The Hagiography Of Kievan Rus:

The Hagiography of Kievan Rus', 1992 Among the finest products of Kievan Rus literature were the Lives of the first Rus saints including Olga Volodimer Boris and Gleb Feodosij and Avraamij of Smolensk Drawing on Byzantine Church Slavonic and Western literary traditions the Rus hagiographers fashioned religious narratives that were at once traditional and tailored specifically for an East Slavic audience These hagiographic works are now collected and translated into English in a single volume for the first time Paul Hollingsworth's introduction examines the hagiographers literary portrayals of the saints against the background of political ecclesiastical and cultural developments of Kievan Rus **A History of Russia Volume**

1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists **The Oxford Handbook of Russian Religious Thought** Caryl

Emerson, George Pattison, Randall A. Poole, 2020 A comprehensive collection exploring the role of ideas institutions and movements in the evolution of Russian religious thought Contains cutting edge scholarship that expands understanding of one of the richest aspects of Russian cultural and intellectual life Considers the influence of Russian religious thought in the West and the role of religion in aesthetics music poetry art film and the novel An authoritative reference for students and scholars Book jacket *Christianization and the Rise of Christian Monarchy* Nora Berend, 2007-11-22 This 2007 text is a comparative analysis of one of the most fundamental stages in the formation of Europe Leading scholars explore the role of

the spread of Christianity and the formation of new principalities in the birth of Denmark Norway Sweden Bohemia Hungary Poland and Rus around the year 1000 Drawing on history archaeology and art history and emphasizing problems related to the sources and historiographical debates they demonstrate the complex interdependence between the processes of religious and political change covering conditions prior to the introduction of Christianity the adoption of Christianity and the development of the rulers power Regional patterns emerge highlighting both the similarities in ruler sponsored cases of Christianization and differences in the consolidation of power and in institutions introduced by Christianity The essays reveal how local societies adopted Christianity medieval ideas of what constituted the dividing line between Christians and non Christians and the connections between Christianity and power Literary Beginnings in the European Middle Ages Mark

Chinca, Christopher Young, 2022-08-25 A ground breaking investigation into the emergence of new written literatures in the vernacular languages of medieval Europe **The Ruling Families of Rus** Christian Raffensperger, Donald

Ostrowski, 2023-08-17 A new history of the Kyivan Rus a medieval dynastic state in eastern Europe Kyivan Rus was a state in

northeastern Europe from the late ninth to the mid sixteenth century that encompassed a variety of peoples including Lithuanians Polish and Ottomans The Ruling Families of Rus explores the region s history through local families revealing how the concept of family rule developed over the centuries into what we understand as dynasties today Examining a broad range of archival sources the authors examine the development of Rus Lithuania Muscovy and Tver and their relationships with the Mongols Byzantines and others The Ruling Families of Rus will appeal to scholars interested in the medieval history of eastern Europe *Christian Russia in the Making* Andrzej Poppe,2023-05-31 The present collection of studies by Andrzej Poppe in many ways represents a continuation of the research brought together a quarter century ago in the author s previous *Variorum* volume The focal themes are the political circumstances of the baptism of Russia and the processes by which Rus became a Christian country an era marked by the emergence of indigenous saints in royal and monastic garb Relations with the Byzantine world both political and ecclesiastical are often to the fore but as Poppe shows those with the West from the Carolingians onwards were important too Many of the articles are provided with additional notes and the volume includes three pieces previously unpublished in English including an introductory survey of the Rurikid dynasty and a major new study of the process by which Vladimir the Great became a saint **Orthodox Mercantilism** Alex Feldman,2024-04-02 This book demonstrates how the political economy of mercantilism was not simply a Western invention by various cities and kingdoms during the Renaissance but was the natural by product of perpetually limited growth rates and rulers relentless pursuits of bullion It contributes to discussions of the economic history surrounding the so called Great Divergence between East and West which would consequently lend context and credence to differences of economic thought in the world today Additionally it seeks to explain present economic thought as tacitly derived from implicit antique paradigms This book advances fields of research from numismatics and sigillography to historical materialism and historical political economy Divided into three parts Orthodox Mercantilism first examines the political theology the sovereignty of the cumene from the early 11th century Second it analyzes its peripheral legislation from the customary laws of newly Christianized dynasties up to the Kormaja Kniga s adoption the Nomokanon by 13th century Orthodox dynasties across Eastern Europe Third it explores how these dynasties and their own satellite dynasties hoarded finite bullion to pay for defense resulting in the 11 14th century coinless period across Eastern Europe and Western Eurasia Appealing to students and scholars alike this book will be of interest to those studying and researching economic and mercantile history particularly in the context of Byzantine and Eastern European societies **The Dynasty of Chernigov, 1146-1246** Martin Dimnik,2003-06-12 Historians in pre revolutionary Russia in the Soviet Union in contemporary Russia and in the West have consistently relegated the medieval dynasty of Chernigov to a place of minor importance in Kievan Rus This view was reinforced by the evidence that after the Mongols invaded Rus in 1237 the two branches from the House of Monomakh living in the Rostov Suzdal and Galicia Volyn regions emerged as the most powerful However careful examination of the chronicle

accounts reporting the dynasty's history during the second half of the twelfth and the first half of the thirteenth century shows that the Ol'govichi of Chernigov successfully challenged the Monomashichi for supremacy in Rus. Through a critical analysis of the available primary sources such as chronicles, archaeology, coins, seals, graffiti in churches and architecture, this 2003 book attempts to correct the pervading erroneous view by allocating to the Ol'govichi their rightful place in the dynastic hierarchy of Kievan Rus.

Religion, Morality, and Community in Post-Soviet Societies Mark D. Steinberg, Catherine Wanner, 2008-11-13 This collection reveals the presence and power of religious belief and practice in public life after the demise of Soviet socialism. Based on recent research and interdisciplinary methodologies, *Religion, Morality, and Community in Post-Soviet Societies* examines how religious organizations and individuals engage the changing and troubled environment in which they live, which presents expanded civil freedom but much everyday uncertainty, unhappiness, injustice, and suffering.
