Exhibiting Slavery Vivian Nun Halloran, 2009-10-23 Exhibiting Slavery examines the ways in which Caribbean postmodern historical novels about slavery written in Spanish English and French function as virtual museums simultaneously showcasing and curating a collection of primary documents within their pages As Vivian Nun Halloran attests these novels highlight narrative objects extraneous to their plot such as excerpts from the work of earlier writers allusions to specific works of art the uniforms of maroon armies assembled in preparation of a military offensive and accounts of slavery's negative impact on the traditional family unit in Africa or the United States In doing so they demand that their readers go beyond the pages of the books to sort out fact from fiction and consider what relationship these featured objects have to slavery and to contemporary life The self

referential function of these texts produces a museum effect that simultaneously teaches and entertains their readers prompting them to continue their own research beyond and outside the text

Interpreting D-Day's Sites of Memory Geoffrey Bird, Sean Claxton, Keir Reeves, 2016-03-02 More than seventy years following the D Day Landings of 6 June 1944 Normandy's war heritage continues to intrigue visitors and researchers Receiving well over two million visitors a year the Normandy landscape of war is among the most visited cultural sites in France This book explores the significant role that heritage and tourism play in the present day with regard to educating the public as well as commemorating those who fought The book examines the perspectives experiences and insights of those who work in the field of war heritage in the region of Normandy where the D Day landings and the Battle of Normandy occurred In this volume practitioner authors represent a range of interrelated roles and responsibilities These perspectives include national and regional governments and coordinating agencies involved in policy planning and implementation war cemetery commissions managers who oversee particular museums and sites and individual battlefield tour guides whose vocation is to research and interpret sites of memory Often interviewed as key informants for scholarly articles the day to day observations experiences and management decisions of these guardians of remembrance provide valuable insight into a range of issues and approaches that inform the meaning of tourism remembrance and war heritage as well as implications for the management of war sites elsewhere Complementing the Normandy practitioner offerings more scholarly investigations provide an opportunity to compare and debate what is happening in the management and interpretation at other World War II related sites of war memory such as at Pearl Harbor Okinawa and Portsmouth UK This innovative volume will be of interest to those interested in remembrance tourism war heritage dark tourism battlefield tourism commemoration D Day and World War II **The Persistence of Memory** Jessica Moody, 2020 The Persistence of Memory tells the history of the public memory of transatlantic slavery in the largest slave trading port city in the world from the end of the 18th century into the 21st century revealing the persistence of slavery memory in Liverpool as an ongoing contested debate Tourism, Terrorism and Security Maximiliano E. Korstanje, Hugues Seraphin, 2020-09-07 International tourism has been a target for

terrorist agents seeking to cause political instability and economic disruption in the West This book lays the foundations of a new understanding of tourism security by discussing the nature of tourism tourists and terrorists **Politics of Memory**

Ana Lucia Araujo,2013-05-07 The public memory of slavery and the Atlantic slave trade which some years ago could be observed especially in North America has slowly emerged into a transnational phenomenon now encompassing Europe Africa and Latin America and even Asia allowing the populations of African descent organized groups governments non governmental organizations and societies in these different regions to individually and collectively update and reconstruct the slave past This edited volume examines the recent transnational emergence of the public memory of slavery shedding light on the work of memory produced by groups of individuals who are descendants of slaves The chapters in this book explore how the memory of the enslaved and slavers is shaped and displayed in the public space not only in the former slave societies but also in the regions that provided captives to the former American colonies and European metropolises Through the analysis of exhibitions museums monuments accounts and public performances the volume makes sense of the political stakes involved in the phenomenon of memorialization of slavery and the slave trade in the public sphere Historic Preservation, Third Edition: An Introduction to Its History, Principles, and Practice (Third Edition) Norman Tyler,Ilene R. Tyler,Ted J. Ligibel,2018-10-16 This classic text covers the gamut of preservation issues in layman s language Historic preservation which started as a grassroots movement now represents the cutting edge in a cultural revolution focused on green architecture and sustainability This book provides comprehensive coverage of the many facets of historic preservation the philosophy and history of the movement the role of government the documentation and designation of historic properties sensitive architectural designs and planning preservation technology and heritage tourism plus a survey of architectural styles An ideal introduction to the field for students historians preservationists property owners local officials and community leaders this thoroughly revised edition addresses new subjects including heritage tourism and partnering with the environmental community It also includes updated case studies to reflect the most important historic preservation issues of today and brings the conversation into the twenty first century *Writing the Dark Side of Travel* Jonathan Skinner,2012-03-01 The travel experience filled with personal trauma the pilgrimage through a war torn place the journey with those suffering these represent the darker sides of travel What is their allure and how are they represented This volume takes an ethnographic and interdisciplinary approach to explore the writings and texts of dark journeys and travels In traveling over the dead amongst the dying and alongside the suffering the authors give us a tour of humanity s violence and misery And yet from this dark side there comes great beauty and poignancy in the characterization of plight creativity in the comic graphic and graffiti sketches and comments on life and the sense of profound and spiritual journeys being undertaken recorded and memorialized
