 text **The Unhappy Child** Kenneth N. Condrell, 2010-04-06 There are millions of children in this country who spend most
 of their days feeling more unhappy than happy and their parents haven t a clue as to why These chronically unhappy children
 may be on their way to developing a depressive disorder In this important and completely accessible book Dr Kenneth N
 Condrell teaches both parents and mental health professionals the ten most common yet sometimes not so obvious causes of
 childhood unhappiness More important he offers practical solutions solutions that can help troubled children and protect
 them from a lifetime of unhappiness Not only parents but school administrators guidance and teaching personnel pediatric
 office staff and mental health professionals will greatly benefit from Dr Condrell s 35 years of experience helping children
 with emotional problems Readers will actually hear from the mouths of children what makes them unhappy By using actual
 quotes from kids whom Dr Condrell has treated this unusually insightful book bridges the separate worlds of the growing
 child and parents so mom and dad can discover the secret pain that children are so good at keeping from them Parents are
 often at a loss as to how they can help a child who looks and acts unhappy most of the time or makes statements such as I
 wish I was dead I m going to kill myself I hate myself Nothing ever good happens to me This book will make parents aware of
 the kinds of experiences that cause children to become unhappy With this knowledge parents can be proactive and protect
 their sons and daughters from entering a state of unhappiness that places them at risk for becoming depressed and possibly
 developing into depressed adults **Quicklet on Marti Olsen Laney's The Introvert Advantage: How to Thrive in an
