

The Existential Sociology Of Jean Paul Sartre

CO Houle

The Existential Sociology Of Jean Paul Sartre:

The Existential Sociology of Jean-Paul Sartre Gila J. Hayim, 1982-09 **Existentialism and Sociology** , Existentialism and Sociology originally published under the title *The Existential Sociology of Jean Paul Sartre* is the first work to systematically and critically analyze the existential ideas of Jean Paul Sartre and to demonstrate their importance and connection to central sociological categories found in the theories of Weber Durkheim Freud Mead and others Hayim analyzes key existential concepts of negation temporality choice anguish and bad faith and carefully situates them in the different relations of self to the other relations of indifference and destruction as well as relations of engagement and pledge She joins the two orders of being ontology and sociology and establishes intellectual and ethical continuity between the phenomenology of Being and Nothingness Sartre's momentous early work and neglected sociological categories in his later works *Critique of Dialectical Reason* and *Notebooks for an Ethics* Hayim makes accessible to the social scientist a rich repertoire of existential motifs and perspectives on community and group interactions and their inextricable bond to the life practice of the individual The author contends that the massive language of a sociology of things instills in the human actor a feeling of helplessness and gross inferiority vis a vis the social world She offers in contrast the existential emphasis on the importance of substituting live human experience for mechanistic processes of explanation and of establishing a language of conscious choice and responsibility in place of the massive language found in orthodox social analysis The new introductory essay suggests the influence of Sartre on new discourses in sociological and social psychological theory especially with reference to our contemporary disaffection with classical notions of emancipation and other universalized discourses as well as in reference to current debates on essentialism and self identity Hayim's book will interest a wide variety of readers including phenomenologists sociologists admirers of Sartre's theories and students of existential social psychology

Existentialism & Sociology Gila J. Hayim, 1980 Existentialism and Sociology originally published under the title *The Existential Sociology of Jean Paul Sartre* is the first work to systematically and critically analyze the existential ideas of Jean Paul Sartre and to demonstrate their importance and connection to central sociological categories found in the theories of Weber Durkheim Freud Mead and others Drawing also on sociological and Hegelian social thought Hayim analyzes key existential concepts of negation temporality choice anguish and bad faith and carefully situates them in the different relations of self to the other relations of indifference and destruction as well as relations of engagement and pledge She joins the two orders of being ontology and sociology and establishes intellectual and ethical continuity between the phenomenology of Being and Nothingness Sartre's momentous early work and neglected sociological categories in his later works *Critique of Dialectical Reason* and *Notebooks for an Ethics* Hayim makes accessible to the social scientist a rich repertoire of existential motifs and perspectives on community and group interactions and their inextricable bond to the life practice of the individual Distinguishing among social groups as different orders of social consciousness and organization

Hayim addresses issues of transcendence and inertia leadership and authority freedom and bondage bureaucracy and control and identifies Sartre's concept of the practico inert as the radical center of our intersubjectivity today and its threat to human intelligibility. The author contends that the massive language of a sociology of things instills in the human actor a feeling of helplessness and gross inferiority vis-à-vis the social world. She offers in contrast the existential emphasis on the importance of substituting live human experience for mechanistic processes of explanation and of establishing a language of conscious choice and responsibility in place of the massive language found in orthodox social analysis. The new introductory essay suggests the influence of Sartre on new discourses in sociological and social psychological theory especially with reference to our contemporary disaffection with classical notions of emancipation and other universalized discourses as well as in reference to current debates on essentialism and self identity. Hayim's book will interest a wide variety of readers including philosophers sociologists admirers of Sartre's theories and students of existentialism.

Existentialism and Sociology Ian Craib, 1976-05-06 A revision of the author's thesis Manchester University Bibliography p 229-237 Includes index **EXISTENTIALISM AND SOCIOLOGY**, 2017 **The Existential Sociology of Jean-Paul Sartre** Gila J.

Hayim, 1980 In chapter one I cover the basic concepts developed in *Being and Nothingness* notable those of temporality negation anguish and bad faith. In chapter two I move from the individual as the center of free action to the individual in relation to the Other. In chapter three I attempt to unify the perspectives in the first two chapters and present a theory of action. In chapter four I introduce the reader to the Critique and establish its thematic links with *Being and Nothingness*. In chapter five I analyze the ramifications of the concept of the practico inert which for Sartre is inseparable from human sociality. In chapter six I deal with the concept of organization which refers to the contradictions within the social group as it moves into advanced stages of social integration. In chapter seven I cover the concepts of power and authority. Chapter eight deals with the idea of dialectical humanism and highlights essential concepts in the work by way of concluding it. Introduction

A Commentary on Jean-Paul Sartre's Critique of Dialectical Reason Joseph S. Catalano, 2013-01-17 Sartre's *Critique of Dialectical Reason* ranks with *Being and Nothingness* as a work of major philosophical significance but it has been largely neglected. The first volume published in 1960 was dismissed as a Marxist work at a time when structuralism was coming into vogue; the incomplete second volume has only recently been published in France. In this commentary on the first volume Joseph S. Catalano restores the Critique to its deserved place among Sartre's works and within philosophical discourse as a whole. Sartre attempts one of the most needed tasks of our times: Catalano asserts the delivery of history into the hands of the average person. Sartre's concern in the Critique is with the historical significance of everyday life. Can we, he asks, as individuals or even collectively, direct the course of our history? A historical context for our lives is given to us at birth but we sustain that context with even our most mundane actions: buying a newspaper, waiting in line, eating a meal. In looking at history, Sartre argues, reason can never separate the historical situation of the investigator from the investigation. Thus

reason falls into a dialectic always depending upon the past for guidance but always being reshaped by the present Clearly showing the influence of Marx on Sartre s thought the Critique adds the historical dimension lacking in Being and Nothingness In placing the Critique within the corpus of Sartre s philosophical writings Catalano argues that it represents a development rather than a break from Sartre s existentialist phase Catalano has organized his commentary to follow the Critique and has supplied clear examples and concrete expositions of the most difficult ideas He explicates the dialogue between Marx and Sartre that is internal to the text and he also discusses Sartre s Search for Method which is published separately from the Critique in English editions

The Art and Science of Sociology Roland Robertson, John Simpson, 2016-07-06 A festschrift honoring the work of Edward A Tiryakian consisting of a large number of essays *The Philosophy of Existentialism* Jean-Paul Sartre, 1965 Essays Bibliography p 423 431 *Feminist Interpretations of Jean-Paul Sartre* Julien S. Murphy, 2010-11-01 While Sartre was committed to liberation struggles around the globe his writing never directly addressed the oppression of women Yet there is compatibility between his central ideas feminist beliefs In this first feminist collection on Sartre philosophers reassess the merits of Sartre s radical philosophy of freedom for feminist theory Contributors are Hazel E Barnes Linda A Bell Stuart Z Charne Peter Diers Kate Edward Fullbrook Karen Green Sarah Lucia Hoagland Sonia Kruks Guillermine de Lacoste Thomas Martin Phyllis Sutton Morris Constance Mui Iris Marion Young

The Existential Sociology Of Jean Paul Sartre Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Existential Sociology Of Jean Paul Sartre PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes

intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Existential Sociology Of Jean Paul Sartre PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Existential Sociology Of Jean Paul Sartre free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
