NATIONAL BESTSELLER

And Other  
Writings, Including  
"The Ballad of  
John and  
Yoko"

"Had he never sung a note,  
John Lennon still might have  
made his mark—as a successor  
to Lewis Carroll, James Joyce,  
and other brilliantly playful  
molders and expanders of  
the English language."  
—LOS ANGELES TIMES

by  
JOHN  
LENNON

## **Skywriting By Word Of Mouth:**

**Skywriting by Word of Mouth, and Other Writings, Including The Ballad of John and Yoko** John Lennon,1986

*Skywriting by Word of Mouth* John Lennon,1987-10-09 John Lennon wrote *Skywriting by Word of Mouth* an impressive collection of writings and drawings during Yoko Ono's pregnancy with Sean and always planned to have it published. The book's publication was a wish that seemed to end with Lennon's assassination in 1980 and the theft of the manuscript from the Lennons home in 1982. When it was recovered and first published in 1986, *Skywriting* received immediate critical and popular acclaim. Filled with Lennon's extraordinary creative powers and lavishly illustrated with his own drawings, the collection reveals his fertile creative spirit up close and in full force. Included in *Skywriting* are *Two Virgins* written when the public learned that John and Yoko were living together as husband and wife and John's only autobiography *The Ballad of John and Yoko*. In addition, there are notes on his falling in love with Yoko, the breakup of the Beatles, his persecution by U.S. authorities, and his withdrawal from public life. This is a book with John Lennon's spirit on every page, a spirit the world needs to remember.

**Read the Beatles** June Skinner Sawyers,2006-10-31 A must-have volume for all Beatles fans, a career-spanning selection of writings about the Fab Four. There are, of course, many books on the Beatles, but this is the only one available that is a comprehensive career-spanning collection of journalism about the legendary band before and after the breakup. Consisting of more than fifty articles, essays, interviews, record and movie reviews, poems, and book excerpts, many of them rare and hard to find, *Read the Beatles* is an unprecedented compilation that follows the arc of the Fab Four's iconic and idiosyncratic career from their early days in Liverpool through their tragic and triumphant histories after the group's split. The book also includes original essays from noted musicians and journalists about the Beatles' lasting influence and why they still matter today.

*The Beatles in Japan* Carolyn S. Stevens,2017-11-22 Following their first tour to Japan in 1966, the Beatles would become an important part of Japan's postwar cultural development and its deepening relationship with the West. By the 1960s, Japan's dramatic rise in prosperity and the self-confidence of the country's economic miracle period were yet to come; it was not at this stage considered a fully fledged partner of the West. All these potential developments were consolidating around the time of the 1966 tour. The Beatles' concerts in Tokyo contributed to the construction of a new Japanese national identity and introduced Japan as a new potential market to UK and US music producers, broadening the country's transnational cultural links. This book explores the Beatles' engagement with Japan within the larger context of the country's increased global connection and large-scale economic, social, and cultural change. It describes the great impact of the Beatles' contentious 1966 tour, which took place amid public displays of both euphoric Beatlemania and angry protests, and discusses the lasting impression of this tour on Japanese culture and identity to the present day. The Beatles' relationship with Japan did not end after their departure; this book also examines the Beatles' subsequent contacts with Japan, including John Lennon's marriage and artistic partnership with Yoko Ono and Paul McCartney's later Japanese tours and the warm

reception the ex Beatles and their musical legacy have received over the years      Nowhere Man Robert Rosen,2022-12-30 By all appearances John Lennon was working on a tell all memoir in the final years of his life Every day he poured into diaries his raw thoughts and feelings about his jealous rivalry with Paul McCartney his tumultuous marriage to Yoko Ono his love for his sons Julian and Sean his hatred of the music business his escape into programmed dreams his acerbic opinions of England and America Written by one of the few people to have read those diaries and based on decades of research Nowhere Man takes you on a journey through Lennon s consciousness Covering a range of topics close to John s heart from Abbey Road to the zodiac the book offers vivid insights into his extraordinary life It examines his passion for money his forceful rejection of a Beatles reunion his drug use his forays into the occult his brief acceptance of Jesus and his solitary struggle in the Dakota to create a meaningful life in the glaring spotlight of fame A portrait of an artist in turmoil striving to reconnect with his muse which culminates with the release of Double Fantasy his final album Nowhere Man is an unforgettable look at Lennon s last years and the tragic fate of a beloved cultural icon whose transcendent music changed the world      *The Beatles Encyclopedia* Kenneth Womack,2014-06-30 A fascinating look at the history of the Beatles from their formative years through the present day as detailed in hundreds of entries chock full of information never before shared with the public The Beatles have sold at least 2 3 billion albums achieved 6 Diamond 24 Multi Platinum 39 Platinum and 45 Gold albums in the United States alone and continue to experience impressive commercial success now more than at any other time What is it about this iconic group which continues to draw attention from each successive generation even more than 40 years after their disbandment The Beatles Encyclopedia Everything Fab Four provides casual fans and aficionados alike with a comprehensive study of the historical cultural and musical influence of the Beatles providing hundreds of insightful entries that address the people places events and other details that have contributed to the band s status as a global phenomena      Revolution in the Head Ian MacDonald,2007 Assessment of the Beatles artistic achievement providing biographical musical and historical detail through a chronology of their songs      **An Anatomy of Literary Nonsense** Wim Tigges,2022-07-04      **Who Could Ask for More?** Chris Gregory,2008 Who Could Ask For More is both an in depth study of The Beatles songs and an often oblique commentary on their life and times Identifying the constant fear of an imminent nuclear holocaust as the spark for the huge social changes of the decade Chris Gregory seeks to reclaim The Beatles from the tendency to position them within a fake sixties nostalgia industry Combining analysis of their words and music with fictionalised sequences depicting key episodes in their career the book provides a unique insight into an artistic and cultural phenomenon whose effects still resonate strongly many decades after the group broke up The extraordinary evolution of their art is discussed in relation to the musical context of their day with particular emphasis on the influence of 50s rock and roll and 60s soul music      *The Complete John Lennon Songs* Paul Du Noyer,2025-05-08 INCLUDES COMPLETE JOHN LENNON LYRICS FOR THE FIRST TIME Lennon s life after the Beatles was eventful and fascinating He moved from stardom in the

world's biggest pop group to global peace campaigner and figurehead for radical causes. He left England for a new life in the USA with Yoko Ono. He later abandoned public life and retired to his New York apartment to raise their son and live the life of a recluse. In 1980 he re-emerged with a new album but the plan to resume his career was cruelly curtailed on a fateful night outside the Dakota Building when he was murdered. Upon first publication this book was the first to examine and assess all of John Lennon's solo work. This updated edition includes lyrics and is released on the 40th anniversary of his death and the 80th anniversary of his birth.

**Beatles Blackouts** Jack Marriott, 2023-09-26 Fear and Loathing in Las Vegas meets a drunken Eat Pray Love in this unique tour of global Beatlemania. Jack Marriott didn't and he thought he knew everything there was to know about the storied band from Liverpool, England. He did some investigating and found that there were Beatles monuments, statues and shrines all around the world from Brazil to Mongolia, Peru to Japan. Meanwhile his life in England was quickly deteriorating into drunkenness, the staff of his bar having walked out and his girlfriend having left him. So he did what anyone would do: borrowed a press pass and set off on a two-year quest through 23 countries, relying on the kindness of fellow fans to help him find these Beatles monuments and connect with the communities that built them. His goal: to find new stories about the Beatles, win back his girlfriend and remind an increasingly insular post-Brexit Britain what the Beatles mean to the world. He just needed to push through the hangovers to do it. How hard could it be? Find out in this real-life account of one man's quest to find every Beatles monument.

*John Lennon Imagined* Janne Mäkelä, 2004 Considered one of the most innovative artists in the history of popular music, John Lennon is also a fascinating example of the relationship between rock music and celebrity. Through investigation of the cultural and historical background of his stardom in England and the United States, this book explores why John Lennon became a much-debated celebrity and why he remains so. Lennon's career from the 1960s until his tragic death in 1980 and even beyond demonstrates how different expectations articulated by the star, the music industry, the media and the fans form relations which change in terms of time and place. Using a multidisciplinary approach and intriguing case studies, this book also examines cultural identity, authenticity and gender in popular music stardom.

Still the Greatest Andrew Grant Jackson, 2012-07-20 As recommended by USA Today and excerpted on Rolling Stone.com. More than forty years after breaking up, The Beatles remain the biggest-selling and most influential group in the history of popular music. Fans endlessly replay their songs, craving more, while thousands of cover versions of their songs have been recorded and performed. Band biographies, pop music histories, song books and academic titles on the Fab Four clutter shelves. But never has there been a definitive guide to the finest songs of The Beatles after they called it quits. *Still the Greatest* is a love song to the songwriting and recording achievements of Paul, John, George and Ringo after each struck out on his own. In this creative history, Jackson selects the best songs in each solo career and organizes them into fantasy albums they might have formed had the legendary group stayed together. This romp through the post-Beatles history of each artist delves into the circumstances behind the composition, recording and reception of each work.

offering a refreshing take on how spectacular much of The Beatles second act truly is Jackson assesses the more than seventy albums and nine hundred songs the four collectively released selecting the cr me de la cr me of their output Still the Greatest brims with facts release dates writing and performing credits and information about production techniques and insightful analyses of the music and lyrics In telling the stories behind the songs Jackson recounts the remarkable influence the Post Fab Four continued to have long after the big split Both a handy reference and an engrossing cover to cover read Still the Greatest is an invaluable companion for those who thought it all ended with the 1970 album Let It Be *There's A Riot Going On* Peter Doggett,2009-06-04 Between 1965 and 1972 political activists around the globe prepared to mount a revolution from the Black Panthers to the Gay Liberation Front from the Yippies to the IRA Rock and soul music supplied the revolutionary tide with anthems and iconic imagery and renowned musicians such as John Lennon Mick Jagger and Bob Dylan were particularly influential in the movement This is the definitive account of this unique period in modern history a compelling portrait of an era when revolutionaries turned into rock stars and rock stars dressed up as revolutionaries

Popular Music Autobiography Oliver Lovesey,2021-12-02 The 1960s saw the nexus of the revolution in popular music by a post war generation amid demographic upheavals and seismic shifts in technology Over the past two decades musicians associated with this period have produced a large amount of important autobiographical writing This book situates these works in the forms of formal autobiographies and memoirs auto fiction songs and self fashioned museum exhibitions within the context of the recent expansion of interest in autobiography disability and celebrity studies It argues that these writings express anxiety over musical originality and authenticity and seeks to dispel their writers celebrity status and particularly the association with a lack of seriousness These works often constitute a meditation on the nature of postmodern fame within a celebrity obsessed culture and paradoxically they aim to regain the private self in a public forum **A Walk Down Abbey Road**

Denny Somach,2020-03-10 This book is a celebration of the impact and influence the Beatles have had on their generation and the one that followed on both sides of the Atlantic It contains interviews with major recording stars including the Rolling Stones Sting Billy Joel Eagles Steven Tyler Brian Wilson Jimmy Page Elton John David Bowie and others who were witness to history A Walk Down Abbey Road also contains interviews with the four Beatles What sets this book apart from all others is the wide variety of exclusive interviews A Walk Down Abbey Road contains personal recollections and memories from major music personalities as told directly to the author It is not designed to go head to head with any of the Beatles biographies or critiques but to provide a multifaceted set of viewpoints Over the years the author has worked with the individual members as well as Yoko Ono Sean Lennon and Julian Lennon His Beatles experience is firsthand The material is augmented with brief set ups and photos to compliment the interviews Micky Dolenz the drummer and lead vocalist with the rock band The Monkees has written the forward Micky is currently touring with Mike Nesmith celebrating the music of The Monkees The Day John Met Paul Jim O'Donnell,2006-11-06 With many new photos and an updated introduction The Day

John Met Paul a critically acclaimed Beatles book reappears in a visually stunning second edition The book is an hour by hour account of the fateful day the two founding Beatles met in July 1957 But it is much more than that it s a spellbinding story of how fate brought together two men who would radically change the face of popular music from its look and feel to its sound Jim O Donnell a veteran rock music writer spent eight years researching The Day John Met Paul Published in 1996 and translated into several languages the book was widely praised for its blend of accurate reporting and colorful storytelling Long out of print but revered among Beatles fans the new printing enlivens the text with many well chosen photos of the Liverpool landmarks from Strawberry Field to Penny Lane that played a role in the Beatles lives and works The Day John Met Paul chronicles the first Day in the Life of the Beatles a day that changed the musical world **Long and Winding Roads, Revised Edition** Kenneth Womack,2022-12-15 In Long and Winding Roads The Evolving Artistry of the Beatles Revised Edition Kenneth Womack brings the band s story vividly to life from their salad days as a Liverpool Skiffle group and their apprenticeship in the nightclubs and mean streets of Hamburg through their early triumphs at the legendary Cavern Club and the massive onslaught of Beatlemania itself By mapping the group s development as an artistic fusion Womack traces the Beatles creative arc from their first primitive recordings through Abbey Road and the twilight of their career In this revised edition Womack addresses new insights in Beatles related scholarship since the original publication of Long and Winding Roads along with hundreds of the group s outtakes released in the intervening years The updated edition also affords attention to the Beatles musical debt to Rhythm and Blues as well as to key recent discoveries that vastly shift our understanding of formative events in the band s timeless story *Focus On: 100 Most Popular English Emigrants to the United States* Wikipedia contributors, [Across the Lines](#) ,2022-05-16 This third volume of ASNEL Papers covers a wide range of theoretical and thematic approaches to the subject of intertextuality Intertextual relations between oral and written versions of literature text and performance as well as problems emerging from media transitions regionally instructed forms of intertextuality and the works of individual authors are equally dealt with Intertextuality as both a creative and a critical practice frequently exposes the essential arbitrariness of literary and cultural manifestations that have become canonized The transformation and transfer of meanings which accompanies any crossing between texts rests not least on the nature of the artistic corpus embodied in the general framework of historically and socially determined cultural traditions Traditions however result from selective forms of perception they are as much inventions as they are based on exclusion Intertextuality leads to a constant reinforcement of tradition while at the same time intertextual relations between the new literatures and other English language literatures are all too obvious Despite the inevitable impact of tradition the new literatures tend to employ a dynamic reading of culture which fosters social process and transition thus promoting transcultural rather than intercultural modes of communication Writing and reading across borders becomes a dialogue which reveals both differences and similarities More than a decolonizing form of deconstruction intertextuality is a strategy for communicating meaning

across cultural boundaries

Getting the books **Skywriting By Word Of Mouth** now is not type of challenging means. You could not unaided going later ebook gathering or library or borrowing from your connections to right of entry them. This is an certainly simple means to specifically acquire guide by on-line.
