Gateways Sarah Isabel Raube, 2001 *California Historian*, 1993 Sunol Dr. Peter Corona, 2015-08-05 Sunol Never Too Small to Succeed shows there is hope for the under dog It is an inspiring story that provides hope for the individual and small organizations It describes how dedication commitment and the will and desire to succeed can help us achieve our goal Sunol as other small school districts was destined to lose its local autonomy The Governor and the California state legislature along with leading college professors advocated elections within high school districts The larger communities through the election process were able to out vote
