**American Conservative Thought in the Twentieth Century** William F. Buckley Jr., 2017-09-04 If America has been an unsympathetic environment for conservatism conservatism has nevertheless demonstrated an extraordinary tenacity in politics literature law religion economics and social thought Conservatism forms a dissent within the liberal tradition and also deserves a hearing from any serious student of American history William F Buckley Jr brought this issue to the forefront in this outstanding collection featuring some of the greatest political thinkers of the twentieth century This volume illuminates many aspects of the elusive conservatism of which so much has been written and helps to explain why it is that conservatism survives in politics economics social sciences and the arts Buckley has drawn from the works of renowned scholars and from those of relatively obscure figures whose contributions he persuasively puts forward as deeply influential in the crystallization of modern conservative thought This collection of essays begins by analyzing the history and background of American institutions It then goes on to inspect strong American presumption in favor of the private sector and the nature of specific challenges to modern society as well as the response of conservative thought and analysis to those challenges Pluralists will welcome the approach in this book and others will be excited by prestigious authors ,

**Recent Theories of Sovereignty** Xujing Chen, 1929 The Publishers Weekly , 1923 Unity and Continuity in Covenantal Thought Andrew Woolsey, 2012-12-06 Over the years some scholars have argued for competing streams of covenantal thought within the reformed tradition For instance some have pitted Calvin against the Calvinists some have tried to detect unilateral and bilateral approaches to the covenant and still others have set federalism against predestinarianism In this landmark survey of covenant theology Andrew A Woolsey assesses the reformed tradition and finds that the development of diverse formulas actually maintained substantial agreement on the basic contours of covenantal thought Unity and Continuity in Covenantal Thought examines the historiographical problems related to the interpretation of the Westminster Standards delving into the issue of covenantal thought in the Westminster Standards followed by an exhaustive analysis of nineteenth and twentieth century scholarship on covenant After surveying patristic and medieval backgrounds Woolsey s study looks in detail at a representative list of writers who contributed to the early development of federal thought Luther Oecolampadius Zwingli Bullinger Calvin and Beza The final part of his study explores the early orthodox approach to covenant and the rise of emphasis on the covenants of works and grace in the thought of Heidelberg theologians Ursinus and Olevianus the English Puritans Cartwright Fenner and Perkins and Scottish divines Knox Rollock and Howie Here is a substantial contribution to the study of reformed thought on covenant from its reformation origins to the more detailed formulations of the early to mid seventeenth century **An Introduction to Medieval History** Dorothy Dymond, 2023-11-06 First Published in 1929 An Introduction to Medieval History presents a comprehensive overview of the social political and religious movements that inspired medieval civilization and still influence the civilization of our own day It

brings crucial themes like the heritage of Rome church and the Empire the peasant and his Lord nations and kings empire and papacy the eastern empire and the Crusades transition to modern times decline of empire and papacy decline of feudalism and development of trade and towns and the Renaissance This introductory book is useful for history students in secondary schools and training colleges and general readers interested to know about the medieval times      **Using Political Ideas** Barbara Goodwin,2016-12-19 Using Political Ideas is a unique blend of political philosophy political theory and history of political thought It combines a critique of the major ideologies of recent and contemporary society with an analysis of the ideas that form the very stuff of political debate By exposing the interplay between ideas and ideologies it shows why political opponents often speak at cross purposes and why rational agreement is so hard to achieve in politics The sixth edition of this well respected and widely known text will be welcomed by those interested in questions such as Is equality more important than personal freedom Does the majority have the right to dictate to the minority in multicultural society Is nationalism a progressive force in the world Politics does not stand still there are always new controversies and ideological conflicts and the climate of discussion changes The 6th edition of this best selling book is fully updated and includes a new chapter on authoritarian ideologies to reflect the growing extreme right wing politics in parts of Europe This edition also provides a variety of new learning features a comprehensive glossary detailed lists of further reading and a list of questions for discussion      *Columbia University Bulletin* Columbia University,1923      The English Catalogue of Books Sampson Low,1926 Volumes for 1898 1968 include a directory of publishers      Political Ideas in Modern India Project of History of Indian Science, Philosophy, and Culture,2006-03-31 The volumes of the Project on the History of Science Philosophy and Culture in Indian Civilization aim at discovering the main aspects of India s heritage and present them in an interrelated way In Political Ideas in Modern India an outstanding group of social and political theorists offers a creative reinterpretation of the ideas and principles that have shaped modern Indian society and state The ideas interpreted or analysed include rights freedoms equality social justice constitutional rule swaraj swadeshi satyagraha class war socialism Hindutva Hind Swaraj syncretic culture composite nationalism and international peace and justice      *History of Political Thought* Raymond G. Gettell,2019-11-19 First published in 1924 This extensive volume explores the history of political theory from Ancient Greece up until proletarian thought in the early twentieth century The author pays particular attention to the connection between economic and political theory during the eighteenth and nineteenth centuries History of Political Thought will be of great interest to students of history politics and philosophy      **The New International Year Book** ,1926 **History** ,1927      Television and the Political Image Joseph Trenaman,Denis McQuail,2023-12-22 Was the 1959 UK General Election the first television election Could television be used to create a Party image Television and the Political Image 1961 provides answers to both these questions It surveys two constituencies interviewing the same cross section of electors before and after the election campaign and analyses and compares the campaigns as conducted by television radio

the Press and through the work of the local Parties Various effects of the political barrage are measured and attributed to their sources such effects include changes in voting intention during the course of the election campaign changes in attitudes to Parties and their leaders and changes in what the voter knows of the parties policies Congressional Record United States.
