for reading reflection and embarking upon your own journey inward *The Soul of Rumi* Coleman Barks,2010-12-14 The Soul of Rumi collects the poetry of the thirteenth century Persian mystic that explores the divine from the teachings of Sufism Rumi's masterpieces have inspired countless people throughout the centuries and Coleman Barks's exquisite renderings are widely considered the definitive versions His translations capture the inward exploration and intensity that characterize Rumi's poetry making this unique voice of mysticism and desire contemporary while remaining true to the original poems In this volume readers will encounter the essence of Sufism's insights into the experience of divine love wisdom and the nature of both humanity and God Rumi's voice leaps off these pages with a rapturous power expressing our deepest yearning for the transcendent connection with the source of the divine there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union stories of sexual adventures and of loss poems of love and fury sadness and joy and quiet truths about the beauty and variety of human emotion For Rumi soul and body and emotion are not separate but are rather part of the great mystery of mortal life a riddle whose solution is love Above all else Rumi's poetry exposes us to the delight that comes from being fully alive urging us always to put aside our fears and take the risk of discovering our core self Barks's fresh original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring focusing on the ecstatic experience of the inseparability of human and divine love **Rumi: The Big Red Book** Coleman Barks,2010-10-12 Really what other book would anyone ever need Naomi Shihab Nye author of Honeybee Elegant and exquisite Deepak Chopra author of Muhammad Jesus and Buddha The Big Red Book is a poetic masterpiece from Jalaluddin Rumi the medieval Sufi mystic whom Time magazine calls the most popular poet in America Readers continue to be awed and inspired by Rumi's masterfully lyrical deeply expressive poems collected in volumes such as The Illustrated Rumi The Soul of Rumi and the bestselling The Essential Rumi With The Big Red Book acclaimed poet and Rumi interpreter Coleman Barks offers a never before published translation of a crucial anthology of poems widely considered to be one of Persian literature's greatest treasures The Essential Rumi Readings Jalaluddin Rumi,2025-08-12 In recent years the Western world has been flooded with all things Rumi Verses ascribed to the great thirteenth century Sufi mystic are read at weddings births and funerals across the United States Europe and beyond Wisdom drawn from Rumi's work is tattooed over the limbs and backs of Hollywood A-listers and ordinary folk as well And yet the precious lines uttered at ceremonies etched onto skin and quoted elsewhere in such abundance bear only a passing resemblance to the original masterful poetry penned by Jalaluddin Rumi This is because the West's fascination with these poems written some seven centuries ago largely stems from translations by individuals who though often impressive poets themselves have little or no understanding of the original Persian At the Scheherazade Foundation we believe that Occidental society can benefit enormously from Rumi's clarity and wisdom and that his body of work is as important now as it has ever been For this reason we have commissioned native Persian speaking scholars to craft

entirely new translations taking every care to remain faithful to Rumi's own words And so as to allow Rumi's wisdom to be absorbed with ease the readings are presented in their essential form and are arranged by theme
