The Hiding Place C. J. Tudor, 2019-02-05 The thrilling second novel from the author of *The Chalk Man* about a teacher with a hidden agenda who returns to settle scores at a school he once attended only to uncover a darker secret than he could have imagined Joe never wanted to come back to Arnhill After the way things ended with his old gang the betrayal the suicide the murder and after what happened when his sister went missing the last thing he wanted to do was return to his hometown But Joe doesn't have a choice Because judging by what was done to that poor Morton kid what happened all those years ago to Joe's sister is happening again And only Joe knows who is really at fault Lying his way into a teaching job at his former high school is the easy part Facing off with former friends who are none too happy to have him back in town while avoiding the enemies he's made in the years since is tougher

But the hardest part of all will be returning to that abandoned mine where it all went wrong and his life changed forever and finally confronting the shocking horrifying truth about Arnhill his sister and himself Because for Joe the worst moment of his life wasn't the day his sister went missing It was the day she came back With the same virtuosic command of character and pacing she displayed in *The Chalk Man* C J Tudor has once again crafted an extraordinary novel that brilliantly blends harrowing psychological suspense a devilishly puzzling mystery and enough shocks and thrills to satisfy even the most seasoned reader

Carlson, 1976 The Years Before The Hiding Place *The Hiding Place* Corrie Ten Boom, 2022-03 The Hiding Place is Corrie ten Boom's personal story of faith forgiveness and love for the persecuted Jewish community during the World War II Nazi invasion and occupation of Holland Part of an underground resistance movement Corrie and her family risked their lives to hide Jewish friends within a secret wall space of the Beje their beloved clock shop and home in Haarlem Netherlands Her heroic actions eventually led to her arrest and imprisonment at Ravensbrück the German Reich's largest concentration camp for women For the first time the ten Boom family's heart wrenching story of sacrifice and survival is presented as a special edition complete with rare family photos accents of Dutch Delft style design artwork by Dutch artists and personal ephemera Hand lettered inspirational quotes and Scripture combined with artwork reminiscent of World War II Europe make The Hiding Place come alive like never before

The Hiding Place Kate Mildenhall, 2025-10-28 They're good people Why shouldn't they get what they deserve When Lou sees an ad for a long abandoned mining town up for sale it doesn't take her long to convince her sister and their oldest friends to go in on the idyllic property buried in the bush a place where the four families can hide away on weekends get back to nature and unstick the kids from their screens But things start to go wrong before they even arrive

for their first camping trip a rogue deer sends a trailer off the road a neighbour complains about the fence line and squatters have set up camp down by the river Soon none of that will matter though because by the end of the first night someone will be dead At first it seems that hiding a body is easier than keeping other sorts of secrets a lost job an illegal crop an outrageous affair a little embezzlement But what s buried has a way of coming to the surface and even in the bush it s hard to remain unseen White Lotus meets The Slap in a razor sharp literary thriller about deception and self deception and how far people will go to protect what they feel they ought to have Absolutely brilliant I wish I had written this book Hayley Scrivenor author of Dirt Town **The Novel: The Hiding Place** Alpha & Omega Publishing,2001-03-01
