

**THE ESTABLISHMENT
IN TEXAS POLITICS
THE PRIMITIVE YEARS,
1938-1957**

GEORGE NORRIS GREEN

The Establishment In Texas Politics The Primitive Years 1938 1957

Robert Dallek

The Establishment In Texas Politics The Primitive Years 1938 1957:

The Establishment in Texas Politics George N. Green, 1979-03-15 Since some of the forces that enmesh to create Texas's political history are unique this work probably cannot be considered a case study Yet the Texas political scene from 1938 to 1957 was similar to that of several of its smaller southern brethren *The Establishment in Texas Politics* George Norris Green, 1984 Texas has a history of producing nationally prominent leaders It is also important for its burgeoning population and its natural resources Few can argue that its politics are not fascinating The years from 1938 to 1957 were the most primitive period of rule by the Texas Establishment a loosely knit plutocracy of the Anglo upper classes answering only to the vested interests in banking oil land development law the merchant houses and the press Establishment rule was reflected in numerous and harsh antilabor laws the suppression of academic freedom a segregationist philosophy elections marred by demagoguery and corruption the devolution of the daily press and a state government that offered its citizens especially minorities very few services Important elements in the contemporary political scene originated between 1938 and 1957

The New Deal and Texas History Ronald E. Goodwin, 2021-07-21 This book examines the many ways in which the New Deal revived Texas's economic structure after the 1929 collapse Ronald Goodwin analyzes how Franklin Roosevelt's initiative and in particular the Work Progress Administration remedied rampant unemployment and homelessness in twentieth century Texas

Red Scare Don Carleton, 2014-04-15 A history of Houston during the McCarthy era and the community's response to the fear of communism Winner of the Texas State Historical Association Coral Horton Tullis Memorial Prize for Best Book on Texas History this authoritative study of red baiting in Texas reveals that what began as a coalition against communism became a fierce power struggle between conservative and liberal politics Praise for *Red Scare* A valuable and sometimes engrossing cautionary tale *New York Times Book Review* Judicious well written and reliable *Red Scare* ranks among the top dozen books in the field A splendid book that deserves the attention of everyone interested in the South and civil liberties *American Historical Review* This outstanding study of the McCarthy era in Houston is not only the definitive work on Scoundrel Time in that city but also presents in microcosm a brilliant picture of the phenomenon that blighted the entire nation in the 1950s *Publishers Weekly* For those who still believe it didn't happen here or couldn't happen again Don Carleton's *Red Scare* is required reading In fact anyone who wants to understand modern Texas with all its wild contradictions should begin with Carleton's massively detailed book *Dallas Morning News* A permanently valuable addition to Texas history and to our understanding of the McCarthy period in the country *Texas Observer* Readers can fully experience the agony and terror of this unimaginably ugly period *Red Scare* will surely become a standard work on this important subject *Southwest Review* An important addition to the history of modern Houston and of Texas It is also a fascinating and timely contribution to the subject of extremism in American life *Journal of Southern History* *Lone Star Rising* Robert Dallek, 1991 Volume one of a two volume biography follows Johnson's life from his childhood on the banks of the Pedernales

to his election as vice president under Kennedy *George I. Sánchez* Carlos Kevin Blanton, 2015-01-28 George I Sánchez was a reformer activist and intellectual and one of the most influential members of the Mexican American Generation 1930 1960 A professor of education at the University of Texas from the beginning of World War II until the early 1970s Sánchez was an outspoken proponent of integration and assimilation He spent his life combating racial prejudice while working with such organizations as the ACLU and LULAC in the fight to improve educational and political opportunities for Mexican Americans Yet his fervor was not always appreciated by those for whom he advocated and some of his more unpopular stands made him a polarizing figure within the Latino community Carlos Blanton has published the first biography of this complex man of notable contradictions The author honors Sánchez's efforts hitherto mostly unrecognized in the struggle for equal opportunity while not shying away from his subject's personal faults and foibles The result is a long overdue portrait of a towering figure in mid twentieth century America and the all important cause to which he dedicated his life Mexican American integration **Remaking the Democratic Party** Hanes Walton, Pearl K. Ford Dowe, Josephine Allen, Brandon Walton, 2016-08-09 A continuation of Hanes Walton Jr's work on Southern Democratic presidents Remaking the Democratic Party analyzes the congressional and presidential elections of Lyndon Baines Johnson This study builds upon the general theory of the native son phenomenon to demonstrate that a Southern native son can win the presidency without the localism evident in the elections of Bill Clinton and Jimmy Carter Although ridiculed by contemporaries for his apparent lack of control over formal party politics and the national committee Johnson excelled at leading the Democratic Party's policy agenda While a senator and as president Johnson advocated for and secured liberal social welfare and civil rights legislation forcing the party to break with its Southern tradition of elitism conservatism and white supremacy In a way Johnson set the terms for the continuing partisan battle because by countering the Democrats new ideology the Republican Party also underwent a transformation **Redeeming La Raza** Gabriela González, 2018-06-15 The economic modernization of the American Southwest and Mexico transformed the lives of ethnic Mexicans subjecting them to economic exploitation and racism Redeeming La Raza analyzes how political activists using multiple strategies challenged white supremacy seeking to instill in ethnic Mexicans a sense of ethnic pride and unity Desegregating Private Higher Education in the South Melissa Kean, 2008-10-15 After World War II elite private universities in the South faced growing calls for desegregation Though unlike their peer public institutions no federal court ordered these schools to admit black students and no troops arrived to protect access to the schools to suggest that desegregation at these universities took place voluntarily would be misleading In Desegregating Private Higher Education in the South Melissa Kean explores how leaders at five of the region's most prestigious private universities Duke Emory Rice Tulane and Vanderbilt sought to strengthen their national position and reputation while simultaneously answering the increasing pressure to end segregation To join the upper echelon of U S universities these schools required increased federal and northern philanthropic funding Clearly to receive this funding

schools had to eliminate segregation and so a rift appeared within the leadership of the schools. University presidents generally favored making careful accommodations in their racial policies for the sake of academic improvement but universities' boards of trustees, the presidents' main opponents, served as the final decision makers on university policy. Board members usually comprised of professional white male alumni reacted strongly to threats against southern white authority and resisted determinedly any outside attempts to impose desegregation. The grassroots civil rights movement created a national crisis of conscience that led many individuals and institutions vital to the universities' survival to insist on desegregation. The schools felt enormous pressure to end discrimination as northern foundations withheld funding, accrediting bodies and professional academic associations denied membership, divinity students and professors chose to study and teach elsewhere, and alumni withheld contributions. The *Brown v Board of Education* decision in 1954 gave the desegregation debate a sense of urgency and also inflamed tensions which continued to mount into the early 1960s. These tensions and the boards' resistance to change created an atmosphere of crisis that badly eroded their cherished role as southern leaders. When faced with the choice between institutional viability and segregation, Kean explains, they gracelessly relented, refusing to the end to admit they had been pressured by outside forces. Shedding new light on a rare unexamined facet of the civil rights movement, *Desegregating Private Higher Education in the South* fills a gap in the history of the academy.

The Places of History Doris Sommer, 1999. A compilation of essays exploring regionalism in Latin America which seek to fill historical gaps created by the reading of Latin American literature either through a totalizing view of a globalized culture or through universal formulae for reading offered.

Embracing the Song of Term: An Mental Symphony within **The Establishment In Texas Politics The Primitive Years 1938 1957**

In a world consumed by monitors and the ceaseless chatter of instant conversation, the melodic elegance and mental symphony produced by the prepared term often diminish into the backdrop, eclipsed by the constant noise and distractions that permeate our lives. However, located within the pages of **The Establishment In Texas Politics The Primitive Years 1938 1957** a charming literary prize brimming with raw feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this interesting masterpiece conducts viewers on an emotional journey, well unraveling the concealed songs and profound impact resonating within each cautiously crafted phrase. Within the depths with this moving examination, we will investigate the book is key harmonies, analyze its enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

The Establishment In Texas Politics The Primitive Years 1938 1957 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Establishment In Texas Politics The Primitive Years 1938 1957 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Establishment In Texas Politics The Primitive Years 1938 1957 has opened up a world of possibilities. Downloading The Establishment In Texas Politics The Primitive Years 1938 1957 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Establishment In Texas Politics The Primitive Years 1938 1957 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Establishment In Texas Politics The Primitive Years 1938 1957. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Establishment In Texas Politics The Primitive Years 1938 1957. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but

also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Establishment In Texas Politics The Primitive Years 1938 1957, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Establishment In Texas Politics The Primitive Years 1938 1957 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Establishment In Texas Politics The Primitive Years 1938 1957 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Establishment In Texas Politics The Primitive Years 1938 1957 is one of the best book in our library for free trial. We provide copy of The Establishment In Texas Politics The Primitive Years 1938 1957 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Establishment In Texas Politics The Primitive Years 1938 1957. Where to download The Establishment In Texas Politics The Primitive Years 1938 1957 online for free? Are you looking for The Establishment In Texas Politics The Primitive Years 1938 1957 PDF? This is definitely going to save you time and cash in something you should think about.
