hoarded compulsively creating horrific conditions no child should live in the two girls arrived at foster carer Louise's home neglected malnourished and indoctrinated Louise had to draw on all of her experience as one of Britain's leading foster carers to rehabilitate and change the course of their lives But with constant attempts to thwart her work Louise ends up under siege in her own home Will she succeed or is their fate sealed forever *Ultima* Stephen Baxter, 2015 Originally published London Gollancz A 2014 *I Will Leave You Never* Ann Putnam, 2025-07-30 In the middle of a perilous drought in the Northwest an arsonist begins setting fires all around It gives Zoe Penney nightmares about her home seated right next to tinder dry woods rising up in explosions of fire as well as haunting dreams of a little boy deep in the forest Winter brings the longed for rains but also a cancer diagnosis for Zoe's husband Jay which plunges the family into disbelief and fear The children lean in close to their parents can't stop touching them As Jay's treatment begins nature lets loose with strange and startling encounters while a shadowy figure hovers about the corners of the house First Zoe's fear turns to anger How can I love you if I am to lose you How can I live in joy when the sky is falling But she gradually learns that it's possible to love anything even terrible things if you can love them for what they are teaching you *Canadian Children's Literature*, 1994
