The Hated Son Honoré de Balzac, 2020-10-28 In order not to awaken her husband who was sleeping beside her the poor woman moved with precautions which her intense terror made as minute as those of a prisoner endeavoring to escape Though the pains became more and more severe she ceased to feel them so completely did she concentrate her own strength on the painful effort of resting her two moist hands on the pillow and so turning her suffering body from a posture in which she could find no ease At the slightest rustling of the huge green silk coverlet under which she had slept but little since her marriage she stopped as though she had rung a bell Forced to watch the count she divided her attention between the folds of the rustling stuff and a large swarthy face the moustache of which was brushing her shoulder When some noisier breath than usual left her husband s lips she was filled with a sudden terror that revived the color driven from her cheeks by her double anguish

To Speak Well of God: An Exposition of the Book of Job John Pople, 2009-04-28 It begins with the Divine injunction Have you considered my servant Job The Biblical drama of Job is haunting A blameless man is tormented by the Satan stripped of wealth status possessions health and children all with God s permission Who is this Satan More chilling still who is this God And why despite this cataclysmic carnage does the drama focus on the resulting argument between Job and his 3 friends The ending of the drama seems no clearer When God reveals Himself what is He saying Finally God restores Job Yet does this truly repair His permitted destruction of him With its distinctive identification of the Satan this interpretation offers unique
