspectives By:

The Alamo Remembered Timothy M. Matovina, 2013-12-06 A collection of all known Tejano accounts of the Battle of the Alamo As Mexican soldiers fought the mostly Anglo American colonists and volunteers at the Alamo in 1836 San Antonio s Tejano population was caught in the crossfire both literally and symbolically Though their origins were in Mexico the Tejanos had put down lasting roots in Texas and did not automatically identify with the Mexican cause Indeed as the accounts in this new collection demonstrate their strongest allegiance was to their fellow San Antonians with whom they shared a common history and a common plight as war raged in their hometown Timothy M Matovina here gathers all known Tejano accounts of the Battle of the Alamo These accounts consist of first reports of the battle including Juan N Segun s funeral oration at the interment ceremony of the Alamo defenders conversations with local Tejanos unpublished petitions and depositions and published accounts from newspapers and other sources This communal response to the legendary battle deepens our understanding of the formation of Mexican American consciousness and identity A fascinating and much needed anthology of Tejano accounts of America s most storied battle There are no books like it in the field despite considerable publishing on the Alamo and the Texas revolt Paul Hutton Executive Director Western History Association The first full scale collection offers a rich insight into the formation of Mexican American identity in San Antonio The book speaks eloquently to a general audience trying to gain a more balanced perspective of the storied conflict at the Alamo Review of Texas Books Matovina s message is that historians who concentrate on the question of which side Tejanos joined or did not join miss the larger point for the Tejanos themselves the choice of sides during the revolt was not the overriding issue of their lives nor was it the touchstone of their identity What the Tejano accounts of the Alamo show Matovina argues is that the divisions engendered by the revolution failed to destroy what remained an amazingly cohesive community in which families friends and neighbors split apart by the war reunited in harmony in its aftermath Southwestern Historical Quarterly *Remember the Alamo!* Karen Clemens Warrick, 2020-07-15 In 1830 many immigrants from the United States called Texas then a territory of Mexico home These immigrants outnumbered Mexican citizens The U S government offered to buy Texas Instead Mexico sent troops to keep more U S settlers from crossing the border Tension mounted as each side prepared to take a stand Today people often forget Texas was once part of Mexico but the cry Remember the Alamo has lived on in history Engaging text informative sidebars and fascinating images will help students discover how the battle for the Alamo was the first step toward Texas independence and statehood and how this event has shaped the political climate since then *The Texas Revolution: Tejano Heroes* Roy F. Sullivan, 2011-12-16 Most Americans are aware that Texas gained its independence from Santa Annas Mexico in the 1840s Mention of the Alamo evokes the familiar names of heroes like Davy Crockett Jim Bowie and William Travis All too often another group of heroes heroines and patriots who fought and died for the independence of Texas is overlooked The sacrifices bravery and valor of that group the Tejanos Texans of Hispanic ancestry

are the focus of The Texas Revolution Tejano Heroes It was not just at famous battles such as Agua Dulce Bexar Goliad the Alamo and San Jacinto that Tejanos made their mark on Texas history often giving their lives and fortunes Long before the arrival of Stephen F Austin and settlers from the east Tejanos were fighting for the independence of Tejas or Texas The first declaration of Texas independence from Spain was issued in April 1813 by Bernardo Gutierrez de Lara The first and bloodiest battle for Texas independence was fought at the battle of the Medina in August 1813 The first formal list of grievances against the Mexican government was issued by several Tejanos including Juan Seguin and Gaspar Abrego de Flores in October 1834 Recognition of the courage abilities and endurance of Tejanos as major emancipators in the Texas Revolution is long overdue hence this book

Recollections of a Tejano Life Timothy M. Matovina, Jesús F. de la Teja, 2013-12-01 San Antonio native military veteran merchant and mayor pro tem Jos Antonio Menchaca 1800 1879 was one of only a few Tejano leaders to leave behind an extensive manuscript of recollections Portions of the document were published in 1907 followed by a corrected edition in 1937 but the complete work could not be published without painstaking reconstruction At last available in its entirety Menchaca s book of reminiscences captures the social life people and events that shaped the history of Texas s tumultuous transformation during his lifetime Highlighting not only Menchaca s acclaimed military service but also his vigorous defense of Tejanos rights dignity and heritage Recollections of a Tejano Life charts a remarkable legacy while incorporating scholarly commentary to separate fact from fiction Revealing how Tejanos perceived themselves and the revolutionary events that defined them this wonderfully edited volume presents Menchaca s remembrances of such diverse figures as Antonio Lopez de Santa Anna Jim Bowie Davy Crockett Sam Houston General Adri n Woll Comanche chief Casamiro and Texas Ranger Jack Hays Menchaca and his fellow Tejanos were actively engaged in local struggles as Mexico won her independence from Spain later many joined the fight to establish the Republic of Texas only to see it annexed to the United States nine years after the Battle of San Jacinto This first person account corrects important misconceptions and brings previously unspoken truths vividly to life

Alamo Story J. R. Edmondson, 2022-07-15 First published in 2000 J R Edmondson s The Alamo Story From Early History to Current Conflicts thoroughly examines the famous Shrine of Texas Liberty from its origin as a Spanish New World mission to its modern status It has been lauded as the best and most readable of all historical accounts devoted to the legendary mission fortress The original edition has been celebrated for over twenty years for its comprehensive approach to Alamo scholarship and for presenting the famous battle in the context of both American and Mexican history This second edition of The Alamo Story includes new information about the battle and those involved including expanded stories on the roles of minorities and some illustrations by noted artist Mark Lemon The book also features a new chapter on Benjamin Rush Milam s assault on San Antonio with only three hundred Texians the battle that set the stage for the siege of the Alamo less than three months later And there is an extensive epilogue on the present day conflicts about the physical Alamo compound as historic preservationists clash with political and popular opinions in San

Antonio **The Life and Adventures of Colonel David Crockett of West Tennessee** Michael A. Lofaro, 2023-08-18 The legendary Davy Crockett arose simultaneously with the emergence of the historical Crockett as a public figure and once established the man and the myth were forevermore entangled The present work his Life and Adventures 1833 ushered in a series of biographical and autobiographical books that thrust Crockett fully onto the national and international scene This work quickly retitled Sketches and Eccentricities was the most outlandish Its purported author J S French mixed two nineteenth century genres of storytelling the Humor of the Old Southwest and the sketch all presented within a historical framework to create an early version of the King of the Wild Frontier The Crockett encountered here is the marksman who can shoot an elk from 140 yards with his beloved rifle Betsy grin the bark off a tree knot and choose bows and arrows as weapons when challenged to a duel by a fellow congressman Within a year Crockett disavowed this book preferring his autobiography Narrative of the Life of David Crockett of the State of Tennessee but this rollicking story often bouncing along from tall tale hunting anecdote faux moral tale to humorous pratfall became a major source for the later biographical writings and a later cultural industry that swept up newspapers books political propaganda plays and films and almost every way in which a frontier figure could appear in popular culture And while Crockett's image was a source of entertainment and humor it also pointed toward something far more serious after his death at the Alamo it presented Americans with a fictional Frontier hero who progressively embodied their views on topics as varied as manliness manifest destiny and even white supremacy However the Crockett of Sketches canny adaptable intelligent but not educated hilarious was above all a perfect reflection of the aspirations interests and beliefs of Jacksonian era Americans *Imperialism and Expansionism in American History* Chris J. Magoc, David Bernstein, 2015-12-14 This four volume encyclopedia chronicles the historical roots of the United States current military dominance documenting its growth from continental expansionism to hemispheric hegemony to global empire This groundbreaking four volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with a global imperial posture and the long term viability of the largest military establishment in human history The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st century War on Terror Readers will learn about U S Native American conflicts 19th century land laws early forays overseas for example the opening of Japan and America's imperial conflicts in Cuba and the Philippines U S interests in Latin America are explored as are the often forgotten ambitions that lay behind the nation's involvement in the World Wars The work also offers extensive coverage of the Cold War and today's ongoing conflicts in Iraq Afghanistan Africa and the Middle East as they relate to U S national interests Notable individuals including American statesmen military commanders influential public figures and anti imperialists are covered as well The inclusion of cultural elements of American expansionism and imperialism for example Hollywood films and protest music helps distinguish this set from other more limited works Gettysburg's Most Hellish

Battleground Phillip Thomas Tucker,2019-03-19 During the crucial three days of combat at Gettysburg the most nightmarish place on the entire battlefield was appropriately named the Devil s Den This jumble of huge boulders situated at the southern end of Houck s Ridge was truly a hell on earth during the decisive afternoon of July 2 1863 The tenacious struggle that raged beyond control at the battle line s southern end was all important because the Devil s Den and Houck s Ridge anchored the left flank of the over extended Union battle line before Federal troops occupied Little Round Top to the east The battle hardened veterans of Lieutenant General James Longstreet s First Corps captured this vital sector the first Union left flank in one of the few Southern successes of the second day after some of the war s most bitter fighting Nevertheless the dramatic story of the successful turning of the first Union left flank has been long overlooked and ignored largely because of the giant historical shadow cast by the more famous struggle at Little Round Top which was only the second and last fight for the southern flank of both armies on July 2 Therefore the important contest for possession of the first Union left flank at the Devil s Den and Houck s Ridge was crucial on the bloody afternoon that decided the fate of America Includes 22 colour and sepia tinted photographs

Blessed with Tourists Thomas S. Bremer,2006-03-08 More than a million tourists visit religious landmarks in San Antonio Texas each year observing and sometimes participating in religious activities there The San Antonio Missions National Historical Park managed by the National Park Service in cooperation with the Catholic Church is one of hundreds of religious places in America and around the world where tourists have become a familiar presence In Blessed with Tourists Thomas S Bremer explores the intersection of tourism and commerce with religion in American using the missions and other San Antonio sites as prime examples Bremer recounts the history of San Antonio from its Native American roots to its development as a religious center with the growth of the Spanish colonial missions to the modern transformation of San Antonio into a tourist destination Employing both ethnographic and historical approaches Bremer examines the concepts of place identity aesthetics and commercialization demonstrating numerous ways that modern market forces affect religious communities By identifying important connections between religious and touristic practices Bremer establishes San Antonio as a distinctive source for anyone seeking to understand the interplay between the religious and the secular the traditional and the modern

Battles That Changed American History Spencer C. Tucker,2014-01-22 A fascinating and informative analysis by a distinguished military historian of the 100 most influential battles in American history presented in an accessible ready reference format The Battle of Okinawa April June 1945 resulted in more U S Navy casualties than all of the navy s previous wars combined these heavy casualties influenced the decision to employ the atomic bomb against Japan that August This is just one of many instances in American military history when the outcome of a battle helped to establish the course of history the focus of this latest encyclopedia from esteemed historian Spencer C Tucker The 100 battles spotlighted in this work which include defeats as well as victories are deemed to have had the greatest impact on American history Spanning more than 500 years of military events the book begins its coverage with the Battle of Mabila in

1540 during the Age of Discovery and ends with the Second Battle of Falluja during the Iraq War Insurgency in 2004
Expertly written informative and thoughtful this analysis will be insightful and interesting for all high school undergraduate
and general readers

The Alamo Remembered Tejano Accounts And Perspectives By Book Review: Unveiling the Magic of Language
