Invincible Hero Hua Xiaodao, 2019-12-17 Having grown up in a rich family since childhood, Hua Qianlou was a typical playboy. He started to bring calamity to his motherland's flowers at the age of fourteen or fifteen. Just as their souls were about to connect, a strong and powerful soul with a strong memory entered Hua Qianlou's consciousness. The two halves of his consciousness had perfectly merged together, and after that, a brand new Hua Qianlou appeared in people's line of sight. Cultivating the powerful Shaoyang Scripture in the nature of the wind, he pursued an extraordinary path of stimulation and swore to eat both black and white, becoming an absolute free man that no one could restrict.

The War Lover John Hersey, 2019-09-04 In the immediate sense, this long, eventful and agonizingly suspenseful novel shows what fear, secret, hidden fear can do to even one of those seeming heroes, a war lover. In the longer view, however, this may come to be regarded as the great and ultimate anti-war novel of our time. The scene is an American bomber base in England sometime before D-Day. The characters are the crew of a Flying Fortress named *The Body*, particularly the pilot Buzz Marrow and the co-pilot Boman, who tells the story of his worship of Marrow and of how his hero succumbed on their final crucial mission to the fatal weakness with which he camouflaged his fear, his secret delight in annihilation. Boman also tells the story of the English girl he loved, and Mr. Hersey's many admirers will note a new tenderness and passion in these scenes and of her fateful intervention in Marrow's collapse. Both narrative lines flow together.

and are superbly united in the sustained and powerful climax
