Slavic Review Volume 53 No3:

After the Collapse of Communism Michael McFaul, Kathryn Stoner-Weiss, Kathryn Stoner, 2004-09-06 Publisher

Description Peasant Rebels Under Stalin Lynne Viola, 1999-01-28 The first book to document the peasant rebellion against Soviet collectivization *Peasant Rebels Under Stalin* retrieves a crucial lost chapter from the history of Stalinist Russia The peasant revolt against collectivization as reconstructed by author Lynne Viola was the most violent and sustained resistance to the Soviet state after the Russian Civil War Conservative estimates suggest that over the course of the 1920s and early 1930s more than 1 100 people were assassinated more than 13 000 villages rioted and over 2 5 million people participated in this active struggle of resistance This book is about the men and women who tried to preserve their families communities and beliefs from the depredations of Stalinism Their acts were often heroic but these heroes were homespun ordinary people who were driven to acts of desperation by cruel and brutal state policies This is a study of peasant community culture and politics through the prism of resistance Based on newly declassified Soviet archives including previously inaccessible OGPU secret police reports Viola's work documents the manifestation in Stalin's Russia of universal strategies of peasant resistance in what amounted to a virtual civil war between state and peasantry This book is must reading for scholars of Soviet history Stalinism popular resistance and Russian peasant culture

World Order in History Paul Dukes, 2002-01-31 *World Order in History* argues that historians' ideas about world order have been influential in transforming nations' sense of themselves Paul Dukes demonstrates how a series of successive historians and analysts attempt to make sense of the world in which they live often appropriating intellectual ideas spawned in different contexts in order to do so Hindsight allows us to view stages in the evolution of these interpretations and to recognise that they are limited by the constraints of the age in which their authors lived Dukes pursued these arguments with particular reference to Russia and the Western world from the early modern period right up to the present He draws conclusions on the state of the debate in the nineties and offers some views as to the way forward for historians of Russia and the wider world This book will be of interest to all concerned with the study of history in particular philosophy of history and Russian history

Anti-Veiling Campaigns in the Muslim World Stephanie Cronin, 2014-04-24 In recent years bitter controversies have erupted across Europe and the Middle East about women's veiling and especially their wearing of the face veil or niqab Yet the deeper issues contained within these controversies secularism versus religious belief individual freedom versus social or family coercion identity versus integration are not new but are strikingly prefigured by earlier conflicts This book examines the state sponsored anti veiling campaigns which swept across wide swathes of the Muslim world in the interwar period especially in Turkey and the Balkans Iran Afghanistan and the Soviet republics of the Caucasus and Central Asia It shows how veiling was officially discouraged and ridiculed as backward and although it was rarely banned veiling was politicized and turned into a rallying point for a wider opposition Asking a number of questions about this earlier anti veiling discourse

and the policies flowing from it and the reactions which it provoked the book illuminates and contextualizes contemporary debates about gender Islam and modernism *Regime Transition in Central Asia* Dagikhudo Dagiev, 2013-10-30 Presenting a study of regime transition political transformation and the challenges that faced the post Communist republics of Central Asia on independence this book focuses on the process of transition in Tajikistan and Uzbekistan and the obstacles that these newly independent states are facing in the post Communist period The book analyses how in the early stages of their independence the governments of Central Asia declared that they would build democratic states but that in practice they demonstrated that they are more inclined towards authoritarianism With the declaration of independence Tajikistan and Uzbekistan like many other former Soviet national republics were faced with the issues of nationalism ethnicity identity and territorial delimitation This book looks at how the discourse of patrimonial nationalism in post Communist Tajikistan and Uzbekistan has been the elites strategy to address all these issues to maintain the stateness of their respective countries to preserve the unity of their nation to fill the ideological void of post Communism to prevent the rise of Islam and to legitimize their authoritarian practice Arguing against the claim that the Central Asian states have undergone divergent paths of transition the book discusses how they are in fact all authoritarian although exhibiting different degrees of authoritarianism This book provides a useful contribution to studies on Central Asian Politics and International Relations The Standard of Living and Revolutions in Imperial Russia, 1700-1917 Boris Mironov, 2012-05-31 This is the first full scale anthropometric history of Imperial Russia 1700 1917 It mobilizes an immense volume of archival material to chart the growth weight and other anthropometric indicators of the male and female populations in order to chart how the standard of living in Russia changed over slightly more than two centuries It draws on a wide range of data statistics on agricultural production taxation prices and wages nutrition and demography to draw conclusions on the dynamics in the standard of living over this long period of time The economic social and political interpretation of these findings make it possible to reconsider the prevailing views in the historiography and to offer a new perspective on Imperial Russia **Russian Politics and Society** Richard Sakwa, 2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informa company The Soviet Sixties Robert Hornsby, 2023-01-01 The story of a remarkable era of reform controversy optimism and Cold War confrontation in the Soviet Union Beginning with the death of Stalin in 1953 the sixties era in the Soviet Union was just as vibrant and transformative as in the West The ideological romanticism of the revolutionary years was revived with renewed emphasis on egalitarianism equality and the building of a communist utopia Mass terror was reined in great victories were won in the space race Stalinist cultural dogmas were challenged and young people danced to jazz and rock and roll Robert Hornsby examines this remarkable and surprising period showing that even as living standards rose aspects of earlier days endured Censorship and policing remained tight and massacres during protests in Tbilisi and Novochoerkassk alongside invasions of Hungary and Czechoslovakia showed the limits of reform The rivalry with the United States reached perhaps its

most volatile point friendship with China turned to bitter enmity and global decolonization opened up new horizons for the USSR in the developing world These tumultuous years transformed the lives of Soviet citizens and helped reshape the wider world

Eurasian Empires as Blueprints for Ethiopia Asnake Kefale, Tomasz Kamusella, Christophe Van der Beken, 2021-02-17 This book is a contribution to the global history of the transfer of political ideas as exemplified by the case of modern Ethiopia Like many non European nation states Ethiopia adopted a western model of statehood that is the nation state Unlike the postcolonial polities that have retained the mode of statehood imposed on them by their colonial powers Ethiopia was never successfully colonized leaving its ruling elite free to select a model of modern western statehood In 1931 via Japan they adopted the model of unitary ethnolinguistically homogenous nation state in turn copied by Tokyo in 1889 from the German Empire founded in 1871 Following the Ethiopian Revolution 1974 that overthrew the imperial system the new revolutionary elite promised to address the nationality question through the marxist leninist model The Soviet model of ethnolinguistic federalism originally derived from Austria Hungary was introduced in Ethiopia first in 1992 and officially with the 1995 Constitution To this day the politics of modern Ethiopia is marked by the tension between these two opposed models of the essentially central European type of statehood The late 19th century German German quarrel on the proper model of national statehood for Germany or more broadly modern central Europe remains the quarrel of Ethiopian politics nowadays The book will be useful for scholars of Ethiopian and African history and politics and also offers a case in comparative studies on the subject of different models of national statehood elsewhere

Theoretical and Comparative Perspectives on Nationalism Taras Kuzio, 2007-12-17 This volume brings together 15 articles divided into four sections on the role of nationalism in transitions to democracy the application of theory to country case studies and the role played by history and myths in the forging of national identities and nationalisms The book develops new theories and frameworks through engaging with leading scholars of nationalism Hans Kohn's propositions are discussed in relation to the applicability of the term civic with no ethno cultural connotations to liberal democracies Rogers Brubaker over the usefulness of dividing European states into civic and nationalizing states when the former have historically been nationalizers Will Kymlicka on the applicability of multiculturalism to post communist states and Paul Robert Magocsi on the lack of data to support claims of revivals by national minorities in Ukraine The book also engages with transitology over the usefulness of comparative studies of transitions in regions that underwent only political reforms and those that had quadruple transitions implying simultaneous democratic and market reforms as well as state and nation building A comparative study of Serbian and Russian diasporas focuses on why ethnic Serbs and Russians living outside Serbia and Russia reacted differently to the disintegration of Yugoslavia and the USSR The book dissects the writing of Russian and Soviet history that continues to utilize imperial frameworks of history analyzes the re writing of Ukrainian history within post colonial theories and discusses the forging of Ukraine's identity within theories of Others as central to the shaping of identities The collection of articles

proposes a new framework for the study of Ukrainian nationalism as a broader research phenomenon by placing nationalism in Ukraine within a theoretical and comparative perspective **Russian Politics** Zoltan D. Barany, Robert G. Moser, 2001-08-27 What went wrong in Russia's decade old post communist transition A group of leading young scholars answer this question by offering assessments of five crucial political arenas during the Yeltsin era elections executive legislative relations interactions between the central state and the regions economic reforms and civil military relations All of the contributors recognize that adverse historical legacies have complicated Russian democratization They challenge structural explanations that emphasize constraints of the pre existing system however and concentrate instead on the importance of elite decisions and institution building The authors agree that elites failure to develop robust political institutions has been a central problem of Russia's post communist transition The weakness of the state and its institutions has contributed to a number of serious problems threatening democratic consolidation These include the tensions between the executive and the legislature the frail infrastructure for successful market reform and the absence of proper civilian control over the armed forces The Geography of Genocide Allan D. Cooper, 2009 The Geography of Genocide offers a unique analysis of over sixty genocides in world history explaining why genocides only occur in territorial interiors and never originate from cosmopolitan urban centers This study explores why genocides tend to result from emasculating political defeats experienced by perpetrator groups and examines whether such extreme political violence is the product of a masculine identity crisis Author Allan D Cooper notes that genocides are most often organized and implemented by individuals who have experienced traumatic childhood events involving the abandonment or abuse by their father Although genocides target religious groups nations races or ethnic groups these identity structures are rarely at the heart of the war crimes that ensue Cooper integrates research derived from the study of serial killing and rape to show certain commonalities with the phenomenon of genocide The Geography of Genocide presents various strategies for responding to genocide and introduces Cooper's groundbreaking alternatives for ultimately inhibiting the occurrence of genocide BOOK JACKET

Occupied Aviel Roshwald, 2023-04-27 A comparative treatment of European and Asian responses to German and Japanese occupation during the Second World War Between Dictatorship and Democracy Michael McFaul, Nikolay Petrov, Andrei Ryabov, 2010-04 For hundreds of years dictators have ruled Russia Do they still In the late 1980s Soviet President Mikhail Gorbachev launched a series of political reforms that eventually allowed for competitive elections the emergence of an independent press the formation of political parties and the sprouting of civil society After the collapse of the Soviet Union in 1991 these proto democratic institutions endured in an independent Russia But did the processes unleashed by Gorbachev and continued under Russian President Boris Yeltsin lead eventually to liberal democracy in Russia If not what kind of political regime did take hold in post Soviet Russia And how has Vladimir Putin's rise to power influenced the course of democratic consolidation or the lack thereof Between Dictatorship and Democracy seeks to give a comprehensive answer to

these fundamental questions about the nature of Russian politics **The Nature of Stalin's Dictatorship** E. A. Rees, 2003-11-14 This is the first attempt to systematically study the nature of the political leadership system under Stalin It focuses both on the formal institutions of power such as the Politburo and on the informal networks of decision making that were a central feature of his system of rule It draws on a wealth of new archival material to highlight Stalin's relations with his co-leaders and wider elite groups and offers different perspectives on the nature and degree of Stalin's system of personal power *Russian Nationalism and the Russian-Ukrainian War* Taras Kuzio, 2022-01-26 This book is the first to provide an in-depth understanding of the 2014 crisis Russia's annexation of Crimea and Europe's de facto war between Russia and Ukraine The book provides a historical and contemporary understanding behind President Vladimir Putin Russia's obsession with Ukraine and why Western opprobrium and sanctions have not deterred Russian military aggression The volume provides a wealth of detail about the inability of Russia from the time of the Tsarist Empire throughout the era of the Union of Soviet Socialist Republics USSR and since the dissolution of the latter in 1991 to accept Ukraine as an independent country and Ukrainians as a people distinct and separate from Russians The book highlights the sources of this lack of acceptance in aspects of Russian national identity In the Soviet period Russians principally identified themselves not with the Russian Soviet Federative Republic but rather with the USSR as a whole Attempts in the 1990s to forge a post-imperial Russian civic identity grounded in the newly independent Russian Federation were unpopular and notions of a far larger Russian imagined community came to the fore A post-Soviet integration of Tsarist Russian great power nationalism and White Russian migr chauvinism had already transformed and hardened Russian denial of the existence of Ukraine and Ukrainians as a people even prior to the 2014 crises in Crimea and the Donbas Bringing an end to both the Russian occupation of Crimea and to the broader Russian-Ukrainian conflict can be expected to meet obstacles not only from the Russian de facto President for life Vladimir Putin but also from how Russia perceives its national identity **The American Bibliography of Slavic and East European Studies for 1994** Patt Leonard, Rebecca Routh, 1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs *Russian Path Dependence* Stefan Hedlund, 2005-01-23 Russia's transition to a market economy has been tortuous to say the least However this book argues that the arguments and counter arguments that pitch shock therapy against gradualism are wide of the mark and quite pointless Indeed the reasons for the warped outcomes can actually be traced back through the long sweep of Russian history Decisions made in the distant past can fully influence policy making in the present Hedlund's thesis can like this be seen as influenced by the path dependency theories of Paul David among others *Polish Politics and Society* Frances Millard, 2002-09-11 An examination of political social and economic development in Poland since the summer of 1989 with the main focus on democratization The Little Golden Calf Илья Ильич, Evgenii

Petrov, 2009 This brand new translation of the famous satirical sequel to *The Twelve Chairs* resurrects the con man Ostap Bender the smooth operator and follows him and his three hapless co conspirators on a hilarious romp through the Soviet Russia and Central Asia of 1930 Bender says he has very serious differences of opinion with Soviet power It wants to build socialism and I don't The smooth operator wants to emigrate to Rio de Janeiro so he and his crew set off in pursuit of an underground millionaire who Bender is certain will bring me his money himself on a little saucer with a sky blue rim One of the greatest works of Russian satire of the 20th century the 1932 American translation billed it as The book that's too funny to be published in Russia this lively new translation the first since 1961 by Anne O Fisher is copiously annotated nearly 300 footnotes and includes an introduction by Alexandra Ilf the daughter of one of the book's two co authors So many quotations from *The Little Golden Calf* have entered everyday Russian speech that it stands alongside the works of Griboyedov Pushkin and Gogol for its profound effect on Russian language and culture The tale overflows with legendary literary episodes offering a portrait of Russian life that is as funny and true today as it was when the novel was first published this edition is the first unabridged uncensored English translation and is 100% true to the original serial publication For decades foreigners trying to understand Russia have been advised to read the adventures of Ostap This new translation makes them more enjoyable than ever

The Top Books of the Year Slavic Review Volume 53 No3 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Slavic Review Volume 53 No3 Introduction

In today's digital age, the availability of Slavic Review Volume 53 No3 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slavic Review Volume 53 No3 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slavic Review Volume 53 No3 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase

several of them for educational or professional purposes. By accessing Slavic Review Volume 53 No3 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slavic Review Volume 53 No3 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slavic Review Volume 53 No3 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slavic Review Volume 53 No3 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slavic Review Volume 53 No3 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slavic Review Volume 53 No3 books and manuals for download and embark on your journey of knowledge?

FAQs About Slavic Review Volume 53 No3 Books

1. Where can I buy Slavic Review Volume 53 No3 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Slavic Review Volume 53 No3 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Slavic Review Volume 53 No3 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Slavic Review Volume 53 No3 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
