encounter these mythical warriors wives Penelope isolated but resourceful as she awaits the return of Odysseus after his lengthy absence the war widow Andromache enslaved and displaced from her homeland after the fall of Troy the unfaithful and murderous Clytemnestra and Tecmessa a war captive who witnesses her partner s breakdown and suicide in the aftermath of battle Warriors Wives compares the experiences of these mythical characters with those of contemporary military spouses Emma Bridges traces aspects of the lives of warriors wives mythical and real ancient and modern from the moment of farewell through periods of separation and reunion to the often traumatic aftermath of war to consider the emotional psychological and social impacts of life as a military spouse By unearthing a wealth of contemporary evidence for the lives of the often silenced and unacknowledged partners of those who serve in the military and by examining this alongside the ancient stories of warriors wives Warriors Wives sheds fresh light on the experience of being married to the military **Excel Preliminary English** David Mahony,2003 **Circular** ,1999 **The British Friend** ,1865
