The Media Show Edwin Diamond,1991 The Media Show is a lively analysis of one of the underreported major stories of our time the growing power and influence of the media In these essays and reports critic Edwin Diamond takes a hard look at the methods of the American media during a period of heightened competition and increased conglomeration focusing on the way news stories are shaped and sometimes distorted Diamond first considers some of the consequences of the new order created by richer technologies and lowered aspirations He explores the mixed results of this new system including marked changes in American broadcasting as the networks downsize their expenditures to news and public affairs coverage There is he notes often a serious conflict within networks between the public good and the bottom line a conflict that the news media generally chooses not to examine Diamond then scrutinizes the role of style and personality on television Next he turns to

specific examples of television coverage of the defining topics of the late 1980s and early 1990s including the arrival of cable technology and CNN which changed the way wars and crises are covered how some members of the media practiced unsafe journalism in their reports on AIDS the role the media assumed as the moral police in recent election campaigns the way race and class influenced crime stories such as the Tawana Brawley and the Central Park jogger cases how the media has often seemed married to the mob in its reporting about reputed godfather John Gotti and the changes in White House press coverage as Ronald Reagan was succeeded by George Bush Diamond concludes by proposing several ideas for creating new media structures Edwin Diamond is Professor of Journalism at New York University where he directs the News Study Group and he is media columnist for New York magazine His previous books include Good News Bad News Sign Off The Last Days of Television and The Spot The Rise of Political Advertising on Television Long Live the Queen Larry Miller, Jr., Larry Wayne Miller, 2003-04-06 Josh and Erica thought they were normal but a mysterious item in the attic bring questions their parents won't answer They soon discover that they are the True Bloods who had disappeared impossibly long ago and that their destiny is clouded by intrigue and magic They must defeat enemies on three different fronts or lose the throne they were born to fill Learning how to use their previously dormant magical powers should help but can they do that in time or is the entire land destined to plunge into chaos
