Protect the Harvest; Defend the Harvester Brill Pongo, 2016-09-16 Protect the Harvest Defend the Harvester talks about the conversion of a journalist who was very much against the rise of the modern day church particularly the prophetic movement and the so called prosperity gospel preachers In his attempt to discredit the preachers the journalist has a heavenly encounter which transforms his views and alters his spiritual course At a later stage while the journalist is travelling to DR Congo from Zambia God shows him a vision and speaks to him about the need to Protect the Harvest protect the granary and defend the harvester s An interesting encounter and valuable reading as

he outlines how the Media in today's world is conspiring to discredit the church and soil the characters of the servants of God. He talks of how the church is under attack from the enemy within and without; he likens the gossipers inside church to weevils. A fascinating read. A powerful and exhilarating testimony of an amazing encounter with God. Pastor Rikki Doolan, Superintendent, Osborn Institute of Theology, www.osbourninstitute.com. An amazing testimony accompanied by very powerful teaching. The world needs this at this very moment. Apostle Max Matonhodze, www.planetministries.org.uk. A captivating testimony that carries you through a journey and teaches you the deep things about visions. Brilliant. Pongo has demonstrated an amazing way of teaching and testifying. Indeed, this book is testament to that. It is a great read. The Financial Gazette, www.fingaz.co.zw.
