Eye of the Tiger Wilbur Smith, 2018-01-01 An action packed thriller from global bestseller Wilbur Smith It takes one to recognise one This was a man trained to live with and by violence He was muscle a soldier in the jargon I had hoped never to see this kind of barracuda cruising St Mary's placid waters It gave me a sick little slide in the guts to know that it had found me out again He left that life behind But that life hasn't left him Harry Fletcher lives a quiet life these days running a tourist fishing boat from the quiet island of St Mary's off the South African coast Then his next group arrives with very specific instructions for Harry instructions that suggest they know exactly who he is Before he knows it Harry has been swept back into a world of greed and violence of men who will do anything to get their hands on the treasure under the sea and of women who are too beautiful to trust But when the Great Mogul diamond is the prize all Harry knows is that he'll do anything to get there first

The Eye of the Tiger Wilbur Smith, 2018-01-01 An action packed and unputdownable thriller by global sensation Wilbur Smith A master storyteller Sunday Times Wilbur Smith is one of those benchmarks against whom others are compared The Times No one does adventure quite like Smith Daily Mirror He left that life behind But that life hasn't left him The hard won peace of Harry Fletcher's life is about to be shattered when the sins of his past come colliding with his present Living off the coast of South Africa on the peaceful island of St Mary's Harry runs a tourist fishing boat But when his latest clients show up with very specific instructions for Harry instructions that suggest they know exactly who he is it's very clear it's a different catch these men have in mind Before he knows it Harry has been swept back into a world of greed and violence of men who will do anything to get their hands on the treasure under the sea and of women who are too beautiful to trust But when the Great Mogul diamond is the prize all Harry knows is that he'll do anything to get there first

The Eye of the Tiger/ Hungry as the Sea Wilbur Smith, 2005-10-01 THE EYE OF THE TIGER The deep The deadly The damned For a thousand years an unimaginable treasure has rested on the bottom of the Indian Ocean hidden by swift blue currents guarded by deadly coral reefs and even deadlier school of man eating great white sharks Harry Fletcher a former soldier turned fisherman is now being pulled into a murderous mystery by men willing to kill and a beautiful woman willing to lie for what rests far beneath the sea Now Harry has no choice but to enter full bore into an international battle to raise an extraordinary object from the deep Because possessing this treasure isn't just about getting rich it's about staying alive HUNGRY AS THE SEA Wilbur Smith sets his vividly realistic novels on the razor's edge between human courage and nature's wrath In Hungry As The Sea this master storyteller takes us to the frigid South Atlantic where one man fights for his life and for redemption Nicholas Berg is steaming out of Cape Town aboard the salvage tug Warlock Once Berg ruled an ocean going empire Now his future has come down to a powerful boat and a daring rescue mission One of his former ships is being lashed against the cliffs of Cape Alarm surrounded by deadly icebergs and survivors clinging to their boats Berg has gambled everything on reaching the Golden Adventurer before a competitor and a violent storm to win a fortune in salvage fees But if

Nick Berg succeeds and climbs back into the international shipping game that's when the real danger will begin From the power of a relentless ocean to the hunger of men to survive upon her this is a towering novel of adventure love and the daring of the human soul *The Sunbird* Wilbur Smith,2018-01-01 One of the most beloved and defining novels written by the master of adventure and global sensation Wilbur Smith Left me with a sense of corrosive envy It is an absolute masterwork as good a yarn as you'll ever read anywhere Conn Iggulden A master storyteller Sunday Times Wilbur Smith is one of those benchmarks against whom others are compared The Times No one does adventure quite like Smith Daily Mirror The discovery of a lifetime comes with a high price For millennia an ancient civilisation has been hidden deep in the Botswana cliffs Dr Ben Kazin has only a blurred photograph to prove it but with the backing of his old friend Louren Sturvesant he is determined to uncover the archaeological find of a lifetime But a whispered curse and a chance encounter with a local tribe lead him to discover much more than city foundations The curse it seems is real and will link Ben his oldest friend and the woman they both love with a forgotten leader from two thousand years ago in a city of glory and honour that subsequently disappeared without a trace What happened to that ancient civilisation And what is it that connects that lost empire to Ben and the violent dangers he must face in the present day **Angels Weep** Wilbur Smith,2018-01-01 The third book in the epic Ballantyne series The lion rose lightly into the air and settled like a huge yellow bird on the horse's back crushing Jan Cheroot beneath his massive blood streaked body At that instant horse and rider and lion seemed to disappear into the very earth and there was only a swirling column of dust to mark where they had been A new generation An age old struggle Ralph Ballantyne is following in his father Zouga's footsteps as a hunter gold prospector and promoter of British colonialism in Africa But the tribes that they and men like them have previously exploited or butchered in the name of civilisation are rising up and will no longer submit quietly to the greed and mindless destruction of the trespassers Over a hundred years later Ralph's descendants are still in Africa in the newly named Zimbabwe and the battles have not yet ended In fact for Craig Mellow the last Ballantyne there is still a terrible price to pay for the actions of his ancestors Sunbird Wilbur Smith,2018-01-01 An action packed archaeological adventure from global bestseller Wilbur Smith You should know of the legend At a time when the rocks were soft and the air was misty there was an abomination and an evil in this place which was put down by our ancestors They placed a death curse upon these hills and commanded that this evil be cleaned from the earth and from the minds of men forever A lost civilisation A curse reborn Dr Ben Kazin has only a blurred photograph and a gut instinct that there is a lost city to uncover somewhere beneath the Botswana cliffs Soon a whispered curse and a chance encounter with a local tribe lead him to discover much more than city foundations The curse it seems is real and will link Ben his oldest friend and the woman they both love with a forgotten leader from two thousand years ago in a city of glory and honour that subsequently disappeared without a trace But what happened to that ancient civilisation And what is it that connects that lost empire to Ben and the violent dangers he must face in the present day *Cry Wolf* Wilbur
