Social Problems: Arena of Conflict Arnold Wilfred Green, 1975 Historical and sociological analysis of specific social problems *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1976 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), 1971 **The Study of Social Problems** Earl Rubington, 1981 This highly praised book has a strong organizational framework that enables students to make sense of a complex area of study It discusses the development and characteristics of five perspectives on the study of social problems Social Pathology Social Disorganization Value Conflict Deviant Behavior and Labeling *Investigating Social Problems* A. Javier Trevino, 2020-11-03 For the Third Edition of *Investigating Social Problems* editor A Javier Trevi o has gathered a panel of top experts to thoroughly examine all aspects of social problems providing students with a contemporary and authoritative introduction to the field Each chapter is written by a well known specialist on the topic being covered This unique contributed format ensures that the research and examples described are the most current and relevant available In addition the experts use both general theoretical approaches structural functionalism conflict theory symbolic interactionism as well as specialized theories chosen to bring additional insight and analysis to their assigned topics The text is framed around three major themes intersectionality the interplay of race ethnicity class and gender the global scope of many problems and how researchers take an evidence based approach to studying problems This title is accompanied by a complete teaching and learning package **Books in Print**, 1982 *Causes of Political Instability* Jeffrey G. Kitingan, 1989 *Books in Series*, 1980 *The Publishers' Trade List Annual*, 1980 *Perspectives on Social Problems* Richard L. Henshel, 1983 **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office, 1975 **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978 **The Drama of Social Life** T. R. Young, 2017-07-12 These essays explore the many ways theater and dramaturgy are used to shape the everyday experience of people in mass societies Young argues that technologies combine with the world of art music and cinema to shape consciousness as a commodity and to fragment social relations in the market as well as in religion and politics He sees the central problem of post modern society as how to live in a world constructed by human beings without nihilism on the one hand or repressive dogmatism on the other Young argues that in advanced monopoly capitalism dramaturgy has replaced coercion as the management tool of choice for the control of consumers workers voters and state functionaries Young calls this process the colonization of desire Desire is colonized by the use of dramaturgy mass media and the various forms of art in order to generate consumers vesting desire in ownership and display rather than in interpersonal relationships with profound consequence for marriage kinship friendship and community While Young focuses his critique on capitalist societies undergoing great changes he insists that the same developments are to be found in bureaucratically organized socialist societies The Drama of Social Life is of interest to those who study theories of moral development cultural studies the uses of

leisure politics or simply the uses of make believe It is intended for the informed lay public as much as for social psychologists **Sociology** ,1975 *Applied Sociology* Neil Thompson,2017-09-22 Sociology offers fascinating insights into social life that tell us so much about people and society But what can we do with those insights How can we put them to good use That is exactly what this book is all about It explores the practical value of sociology how sociological understanding can be of help in a variety of settings Neil Thompson s wealth of experience in using sociology in practice comes shining through in this clearly written and accessible text that succeeds in conveying complex ideas without oversimplifying them Key concepts are explained and clear links are drawn with how the ideas can be used to inform professional practice and cast light on a wide range of situations across all sectors of working life and in our personal lives too So whether you are involved in the helping professions or any other occupation where success depends on having a good understanding of people a student of sociology wanting to put your learning into practice or simply interested in how sociology can help address social issues this book offers a solid foundation of understanding It is an ideal text for anyone seeking to use sociological ideas to make a positive difference Quarterly Check-list of Ethnology and Sociology ,1974
