The Execution Of Private Slovik:

The Execution of Private Slovik William Bradford Huie, 1970 In August 1944 a drab convoy of raw recruits destined to join the 28th Division lumbered along a windy French road strewn with dead animals shattered bodies and burning equipment One of those draftees was 24 year old Eddie Slovik a petty thief from Detroit who had spent his youth in and out of reform schools Eddie's luck had recently changed however with a steady factory job and marriage to a beautiful girl who gave Eddie hope and security for the first time in his life But their honeymoon like that of many other wartime newlyweds was interrupted by the call to service The convoy came under intense artillery fire and in the confusion Slovik became separated from his unit He joined a Canadian outfit and travelled with them before finally reporting to the 28th Division He carried a rifle but no ammunition He was assigned to a platoon but walked away Refusing to fight Slovik was arrested court marshalled and condemned to death Hundreds of soldiers were tried for desertion during World War II and sentenced to die but only Eddie Slovik paid the price supposedly as a deterrent yet the word of the nature of his death was never officially released *The Execution of Private Slovik. limits in protesting injustice The defendants include such familiar names as Paul Revere and William Calley The authors examine such overlooked cases as the Somers Mutiny the trial of the San Patricios and the Port Chicago Mutiny These trials demonstrate that guaranteeing military justice especially in the midst of armed conflict is both a challenge and a necessity in a free society *The Execution of Eddie Slovik* Cary Johannesson,1963 **Execution** Geoffrey Abbott,2006-04-04
