Do you want to spend the happiest bedtime time with your children. Accompanying is the best care for children. Let the bedtime story and you accompany your children through every beautiful night. A lot of research and practice show that story is one of the best forms of guiding sleep. The stories in this book are well known, enhance knowledge and are always interesting. They can cultivate temperament, exercise will and enlighten children's hearts. This book contains some interesting bedtime stories, each of which has a distinct theme which inspires children to grow up deeply. Good stories can bring truth, goodness and beauty to children's hearts. This book is the most tender gift for children, give it to them immediately. *The Dreaming House* Caroline Moretto, 2018-03-23. A fun bedtime story about a late night sleepover at a playful Granny's house. Excerpt: The kids sat sad on their sleeping bags with their arms crisscrossed as their heads wigwagged. We don't want to go to sleep. We don't want to go to bed. We don't want to close our eyes, said the sleepy heads. Could you read a book. Maybe two or three. Could you tell a tale til we fall to sleep. The wishing tree is in dreamland somewhere and meeting there after falling to sleep is something anyone that's had a great time there the night before won't remember. That's just the way it is in dreamland. As parents and grandparents know, convincing a child to go to sleep is exhausting. Adults that arm themselves with fun bedtime stories increase the odds of getting at least a half night's sleep. Combining great bedtime stories with promises of continued fun increase sleep time dramatically or at least a little bit. With the right bedtime story book in hand, adults can expect to get at least one more glorious full hour of one eye open sleep per night. Caroline also known as Grandma Doe has tested this theory. She can confirm that after reading her new book *The Dreaming House* to her grandkids before bedtime, she's gotten at least 4 hours of sleep IN A ROW on the nights that they've had sleepovers. It should be noted though that Grandma Doe has always gotten less sleep than her grandkids, no matter which stories have been read to them at bedtime. Sometimes grandkids are not at fault for staying up past bedtime. Like many fun-loving Grannies out there, Grandma Doe often gets redirected by the parents of her grandkids for her reluctance to end the playing and to just go to sleep. Often Grandma Doe's grandkids head out to dreamland well before she is ready to be done playing. Grandmas are just that way sometimes. *It's Sleepy-Time!* A. J. Crigler, 2015-08-15. *It's Sleepy Time* is a bedtime story that can be read by a child or an adult to a child. *It's Sleepy Time* is a poem that is soothing for children ages 3-10 and also some adults. *Bedtime Stories for Kids* Amanda Prince, 2020-11-20.
