The English Sentencing System:

The English Sentencing System Rupert Cross, 1975 Based on lectures given in the University of Oxford Sentencing Guidelines Andrew Ashworth, Julian V. Roberts, 2013-07-18 The politics of criminal sentencing has recently crystallised around the issue of whether and how a system of structured sentencing should inform judicial approaches to punishing criminals Increasingly structured sentencing guidelines are being introduced to frame judicial discretion This volume is the first to examine the experience in England and Wales in the light of international developments This collection of essays begins with a clear and concise history of the guidelines as well as a description of how they function Topics addressed include the effect of guidelines on judicial practice the role of public opinion in developing sentencing guidelines the role of the crime victim in sentencing guidelines and the use of guidelines by practicing barristers In addition the international dimension offers a comparative perspective the English guidelines are explored by leading academics from the United States and New Zealand Although there is a vast literature on sentencing guidelines across the United States the English guidelines have attracted almost no attention from scholars As other jurisdictions look to introduce more structure to sentencing the English scheme offers a real alternative to current US schemes Contributors include practicing lawyers legal and socio legal academics and also scholars from several other countries including New Zealand and the United States providing a multidisciplinary and cross jurisdictional approach to sentencing This book will be of interest to academics from law sociology and criminology legal practitioners and indeed anyone else with an interest in sentencing around the world
