## **Slammer The Crisis In Canadas Prison System:**

*The Slammer* Kevin Marron, 1996 Topics covered include drug abuse prison overcrowding native offenders and female offenders

**The Expanding Prison** David Cayley, 1998 The Expanding Prison is a provocative cogent argument for prison reform David Cayley argues that our overpopulated prisons are more reflective of a society that is becoming increasingly polarized than of an actual surge in crime This book considers proven alternatives to imprisonment that emphasize settlement oriented techniques over punishment and move us towards a vision of justice as peace making rather than one of vengeance

**Comparing Prison Systems** Nigel South, Robert P. Weiss, 2014-01-02 This book provides in depth original and critical analyses by leading scholars of the penal systems of 16 nations around the world focusing on changes in social structure culture and punishment since 1975 Contributors provide an international and comparative context in which to understand the impact of recent profound economic social and political changes on penal theory and practice

*The Criminal's Handbook: A Practical Guide to Surviving Arrest and Incarceration in Canada* C. W. Michael, 2012

*Behind the Walls* Michael Weinrath, 2016-11-01 In this system you can't trust anybody Like even on the streets I've never trusted my own brother But now in Ni Miikana I'm starting to get that trust back You just gotta be careful what you say in here and you'll be all right Despite falling crime rates more rights for inmates and better training for correctional officers Canada's prison population is on the rise and outbreaks of violence continue to grab headlines Applying Erving Goffman's frame theory and drawing on interviews with inmates and correctional officers in federal and provincial institutions Michael Weinrath assesses whether improvements over the past twenty five years have truly led to better corrections Behind the Walls offers an unprecedented look at life in contemporary prisons Inmates and staff describe their transition to prison life and corrections work and they explain how they frame or understand their roles and how they relate to others They provide commentaries on key developments and problems including the experiences of female correctional officers in male prisons boundary violations by correctional officers the introduction of behavioural programs and the rise of prison gangs Weinrath's balanced assessment reveals that although prisons have seen improvements they continue to be plagued by problems that prevent inmates from forging positive relationships among themselves and with correctional officers

An Ideal Prison? Kelly Hannah-Moffat, Margaret Shaw, 2021-01-10T00:00:00Z Ten years after the publication of *Creating Choices* a remarkable report on women's imprisonment in Canada this book sets out to reflect on attempts to reform prison In a series of critical essays the contributors stimulate reflection and discussion They explore the effects of punishment and penalty on women's lives the impact of feminist reforms on the lives of women in prison and the systemic barriers which limit change in the context of both provincial and federal prisons Each of the authors has a personal and sometimes intimate knowledge of the recent history of women's prisons in Canada Taking *Creating Choices* as a starting point these essays question the role of prisons in our society the importance of taking account of gender and its intersection with race and class and the problems of

both weak feminist models and the co optation of feminist ideals and Aboriginal spirituality by correctional systems

Canadian Criminal Justice Today Frank Schmalleger,2000      *The Harper Record* Teresa Healy,2008 The Harper government s policies are moving our country backwards toward a vision of society the role of government and the nature of the federation reminiscent of the 1920s As the government tried to liberalize markets in grains the Wheat Board Ceo was fired 14 The Harper Record and the government worked to prevent Board members from speaking out in support of the marketing board The report of the Iacobucci Commission was originally meant to be submitted the week before the 2008 election was called but was delayed until the week after the election 9 Both the Liberals who were in power during the events in question and the Conservatives who are in favour of the anti terrorist agenda were thus spared public scrutiny on these issues during the election campaign Conclusion In the 32 months that the Conservative minority government was in power between 2006 and 2008 the people of Canada faced significant challenges because of the substance of what the Harper government achieved and because of the anti democratic way in which he went about it In a 1989 memo to Preston Manning he argued that the core political cleavage in contemporary Western democracies pits taxpayers and private sector oriented citizens the ideological right against the public sector oriented political class and tax recipients of the Welfare State the ideological left 17 The conservative coalition of the right would include the corporate sector and the privat
