Social Identities In Revolutionary Russia

William G. Rosenberg

Social Identities In Revolutionary Russia:

Social Identities in Revolutionary Russia Madhavan K. Palat, 2001-06-18 This volume explores the crisis of identity that faced Russia during and after the Revolution. The essays discuss how a re-evaluation of national identity challenged traditional institutions and ideas having a direct bearing upon personal identity. Topics include the Stolypin agrarian reform, the fracturing of the Intelligentsia and Church reform. Also included in this volume is Khlebinkov's manifesto 'An Indo-Russian Union' published here in Russian with a new English translation. *Revolutionary Russia* Rex A. Wade, 2004-07-31 This collection presents the major recent writings on the Russian Revolution and its context. It brings together key texts to illustrate new interpretive approaches and covers the central topics and themes. Together the chapters in this volume form a coherent representation of both the events and the theories and debates that relate to them. [A Companion to the Russian Revolution](#) Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution. The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world. It altered the geo-political landscape of not only Eurasia but of the entire globe. The impact of this immense event is still felt in the present day. The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity; the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject. *A Companion to the Russian Revolution* offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history. Presenting a wide range of contemporary perspectives, the Companion discusses topics including the dynamics of violence in war and revolution, Russian political parties, the transformation of the Orthodox church, Bolshevism, Liberalism and more. Although primarily focused on 1917 itself and the singular Revolutionary experience in that year, this book also explores time periods such as the First Russian Revolution, early Soviet government, the Civil War period and even into the 1920s. Presents a wide range of original essays that discuss. Brings together in depth coverage of political history, party history, cultural history and new social approaches. Explores the long range causes, influence on early Soviet culture and global afterlife of the Russian Revolution. Offers broadly conceived contemporary views of the revolution largely based on the author's original research. Links Russian revolutions to Russian Civil Wars as concepts. *A Companion to the Russian Revolution* is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon.

Power and the Sacred in Revolutionary Russia Glennys Young, 2010-11 After the 1917 Revolution in Russia the Bolsheviks launched a massive assault on religion. Although we know a great deal about how the Bolsheviks went about doing this, propaganda, persecution of clergy and laity, seizing church property, scholars have not devoted much attention to the other side of the story: the people who were being persecuted and how they responded to their persecutors. Glennys Young shows how ordinary Russian peasants devised ways of asserting their religious faith during the difficult period of New

Economic Policy 1921-28 when the Party state was ideologically obsessed with eradicating religion. Faced with persecution, torture and the creation of antireligious organizations such as the League of the Godless, Orthodox clergy and laity organized themselves against the Bolsheviks. They revived factional politics even using the village soviets, the intended cornerstone of Soviet power in the countryside, to defend their religious interests. When they achieved some degree of success in their resistance, the Bolsheviks were forced to respond and adapt their strategies. A conclusion that scholars have not put forward previously. Based on extensive research in archives and published sources, Young's book will force historians of Soviet Russia to confront religious issues as central to rural politics. Her work also draws upon cultural anthropology and theories of peasant politics, making it of great interest to any scholars studying the processes of secularization and desacralization in other cultures.

Politics and the People in Revolutionary Russia Sarah Badcock, 2007-10-04. After the collapse of the Romanov dynasty in February 1917, Russia was subject to an eight-month experiment in democracy. Sarah Badcock studies its failure through an exploration of the experiences and motivations of ordinary men and women, urban and rural, military and civilian. Using previously neglected documents from regional archives, this text offers a history of the revolution as experienced in the two Volga provinces of Nizhgorod and Kazan. Badcock exposes the confusions and contradictions between political elites and ordinary people and emphasises the role of the latter as political actors. By looking beyond Petersburg and Moscow, she shows how local concerns, conditions and interests were foremost in shaping how the revolution was received and understood. She also reveals the ways in which the small group of intellectuals who dominated the high political scene of 1917 had their political alternatives circumscribed by the desires and demands of ordinary people.

Homosexual Desire in Revolutionary Russia Dan Healey, 2012-04-26. The first full-length study of same-sex love in any period of Russian or Soviet history. *Homosexual Desire in Revolutionary Russia* investigates the private worlds of sexual dissidents during the pivotal decades before and after the 1917 Bolshevik Revolution. Using records and archives available to researchers only since the fall of Communism, Dan Healey revisits the rich homosexual subcultures of St Petersburg and Moscow, illustrating the ambiguous attitude of the late Tsarist regime and revolutionary rulers toward gay men and lesbians. *Homosexual Desire in Revolutionary Russia* reveals a world of ordinary Russians who lived extraordinary lives and records the voices of a long-silenced minority.

Regime and Society in Twentieth-Century Russia Ian D. Thatcher, 2016-07-27. This book contains fresh approaches to the interaction between regime and society in twentieth-century Russia. It offers new answers to familiar questions: How useful is totalitarianism as a model to categorise authoritarian regimes? What chances existed for tsarism to establish itself as a constitutional monarchy? Were Trotsky and Lenin dictators in waiting? How did the Bolsheviks make the Lenin cult? What opposition did intellectuals offer in the Soviet regime? What is the nature of contemporary Russian constitutionalism? It is required reading for historians, political scientists, sociologists and everyone interested in modern Russia.

Russian Orthodoxy on the Eve of Revolution Vera Shevzov, 2004. Explores sacred community

and how it functioned or sometimes did not in Russian Orthodoxy before the fateful historic events of the 1917 Russian Revolution Telling October Frederick Corney, 2018-08-06 All revolutionary regimes seek to legitimize themselves through foundation narratives that told and retold become constituent parts of the social fabric erasing or pushing aside alternative histories Frederick C Corney draws on a wide range of sources archives published works films to explore the potent foundation narrative of Russia's Great October Socialist Revolution He shows that even as it fought a bloody civil war with the forces that sought to displace it the Bolshevik regime set about creating a new historical genealogy of which the October Revolution was the only possible culmination This new narrative was forged through a complex process that included the sacralization of October through ritualized celebrations its institutionalization in museums and professional institutes devoted to its study and ambitious campaigns to persuade the masses that their lives were an inextricable part of this historical process By the late 1920s the Bolshevik regime had transformed its representation of what had occurred in 1917 into a new orthodoxy the October Revolution Corney investigates efforts to convey the dramatic essence of 1917 as a Bolshevik story through the increasingly elaborate anniversary celebrations of 1918 1919 and 1920 He also describes how official commissions during the 1920s sought to institutionalize this new foundation narrative as history and memory In the book's final chapter the author assesses the state of the October narrative at its tenth anniversary paying particular attention to the versions presented in the celebratory films by Eisenstein and Pudovkin A brief epilogue assesses October's fate in the years since the collapse of the Soviet Union **Gender and Citizenship in Historical and Transnational Perspective**

Anne Epstein, Rachel Fuchs, 2017-09-16 With gender as its central focus this book offers a transnational multi faceted understanding of citizenship as legislated imagined and exercised since the late eighteenth century Framed around three crosscutting themes agency space and borders leading scholars demonstrate what historians can bring to the study of citizenship and its evolving relationship with the theory and practice of democracy and how we can make the concept of citizenship operational for studying past societies and cultures The essays examine the past interactions of women and men with public authorities their participation in civic life within various kinds of polities and the meanings they attached to their actions In analyzing the way gender operated both to promote and to inhibit civic consciousness action and practice this book advances our knowledge about the history of citizenship and the evolution of the modern state *Russian Baptists and Spiritual Revolution, 1905-1929* Heather J. Coleman, 2005-04-20 a fascinating read for everyone interested in Russia religion and modernity Nadieszda Kizenko In the early 20th century Baptists were the fastest growing non Orthodox religious group among Russians and Ukrainians Heather J Coleman traces the development of Baptist evangelical communities through a period of rapid industrialization war and revolution when Russians found themselves asking new questions about religion and its place in modern life Baptists faith helped them navigate the problems of dissent of order and disorder of modernization and westernization and of national and social identity in their changing society Making use of newly available archival

material this important book reveals the ways in which the Baptists own experiences and the widespread discussions that they generated illuminate the emergence of new social and personal identities in late Imperial and early Soviet Russia the creation of a public sphere and a civic culture and the role of religious ideas in the modernization process

Russia's Revolutionary Experience, 1905-1917 Leopold H. Haimson, 2005 he eminent historian Leopold Haimson examines the nature of political power in Russia during the years leading to the Bolshevik revolution The book explores the issue of power as it was reflected in struggles of Russian workers to control their own lives and in the outlooks and strategies of leading political figures on the objectives of the revolution and the ways to achieve them

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Sexuality and the Body in Russian Culture Jane T. Costlow, Stephanie Sandler, Judith Vowles, 1993 Twelve groundbreaking essays show the varied and complex ways in which ideas about sexuality gender and the body have shaped and been influenced by Russian literature history art and philosophy from the medieval period to the present day

Strikes and Revolution in Russia, 1917 Diane P. Koenker, William G. Rosenberg, 2014-07-14 More than seventy years since the Bolsheviks came to power there is still no comprehensive study of workers activism in history s first successful workers revolution Strikes and Revolution in Russia 1917 is the first effort in any language to explore this issue in both quantitative and qualitative terms and to relate strikes to the broader processes of Russia s revolutionary transformation Diane Koenker and William Rosenberg not only provide a new basis for understanding essential elements of Russia s social and political history in this critical period but also make a strong contribution to the literature on European labor movements Using statistical techniques but without letting methodology dominate their discussion the authors examine such major problems as the mobilization of labor and management factory relations perceptions the formation of social identities and the relationship between labor protest and politics in 1917 They challenge common assumptions by showing that much strike activity in 1917 can be understood as routine but they are also able to demonstrate how the character of strikes began to change and why Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while

presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Republic of Labor Diane P. Koenker, 2018-07-05 The long decade from the October Revolution to 1930 was the beginning of a great experiment to create a socialist society Throughout these years socialist trade unions attempted to transform the Russian worker into a productive and enthusiastic participant in this new order How did the workers themselves react to these efforts To what extent were they and their culture transformed into the ideal forms proclaimed in the official ideology In *Republic of Labor* Diane P Koenker illuminates the lived experience of Russia's printers workers who differed from their comrades because of their skill and higher wages but who shared the same challenges of economic hardship and dangerous conditions Paying close attention to the links between work politics and the everyday the author focuses on workers efforts to define their place in socialist society Gender issues are also emphasized and here we see the persistence of a masculinist working class culture counterposed to an official culture promoting gender equality Through this engaging narrative Koenker develops a highly original discourse about class in Soviet society that will interest all students of Russian history as well as those readers who wish to reinvigorate class as a historical and sociological tool of analysis

Equality and Revolution Rochelle Goldberg Ruthchild, 2010-11-23 On July 20 1917 Russia became the world's first major power to grant women the right to vote and hold public office Yet in the wake of the October Revolution later that year the foundational organizations and individuals who pioneered the suffragist cause were all but erased from Russian history The women's movement when mentioned at all is portrayed as rooted in the elitist and bourgeois culture of the tsarist era meaningless to proletarian and peasant women and counter to socialist ideology Rochelle Goldberg Ruthchild reveals that Russian feminists in fact appealed to all classes and were an integral force for revolution and social change particularly during the monumental uprisings of 1905 1917 Ruthchild offers a telling examination of the social dynamics in imperialist Russia that fostered a growing feminist movement Based upon extensive archival research in six countries she analyzes the backgrounds motivations methods activism and organizational networks of early Russian feminists revealing the foundations of a powerful feminist intelligentsia that came to challenge and eventually bring down the patriarchal tsarist regime Ruthchild profiles the individual women and a few men who were vital to the feminist struggle as well as the major conferences publications and organizations that promoted the cause She documents political debates on the acceptance of women's suffrage and rights and follows each party's attempt to woo feminist constituencies despite their fear of women gaining too much political power Ruthchild also compares and contrasts the Russian movement to those in Britain China Germany France and the United States *Equality and Revolution* offers an original and revisionist study of the struggle for women's political rights in late imperial Russia and presents a significant reinterpretation of a decisive period of Russian and world history

Rural Adaptation in Russia Stephen K. Wegren, 2022-05-19 The current dominant approach to Russian

peasant behaviour emphasizes rural resistance to reform in broad terms and to the introduction of market forces in particular Bringing together some of the finest scholars on rural Russia this groundbreaking volume examines this perception with an analysis of both historical and contemporary patterns of rural adaptation in Russia Four articles included analyze peasant responses in the post Soviet era and focus on the relationship between poverty and rural adaptation the social origins of private farmers in southern Russia and Ukraine response patterns by large farms formerly collective and state farms household adaptation using a standardized set of criteria This fascinating book gives an illuminating picture of the ways in which peasants respond to new environmental conditions and stimuli created by reform The substantive material included draws on fieldwork and survey data collected from rural Russia from the Stolypin reforms in the pre Soviet era and collectivisation of agriculture during the 1930s in the Soviet era This book was previously as a special issue of The Journal of Peasant Studies

Critical Companion to the Russian Revolution, 1914-1921 Edward Acton,V. I. Cherniiaev,V. I. Cherniiaev,William G. Rosenberg,1997 Essays by 46 historians reflect the impact of the fall of the Soviet Union on the study of the revolution that birthed it including better access to archives and new opportunities for collaborations between Russian and other specialists They cover the revolution as event actors and the question of agency parties movements and ideologies institutions and institutional cultures social groups identities cultures and the question of consciousness economic issues and problems of everyday life and nationality and regional questions Annotation copyrighted by Book News Inc Portland OR

States of Anxiety William G. Rosenberg,2023 States of Anxiety assesses the effects of the great scarcities and enormous losses that revolutionary Russia experienced between 1914 and 1921 Focusing on the effects of food insecurity scarcities of other essential goods and the losses of war in their various forms it represents a new approach to understanding the period s politics and ideologies In contrast to the traditional concentration on the period s politics and ideology this imaginative reinterpretation argues for greater attention to its emotional dimensions and contributes to the historical study of emotions and its complex methodologies

Social Identities In Revolutionary Russia Introduction

In today's digital age, the availability of Social Identities In Revolutionary Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Identities In Revolutionary Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Identities In Revolutionary Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Identities In Revolutionary Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Identities In Revolutionary Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Identities In Revolutionary Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Identities In Revolutionary Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Identities In Revolutionary Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Identities In Revolutionary Russia books and manuals for download and embark on your journey of knowledge?

FAQs About Social Identities In Revolutionary Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Identities In Revolutionary Russia is one of the best book in our library for free trial. We provide copy of Social Identities In Revolutionary Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Identities In Revolutionary Russia. Where to download Social Identities In Revolutionary Russia online for free? Are you looking for Social Identities In Revolutionary Russia PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Social Identities In Revolutionary Russia. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Social Identities In Revolutionary Russia are

for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Social Identities In Revolutionary Russia. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Social Identities In Revolutionary Russia To get started finding Social Identities In Revolutionary Russia, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Social Identities In Revolutionary Russia So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Social Identities In Revolutionary Russia. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Social Identities In Revolutionary Russia, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Social Identities In Revolutionary Russia is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Social Identities In Revolutionary Russia is universally compatible with any devices to read.
