## **Social Meanings Of Money And Property In Search Of A Talisman:**

*The Social Meanings of Money and Property* Kenneth O. Doyle, 1999-04-16 In *The Social Meanings of Money and Property* Kenneth O Doyle has produced an intriguing study that lays the groundwork for understanding the role played by money and property among individuals groups and even nationalities The toughminded tender minded dichotomy presented in *The Social Meanings of Money and Property* can also be viewed as the Conservative Liberal conflict Conservatives demand self reliance and Liberals crave nurture *The Social Meanings of Money and Property* is first a psychological treatise second it is a stimulant for complex thought W J Rayment Conservativebookstore.com A most important study in the grand style of a Joseph Schumpeter It will reward both the expert and the general reader Matthew Lamb Boston College Kenneth O Doyle's book *The Social Meanings of Money and Property* is one of the most wide ranging and scholarly books I have ever read The comprehensiveness of the scholarship Doyle amasses will undoubtedly stimulate scholars from a variety of disciplines to test out the implications of the model Wilbert J McKeachie University of Michigan Why would a man with more money than he could ever spend risk career family and freedom for a modest increase in net worth Why would a woman who never cared at all about investments perjure herself for a better divorce settlement Why do people of some cultures seem inclined toward economic success What are the fundamental differences between conservatives and liberals or capitalists and socialists Is there any hope of rapprochement between Economic Man and Psychological Man In this book Professor Kenneth O Doyle spells out a theoretical system for understanding these practical everyday problems using a conceptual framework for studying the social meanings of money and property He finds fundamental meaning in the concept of talisman We use money and property he proposes to protect ourselves from fears characteristic of our personalities the fear of incompetence the fear of abandonment the fear of disarray and the fear of constraint *The Social Meanings of Money and Property* will be of interest to scholars and students across a number of disciplines including but by no means limited to psychology sociology and economics

**Financial Literacy for Generation Z** Kenneth O. Doyle Ph.D., 2019-09-19 This indispensable resource explains principles of financial planning and financial psychology to help teens and young adults make good financial decisions now and achieve their financial goals Financial literacy for savvy teens and young adults means meeting them where they are which is in high school and college It also means understanding how they differ from their Gen X and elder millennial parents For example they tend to be debt averse thrifty and responsible but may err on the side of taking too little risk such as not investing early enough This book uses economics and psychology to help Generation Z students make better decisions throughout their lives and especially in their formative years *Financial Literacy for Generation Z* addresses decisions students have to make while still in school after graduation and later with the greatest emphasis on the decisions closest at hand to them It encompasses not just money talk for example how much to contribute to your 401 k but also decisions that are directly connected to money such as choosing a major and a career building a credit record and managing

Doyle Ph.D.,Larry K. Houk JD,2018-06-21 Explains the most effective ways to discuss the legal and financial responsibilities that come with the end of life and tools for managing them such as wills trusts estate planning and cash management in the context of financial psychology Dying is complicated It presents myriad challenges at a time when people are least prepared to deal with complexity Typically aging people turn to their adult children and grandchildren their caregivers and their professional advisors to guide them in their final years This book is aimed directly at the children and grandchildren of aging parents to prepare them for meaningful conversations with their parents and among themselves It gives them the tools they need to communicate knowledgeably with caregivers and professional advisors and to make important decisions with or on behalf of those who depend on them The authors provide legal and financial tools and techniques including wills and trusts cash management and investment planning approaching each from both a financial and a psychological perspective They recognize that some of the challenges that people face during their last few years of life cannot be controlled and describe not only what these tools and techniques can do but also what they can't Those that cannot be controlled however can still be managed and the authors explain with clarity and compassion how to deal with them through psychological and spiritual engagement      **International Perspectives on Value Creation and Sustainability Through Social Entrepreneurship** Magd, Hesham,Singh, Dharmendra,Syed, Raihan Taqui,Spicer, David,2022-05-27 Social entrepreneurship is construed an innovative activity that addresses or mitigates social issues based on self sufficiency and financial stability It offers the potential to shift civil society through innovative social ventures that pursue profit and purpose It is gaining international attention due to the intent of social entrepreneurs to change and to see the world as it can be not as it is These changemakers blend lessons from business with the diversity and complexity of social values and in the process pursue opportunities for change International Perspectives on Value Creation and Sustainability Through Social Entrepreneurship explores various issues and ideas about social entrepreneurship through the lens of theoretical practical and empirical

research It provides an international outlook of social entrepreneurship focusing primarily on value creation and sustainability Covering topics such as entrepreneurship education post COVID perspectives and private wealth this premier reference source is an essential resource for entrepreneurs business leaders managers government officials policymakers libraries students and faculty of higher education researchers and academicians **The Palgrave Handbook of Philosophy and Money** Joseph J. Tinguely, 2024-06-24 The Palgrave Handbook of Philosophy and Money surveys the role of money in the history of ideas Volume 1 Ancient and Medieval Thought explores the worldviews of societies in the process of monetization The volume is divided into sections on early Civilizations classical Greece the Roman era and Medieval and Renaissance thought *Ethics and the politics of food* Matthias Kaiser, Marianne Elisabeth Lien, 2023-08-28 Food has emerged as a political topic par excellence It is increasingly involved in controversies at a transnational level in relation to issues of access dominance trade and control in a shared global environment At the same time innovations in biotechnology and animal domestication have brought ethics to the forefront of food debates Thus we live in an era when the ethics and the politics of food must come together This book addresses the ethics and the politics of food from a broad range of academic disciplines including sociology philosophy nutrition anthropology ethics political science and history The chapters expose novel problem areas and suggest guidelines for approaching them Topics range from fundamental issues in philosophy to sustainability from consumer trust in food to ethical toolkits Transparency power and responsibility are key concerns and special attention is given to animal welfare emerging technologies in food production and marine domestication Together the chapters represent a wide range of academic responses to the fundamental dilemmas posed by food production and food consumption in the contemporary world Artificial Intelligence and the Future of Human Relations Yanto Chandra, Ruiping Fan, 2025-09-26 This book stimulates new conversations around the ethical and policy considerations stemming from the influence of artificial intelligence AI on human relationships within a cross cultural perspective With chapters from distinguished scholars from Eastern and Western backgrounds it delves into the fundamental aspects of human connections and good governance examining them through the perspectives of both Eastern and Western values while addressing the implications of AI While the recognition of AI's substantial challenges to human values and effective governance is widespread there exists a notable lack of focus on its impact on the essential human relationships that embody these values and encompass human identity within Eastern and Western traditions By centering attention on this aspect the book highlights a critical concern for the development of AI that is suitable for the future of human relationships and good governance Specifically the book seeks to examine the influence of AI on essential human relationships such as those between parent and child spouses the elderly and the young physician and patient as well as relations between friends citizens and nations It is an essential resource relevant to academics in philosophy applied ethics and bioethics AI ethics social and political philosophy Foundations for Sociorhetorical Exploration Vernon K. Robbins, Robert H. von Thaden

Jr., Bart B. Bruehler, 2016-09-02 Engaging resources for understanding the importance of bodies and spaces in producing and interpreting persuasive language This volume collects essays that represent intellectual milestones that are informing sociorhetorical interpretation during the twenty first century The essays are arranged into five parts 1 Topos 2 Cultural Geography and Critical Spatiality 3 Rhetorolects and Conceptual Blending 4 Rhetography and 5 Rhetorical Force Features Tools for integrating multiple approaches to biblical interpretation Resources that emphasize the importance of language that prompts mental pictures in effective rhetoric Essays from classicists rhetoricians and biblical scholars **Imagining' Biblical Worlds** David M. Gunn, Paula McNutt, 2002-12-01 The essays in this volume address the interface between biblical studies archaeology sociology and cultural anthropology celebrating the pioneering work of James Flanagan In particular this collection explores various ways in which the real ancient world is constructed by the modern critical reader with the aid of various theoretical and practical tools The contributors to this volume have all been involved with Flanagan and his projects during his academic career and the essays carry forward the important interdisciplinary agendas he has encouraged Part One deals with his recent interest in spatiality and Part Two with social and historical constructs This book in James Flanagan s honour represents a significant statement of research in an area of biblical and historical research that is increasingly important yet surprisingly under represented Wrongful Enrichment Nahel Asfour, 2017-09-21 This book analyses enrichment law and its development and underpinning in social culture within three geographical regions the United States western members of the European Union and the late Ottoman Empire These regions correspond though imperfectly with three different legal traditions the American continental and Islamic traditions The book argues that we should understand law as a mimetic artefact In so doing it explains how typical patterns and exemplary articulations of wrongful enrichment law capture and reiterate vocal cultural themes found in the respective regions The book identifies remarkable affinities between poetic tendencies structures and default dispositions of wrongful enrichment law and cultural world views It offers bold accounts of each region s law and culture providing fertile grounds for external and comparative elucidations of the legal doctrine Regulation and Compliance in the Atlantic Fisheries Stig S. Gezelius, 2012-12-06 This is a book about fishermen s reasons for obeying fisheries law The fish harvesting industry has become subject to state interference to an increasing extent over the past twenty years As natural resources become scarce and subsequent fisheries regulations abound the question of law abidingness is brought to the public agenda However there is still little empirical data as regards the dynamics of compliance in this field and this book aims to meet a demand for in depth knowledge The cases studied can be regarded as instances of economies dependent on the harvesting of natural resources for both household and the market and the study aims to contribute to the building of more adequate theory on the dynamics of compliance in such economies However focusing on a specific type of setting seldom constitutes a safe escape route for getting away from more pervasive sociological questions and it certainly does not in this case As any attempt to explain social phenomena this study

is faced with the fundamental sociological question of how the acts of individuals can best be understood The question concerns the interface between the individual and the collectivity between collective morality and self interest It thus deals with classical sociological issues such as the nature and regulatory capacity of group norms and sanctions and the forms and roles of rationality and strategic action

*Extravagant* Brady Boyd, 2020-12-01 From the senior pastor of New Life Church a timely thought provoking inspiring and uplifting The Gazette Colorado book that redefines the notion of extravagance by using the parable of the Good Samaritan to demonstrate how to live a truly compassionate and selfless life of giving freely without expecting anything in return We all know people in our lives who have yes faces They are calm but energetic present but still purposeful with their time They re genuine in their desire to know about you how you re doing what you re up to how you feel Even with full lives of their own they somehow still have the energy to inquire about others These are extravagant people In *Extravagant* Pastor Brady Boyd shows us that by constantly offering up our time talents and hearts we can live life more like these exceptional people Drawing on the parable of the Good Samaritan he encourages us to stop living a life driven by selfish desire and start building lasting relationships that will be spiritually fulfilling Discover how to begin this transformation by ceasing to be a passerby and become one who pauses in the course of daily life By embracing the spirit of generosity Pastor Boyd shows us that the path to a happier life is by living closer to God s vision and building a community that will be there in times of need Boyd s illuminating insights are a perfect primer for living a more self aware spiritually fulfilling life Shelf Awareness and just the remedy we need in today s fractured culture and troubled times
