**Sound & Vision**, 2009

**The New Beacon**, 2005

**Obsession** Carolyn Beard Whitlow, Marilyn Krysl, 2014-03-04 The sestina of medieval French origin is a complex poetic form of 39 lines six sestets and a three line envoy in which the six end words teleutons of the lines of the first sestet stanza are repeated in a specific order as teleutons in the five succeeding sestets In the envoy the six teleutons are again picked up one of them being buried in and one finishing each line Because of the complexity of the form the sestina fell out of favor with poets for several decades However a twenty first century revival of the form is underway This is the first anthology of sestinas that showcases both traditional and innovative examples of the form by modern and contemporary poets award winners and emerging writers alike Organized by such themes as Americana Art Love and Sex and Memory Contemplation Retrospection and Death the collection also includes sestinas with irregular teleutons and unconventional sestinas An evocative introduction by Marilyn Krysl acquaints readers with the form The volume concludes with useful indexes of first lines and teleutons increasing access to the poems beyond the poets names

platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard*, 1996-04-20 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Pinnacle Studio in Easy Steps* Nick Vandome, 2004 *Tavistock Institute* Daniel Estulin, 2015-09-14 The real story behind the Tavistock Institute and its network from an intriguing best selling author The Tavistock Institute in Sussex England describes itself as a nonprofit charity that applies social science to contemporary issues and problems But this book posits that it is the world's center for mass brainwashing and social engineering activities It grew from a somewhat crude beginning at Wellington House into a sophisticated organization that was to shape the destiny of the entire planet and in the process change the paradigm of modern society In this eye opening work both the Tavistock network and the methods of brainwashing and psychological warfare are uncovered With connections to U S research institutes think tanks and the drug industry the Tavistock has a large reach and Tavistock Institute attempts to show that the conspiracy is real who is behind it what its final long term objectives are and how we the people can stop them *Forgotten Disney* Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-19 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re-establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory *Medieval Literature on Display* Alexandra Sterling-Hellenbrand, 2020-01-23 How is the medieval world depicted today Two German museums serve as case studies for a vibrant imaginative and provocative enactment of twenty first century medievalism the Museum Wolfram von Eschenbach in Wolframs Eschenbach 1995 and the Nibelung Museum in Worms 2001 Emerging around the turn of the 20th century the museums explore medieval German literature cultural memory and local history As the museums reconstruct and transform medieval narratives for the contemporary audience they enact the process of medievalism they reveal how memory through the lens of the middle ages shapes modern cultural identity and heritage *Medieval Literature on Display* thereby contributes to important conversations about medievalism's role in constructing and affirming cultural identity in conceptualizing and finding places for the future of the past This unique book is vital reading for scholars of medieval literature and historians of

medieval Europe as well as scholars of visual culture and museum studies

**Ventriloquism, Performance, and Contemporary Art** Jennie Hirsh, Isabelle Loring Wallace, 2023-05-31 Ventriloquism Performance and Contemporary Art volume calls attention to the unexpected prevalence of ventriloquial motifs and strategies within contemporary art Engaging with issues of voice embodiment power and projection the case studies assembled in this volume span a range of media from painting sculpture and photography to installation performance architecture and video Importantly they both examine and enact ventriloquial practices and do so as a means of interrogating and performatively bearing out contemporary conceptions of authorship subjectivity and performance Put otherwise the chapters in this book oscillate seamlessly between art history theory and criticism through both analytical and performative means Across twelve essays on ventriloquism in contemporary art the authors who are curators historians and artists shine light on this outdated practice repositioning it as a conspicuous and meaningful trend within a range of artistic practices today This book will be of interest to scholars working in art history contemporary art media studies performance museum curatorial studies and theater

**Words on Cassette**, 2000 *The Political Economy of Disney* Alexandre Bohas, 2016-09-15 This book sheds new light on the socio economic impact of multinational corporations Combining Cultural Studies and International Political Economy it provides a revealing analysis of the Walt Disney Company and by extension the wider Hollywood studio system It does so by examining the cultural and economic forces powering the industry s expansion the civilisation that Disney disseminates and the various ways that societies beyond the USA have adopted facets of the Hollywood productions to which they are exposed Identifying both the strengths and the weaknesses of these transnational firms it demonstrates the significance of their contribution to American power and predominance
