Professional Cloud Architect Study Guide Dan Sullivan, 2022-03-22 An indispensable guide to the newest version of the Google Certified Professional Cloud Architect certification. The newly revised Second Edition of the Google Cloud Certified Professional Cloud Architect Study Guide delivers a proven and effective roadmap to success on the latest Professional Cloud Architect accreditation exam from Google. You'll learn the skills you need to excel on the test and in the field, with coverage of every exam objective and competency, including focus areas of the latest exam such as Kubernetes, Anthos, and multi-cloud architectures. The book explores the design, analysis, development, operations, and migration components of the job, with intuitively organized lessons that align with the real-world job responsibilities of a Google Cloud professional and with the PCA exam topics. Architects need more than the ability to recall facts about cloud services; they need to be able to reason about design decisions. This study guide is unique in how it helps you learn to think like an architect: understand requirements, assess constraints, choose appropriate architecture patterns, and consider the operational characteristics of the systems you design. Review questions and practice exams use scenario-based questions like those on the certification exam to build the test-taking skills you will need. In addition to comprehensive material on compute resources, storage systems, networks, security, legal, and regulatory compliance, reliability, design, technical, and business processes, and more, you'll get

You Don't Need a New Job. You Need a New Identity, Do you feel your career progress has stalled? What if the real barrier isn't your job description, your company, or even the market, but rather the internal perception you hold of yourself? In a professional landscape fixated on external markers like job titles and promotions, many chase superficial upgrades hoping to resolve a deeper internal sense of misalignment. This book challenges that notion, proposing a radical idea: most professionals don't need a new job; they need a new identity. *You Don't Need a New Job. You Need a New Identity* serves as a bold, profoundly honest, and potentially life-altering guide specifically crafted for professionals who find themselves silently frustrated, trapped in roles that no longer resonate with their true selves or their
