Existential Joss Whedon J. Michael Richardson, J. Douglas Rabb, 2014-11-18 This study examines the major works of contemporary American television and film screenwriter Joss Whedon The authors argue that these works are part of an existentialist tradition that stretches back from the French atheistic existentialist Jean Paul Sartre through the Danish Christian existentialist Soren Kierkegaard to the Russian novelist and existentialist Fyodor Dostoevsky Whedon and Dostoevsky for example seem preoccupied with the problem of evil and human freedom Both argue that in each and every

one of us a demon lies hidden Whedon personifies these demons and has them wandering about and causing havoc Dostoevsky treats the subject only slightly more seriously Chapters cover such topics as Russian existentialism and vampire slayage moral choices ethics Faith and bad faith constructing reality through existential choice some limitations of science and technology love and self sacrifice love witchcraft and vengeance soul mates and moral responsibility love and moral choice forms of freedom and Whedon as moral philosopher *Curriculum* Wesley Null,2023-03-27 The third edition of *Curriculum From Theory to Practice* provides an introduction to curriculum theory and how it relates to classroom practice Wesley Null builds upon recent developments while continuing to provide a unique organization of the curriculum field into five traditions systematic existential radical pragmatic and deliberative Null discusses the philosophical foundations of curriculum as well as historical and contemporary figures who have shaped each curriculum tradition To ensure breadth and scope Null has expanded this edition to include new figures address rapid changes in democratic society and chart a path to inclusion and wise decision making **The Existentialist Legacy and Other Essays on Philosophy and Religion** James Woelfel,2006-04-05 The Existentialist Legacy and Other Essays on Philosophy and Religion is a collection of ten essays on topics in the two primary areas of the author s research and teaching existentialist philosophy and the philosophy of religion The common thread running through the essays is a way of approaching issues in philosophy and religion that reflects the author s career long indebtedness to the methods and emphases of the existentialist movement in philosophy Among the essay topics are studies of the existentialist legacy in the context of the contemporary situation in the sciences and humanities Iris Murdoch s sympathetic but narrowly Sartrean interpretation of existentialism the congeniality of existentialism and feminism the problem with high existentialist doctrines of freedom three philosophical autobiographies a new look at Pascal s Wager as a description of the situation of the modern believer theistic evolutionism including a Christian existentialism and Walter Kaufmann as an existentialist manqué in his heretical approach to religion
