The All True Travels And Adventures Of Lidie Newton

Jane Smiley

The All True Travels And Adventures Of Lidie Newton:

The All-True Travels and Adventures of Lidie Newton Jane Smiley, 1998-12-29 NEW YORK TIMES BESTSELLER
Pulitzer Prize winning author Jane Smiley recaptures an almost forgotten part of the American story and once again demonstrates her extraordinary range and brilliance in *The All True Travels and Adventures of Lidie Newton*. Set in the 1850s, *The All True Travels and Adventures of Lidie Newton* speaks to us in a splendidly quirky voice, the strong wry no nonsense voice of Lidie Harkness of Quincy Illinois, a young woman of courage, good sense and good heart. It carries us into an America so violently torn apart by the question of slavery that it makes our current political battlegrounds seem a peaceable kingdom. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW. Rousing Action packed. A gripping story about love, fortitude and convictions that are worth fighting for. Los Angeles Times: Powerful. Smiley takes us back to Kansas in 1855, a place of rising passions and vast uncertainties. Narrated in the spirited, unsentimental voice of 20 year old Lidie Newton, the novel is at once an ambitious examination of a turning point in history and the riveting story of one woman's journey into uncharted regions of place and self. Chicago Tribune: A grand tale of the moral and political upheavals igniting antebellum frontier life and a heroine so wonderfully fleshed and unforgettable you will think you are listening to her story instead of reading it. Smiley may have snared a Pulitzer for *A Thousand Acres*, but it is with *Lydia Lidie Harkness Newton* that she emphatically captures our hearts. The key word in Smiley's title is *Adventures*, and Lydia's are crammed with breathless movement, danger and tension, populated by terrifically entertaining characters and securely grounded in telling detail. The Miami Herald: Smiley brilliantly evokes mid nineteenth century life. Richly imagined and superbly written. Jane Smiley's new novel is an extraordinary accomplishment in an already distinguished career. Atlanta Journal Constitution: A sprawling epic. A garrulous nights by the hearth narrative not unlike those classics of the period it emulates. In following a rebellious young woman of 1855 into Kansas Territory and beyond, the novel is so persuasively authentic that it reads like a forgotten document from the days of Twain and Stowe. The Boston Sunday Globe: **The All-True Travels and Adventures of Lidie Newton** Jane Smiley, 1998-04-01 From the Pulitzer Prize winning author of *A Thousand Acres* come the memoirs of Lidie Harkness of Quincy Illinois, who marries an abolitionist from New England and settles in Kansas in 1855. When her husband is murdered, Lidie vanishes into Missouri to find his killers. Copyright Libri GmbH. All rights reserved. [The All-True Travels and Adventures of Lidie Newton](#) Jane Smiley, 2007-12-18 See the difference read 1 bestselling author Jane Smiley in Large Print. About Large Print. All Random House Large Print editions are published in a 16 point typeface. Six years after her Pulitzer Prize winning best seller *A Thousand Acres* and three years after her witty acclaimed and best selling novel of academe *Moo*, Jane Smiley once again demonstrates her extraordinary range and brilliance. Her new novel, set in the 1850s, speaks to us in a splendidly quirky voice, the strong wry no nonsense voice of Lidie Harkness of Quincy Illinois, a young woman of courage, good sense and good heart. It carries us into an America so violently torn apart by the question of slavery

that it makes our current political battlegrounds seem a peaceable kingdom Lidie is hard to scare She is almost shockingly alive a tall plain girl who rides and shoots and speaks her mind and whose straightforward ways paradoxically amount to a kind of glamour We see her at twenty making a good marriage to Thomas Newton a steady sweet tempered Yankee who passes through her hometown on a dangerous mission He belongs to a group of rashly brave New England abolitionists who dedicate themselves to settling the Kansas Territory with like minded folk to ensure its entering the Union as a Free State Lidie packs up and goes with him And the novel races alongside them into the Territory into the maelstrom of Bloody Kansas where slaveholding Missourians constantly and viciously clash with Free Staters where wandering youths kill you as soon as look at you where Lidie becomes even more fervently abolitionist than her husband as the young couple again and again barely escape entrapment in webs of atrocity on both sides of the great question And when suddenly cold blooded murder invades her own intimate circle Lidie doesn't falter She cuts off her hair disguises herself as a boy and rides into Missouri in search of the killers a woman in a fiercely male world an abolitionist spy in slave territory On the run her life threatened her wits sharpened she takes on yet another identity and in the very midst of her masquerade discovers herself Lidie grows increasingly important to us as we follow her travels and adventures on the feverish eve of the War Between the States With its crackling portrayal of a totally individual and wonderfully articulate woman its storytelling drive and its powerful recapturing of an almost forgotten part of the American story this is Jane Smiley at her enthralling and enriching best

The All True Travels and Adventures of Lidie Newton Jane Smiley, 2013 Lidie joins the pioneering westward migration into America's heartland It is harsher more violent and more dangerous than Lidie could ever have imagined

The American Midwest Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region's twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region's surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region's history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination The Midwestern Novel Nancy L. Bunge, 2014-11-21 With Huckleberry Finn American fiction changed radically and shifted its setting to the middle of the country A focus on social issues replaced the philosophic and psychological explorations that dominated the work of Melville and Hawthorne Colloquial speech rather than elevated language articulated these fresh ideas while common folk rather than dramatic characters like Ahab and Hester Prynne played central roles This transformation of American literature has been largely

ignored while during the 130 years since Huckleberry Finn the Midwest has continued to produce writers whose work like Twain's addresses injustice by portraying the decency of ordinary people. Since the end of the 19th century, Midwestern authors have dismissed the elite and celebrated those whom the power structure typically excludes: children, women, African Americans, and the lower classes. Instead of wealth and power, this literature values authenticity and compassion. The book explores this literary tradition by examining the work of 30 Midwestern writers, including F. Scott Fitzgerald, Willa Cather, Ernest Hemingway, Richard Wright, Saul Bellow, Toni Morrison, Jonathan Franzen, Jane Smiley, and Louise Erdrich.

American Writers Elizabeth H. Oakes, 2004. *American Writers* focuses on the rich diversity of American novelists.

Understanding Jane Smiley Neil Nakadate, 1999. In this comprehensive study of Jane Smiley's fiction, Neil Nakadate offers insight into the strikingly imaginative and intellectual range of a Pulitzer Prize-winning writer best known for *A Thousand Acres*. He provides close readings from the early *Barn Blind* to *The All True Travels and Adventures of Lidie Newton* and presents the first extended account of the connections between her life and her work.

Imagining Gender in Biographical Fiction Julia Novak, Caitríona Ní Dhúill, 2022-12-15. This volume addresses the current boom in biographical fictions across the globe, examining the ways in which gendered lives of the past become reimagined as gendered narratives in fiction. Building on this research, this book is the first to address questions of gender in a sustained and systematic manner that is also sensitive to cultural and historical differences in both raw material and fictional reworking. It develops a critical lens through which to approach biofictions as fictions of gender, drawing on theories of biofiction and historical fiction, life writing studies, feminist criticism, queer feminist readings, postcolonial studies, feminist art history, and trans studies. Attentive to various approaches to fictionalisation that reclaim, appropriate, or reinvent their raw material, the volume assesses the critical, revisionist, and deconstructive potential of biographical fictions while acknowledging the effects of cliché, gender norms, and established narratives in many of the texts under investigation. The introduction of this book is available open access under a CC BY 4.0 license at link.springer.com. Chapter 1 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com.

American Historical Fiction Lynda G. Adamson, 1998-10-21. This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers. *American Historical Fiction* contains over 3,000 titles set in states and historical regions of the United States. Entries are organized by time period. The newest titles as well as old favorites are covered. The volume is indexed by author, title, genre, subject, and geographic setting.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The All True Travels And Adventures Of Lidie Newton eBooks, including some popular titles.

FAQs About The All True Travels And Adventures Of Lidie Newton Books

What is a The All True Travels And Adventures Of Lidie Newton PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The All True Travels And Adventures Of Lidie Newton PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The All True Travels And Adventures Of Lidie Newton PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The All True Travels And Adventures Of Lidie Newton PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The All True Travels And Adventures Of Lidie Newton PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might

require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
