## **Slipknot Unmasked Again:**

**Slipknot Unmasked (Again)** Joel McIver,2003 Slipknot Unmasked was the first major biography of the band who had risen to chart prominence in 1999 The new updated edition covers various personnel changes that have occurred over the years their unique image frenzied stage antics and the release of their platinum album Iowa **Slipknot Discography**,

Focus On: 100 Most Popular 21St-century American Musicians Wikipedia contributors, **Focus On: 100 Most Popular American Rock Guitarists** Wikipedia contributors, **Slipknot Tours**, **SlipKnoT: ALL HOPE IS GONE** Joel McIver,2012-03-07 With no fewer than nine members and a unique stage image based on grotesque masks and boiler suits Slipknot retained a mystique that was unprecedented in the metal world never allowing their faces to become known so that the focus would remain on their music The first edition of this book published in 2001 followed the band from their inception in Des Moines Iowa in the mid 1990s through to the release of their second album an updated edition followed in 2003 It s now a decade since the first volume appeared and in that time Slipknot have evolved into a completely different band from the one that first emerged into the limelight in 1999 Everyone knows their faces now The band s music is darker deeper and more adult after four studio albums three DVDs and a live release Most strikingly the sudden death of their bass player Paul Gray in 2010 has changed the face and the attitude of the group although their commercial profile is if anything greater than it was before Slipknot All Hope Is Gone explores this unlikely and tragic evolution with new chapters covering the band s career to date and it also asks what their future will be The British National Bibliography Arthur James Wells,2004

The Cambridge Companion to Metal Music Jan-Peter Herbst,2023-09-14 Exploring the musical styles and cultures of metal this Companion is an indispensable introduction to this popular and distinctive genre **CMJ New Music Monthly.**,2001 **SPIN**,2000-09 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks Music in Youth Culture j. jagodzinski,2005-08-19 Music in Youth Culture examines the fantasies of post Oedipal youth cultures as displayed on the landscape of popular music from a post Lacanian perspective Jan Jagodzinski an expert on Lacan psychoanalysis and education s relationship to media maintains that a new set of signifiers is required to grasp the sliding signification of contemporary youth He discusses topics such as the figurality of noise the perversions of the music scene by boyz bois boys and the hysterization of it by gurlz girls grrrls Music in Youth Culture also examines the postmodern fan addict techno music and pop music icons Jagodzinski raises the Lacanian question of an ethics of the Real and asks educators to re examine youth culture **Extreme Metal II** Joel McIver,2010-03-04 Newly revised and updated with even more bands detailed and dissected including the biggest names in Grindcore Gorecore Pagan Metal Viking Metal

and Vampire Metal Extreme Metal is more than just an encyclopaedia It takes a rare look at an ever proliferating music scene that will horrify thrill and shock you From Abhorrant to Zyklon from the chart topping success of Slipknot to the trials and church burnings of Count Grishnackh and Burzum no stone is left unturned Any fan of music just that bit different from the homogenous mass of plastic pop will find something to cherish within these pages    Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004    **Who You Think I Am?** Sebastian Berlich,2023-10-27 Pop stars are close to us In their songs their pictures their stories on Instagram What we are looking for is an authentic impression Real feelings on real faces But what happens when they cover their face with a mask Permanently as a second face The phenomenon can be found in the mainstream as well as in the underground The mask does not break with the ideal of authenticity Rather depending on how it is staged it refers to the most diverse discourses can appear cool or grotesque become a logo or create anonymity The essay uses mainly two examples Sido Slipknot to show how the mask constructs the persona of pop stars and thus reveals structures of pop music The translation was done with the help of artificial intelligence A subsequent human revision was done primarily in terms of content
