Skinny Eighth Avenue:

The Girls of Slender Means Muriel Spark, 2012-08-01 Long ago in 1945 all the nice people in England were poor allowing for exceptions begins *The Girls of Slender Means* Dame Muriel Spark's tragic and rapier-witted portrait of a London ladies hostel just emerging from the shadow of World War II Like the May of Teck Club itself three times window shattered since 1940 but never directly hit its lady inhabitants do their best to act as if the world were back to normal practicing elocution and jostling over suitors and a single Schiaparelli gown The novel's harrowing ending reveals that the girls' giddy literary and amorous peregrinations are hiding some tragically painful war wounds Chosen by Anthony Burgess as one of the Best Modern Novels in the Sunday Times of London *The Girls of Slender Means* is a taut and eerily perfect novel by an author The New York Times has called one of this century's finest creators of comic metaphysical entertainment

s most treasured musical legends **T-Plates & Black Chariots** Kevin Jenkins,2018-04-24 This book is a humorous searing and vivid account of the city through the eyes of a livery car driver The story is told through a series of first person anecdotes and vignettes that paint a ten month portrait of what its like to drive and experience New York City streets **Original Gangster** Frank Lucas,Aliya S. King,2010-06-08 The true story of the rise and fall of a Harlem heroin kingpin In his own words Frank Lucas recounts his life as the former heroin dealer and organized crime boss who ran Harlem during the late 1960s and early 1970s From being taken under the wing of old time gangster Bumpy Johnson through one of the most successful drug smuggling operations to being sentenced to seventy years in prison Original Gangster is a chilling look at the rise and fall of a modern legacy To gain the success he craved Lucas broke the Italian mafia s monopoly in New York by cutting out middlemen and smuggling heroin directly from the Golden Triangle using coffins Selling Blue Magic the purest heroin on the street Lucas became one of the most powerful crime lords of his time while rubbing shoulders with the elite in entertainment politics and crime After his arrest Federal Judge Sterling Johnson called Lucas and his operation one of the most outrageous international dope smuggling gangs ever This powerful memoir reveals the true story behind the 2007 film American Gangster exposing a startling look at the world of organized crime [Encyclopedia of the New York School Poets](#) Terence Diggory,2015-04-22 Presents an alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early twentieth century **Frank O'Hara and the Poetics of Saying 'I'** Micah Mattix,2011-03-03 While recent works of criticism on Frank O Hara have focused on the technical similarities between his poetry and painting or between his use of language and poststructuralism Frank O Hara and the Poetics of Saying I argues that what is most significant in O Hara s work is not such much his borrowing from painters or his proto Derridean use of language but his preoccupation with self exploration and the temporal effects of his work as artifacts Following Pasternak s understanding of artistic inspiration as an act of love for the material world O Hara explores moments of experience in an effort to both complicate and enrich our experience of the material world On the one hand in poems such as Second Avenue for example O Hara works to muddy language through which experience is in part mediated with the use of parataxis allusions and absurd metaphors and similes On the other in his I do this I do that poems he names the events of his lunch hour in an effort among other things to experience time as a moment of fullness rather than as a moment of loss The book argues furthermore that O Hara s view of the self as both an expression of the creative force at work in the world and as the temporal aggregate of finite experiences places him between so called Romantic and postmodern theories of the lyric While it is often argued that O Hara is a forerunner of a new critically informed materialist poetics this study concludes that O Hara s work is somewhat less radical in its understanding of poetic meaning than is often claimed Moreover while O Hara is preoccupied with his experience in his poems the book argues that he espouses in some respects a rather traditional view of love In addition to being a metaphor for the creative act love for O Hara is the chance coming together of two entities Yet one

of the ironies of this is that while love is for O Hara a feeling that is the result of movement or the unexpected coming together of two otherwise separ "A Different Sense of Power" Thomas Fink,2001 This volume analyzes the work of a racially ethnically and geographically diverse group of recent social poets These figures Thylas Moss John Yau Denise Duchamel Carolyn Forche Joseph Lease Gloria Anzaldua Martin Espada Melvin Dixon and Stephen Paul Miller utilize a diversity of aesthetic strategies to address a number of central problems such as poetic speculations about dangers and opportunities of visual representations by dominant and marginalized groups effacement of specific communities histories and attempts at restoration of history

Reading the Difficulties Thomas Fink,Judith Halden-Sullivan,2014-02-28 Definitions of what constitutes innovative poetry are innumerable and are offered from every quarter Some critics and poets argue that innovative poetry concerns free association John Ashbery others that experimental poetry is a re staging of language Bruce Andrews or a syntactic and cognitive break with the past Ron Silliman and Lyn Hejinian The tenets of new poetry abound But what of the new reading that such poetry demands The essays in *Reading the Difficulties* offer case studies in and strategies for reading innovative poetry They allow readers to interact with verse that deliberately removes many of the comfortable cues to comprehension poetry that is frequently non narrative non representational and indeterminate in subject theme or message

Newark's Little Italy Michael Immerso, 1999-08 Michael Immerso traces the history of the First Ward from the arrival of the first Italian in the 1870s until 1953 when the district was uprooted to make way for urban renewal. Richly illustrated with photographs culled from the albums and shoeboxes in the private collections of hundreds of former First Ward families from all across the United States, the book documents the evolution of the district from a small immigrant quarter into a complex Italian American neighborhood that thrived during the first half of this century. A Gallery of Harlem Portraits Melvin B. Tolson, 2013-10-10 A Gallery of Harlem Portraits is Melvin B. Tolson's first book-length collection of poems. It was written in the 1930s when Tolson was immersed in the writings of the Harlem Renaissance, the subject of his master's thesis at Columbia University, and will provide scholars and critics a rich insight into how Tolson's literary picture of Harlem evolved. Modeled on Edgar Lee Master's Spoon River Anthology and showing the influence of Browning and Whitman, it is rooted in the Harlem Renaissance in its fascination with Harlem's cultural and ethnic diversity and its use of musical forms. Robert M. Farnsworth's afterword elucidates these and other literary influences. Tolson eventually attempted to incorporate the technical achievements of T. S. Eliot and the New Criticism into a complex modern poetry which would accurately represent the extraordinary tensions, paradoxes, and sophistication, both highbrow and lowbrow, of modern Harlem. As a consequence, his position in literary history is problematical. The publication of this earliest of his manuscripts will help clarify Tolson's achievement and surprise many of his readers with its readily accessible, warmly human poetic portraiture.
