Handbook of Research on Promoting Peace Through Practice, Academia, and the Arts Lutfy, Mohamed Walid, Toffolo, Cris, 2018-09-07 Academic disciplines perceive tranquility and a sense of contentment differently among themselves and therefore contribute to peace building initiatives differently Peace is not merely a function of education or a tool that produces amicable systems but rather a concept that educational contributions can help societies progress to a more peaceful existence The Handbook of Research on Promoting Peace Through Practice Academia and the Arts aims to provide readers with a concise overview of proactive positive peace models and practices to counter the overemphasis on merely ending wars as a solution While approaching peace building through multiple vantage points and academic fields such as the humanities arts social sciences and theology this valuable resource promotes peace building as a cooperative effort This publication is a vital reference work for humanitarian workers leaders educators policymakers academicians undergraduate and graduate level students and researchers

New Democratic Initiatives in Authoritarian Twenty-First Century Latin America Manuel Larrabure, Charmain Levy, Dan Furukawa Marques, 2024-12-15 New Democratic Initiatives in Authoritarian Twenty First Century Latin America uses a

multidisciplinary approach to understand the coincidence of emerging social movements seeking more meaningful forms of democratic participation on the one hand and the rise of new authoritarian politics that in part rely on chaos and disorder as mechanisms of domination on the other This edited collection argues that Latin America has entered a new phase of political and economic volatility in which traditional conceptual divisions between democracy and authoritarianism need to be rethought How are democratic movements coping with and reacting to the new right wing politics of Jair Bolsonaro and Javier Milei which among other things attempt to incorporate the popular classes Does the second pink tide offer meaningful avenues for popular empowerment How are counter hegemonic struggles built What are the challenges and opportunities faced by women queer and trans people cultural workers people with disabilities and indigenous groups in this conjuncture These are the key questions addressed in this book **The ^AOxford Handbook of the Sociology of Latin America**

Xochitl Bada,Liliana Rivera-Sánchez,2021-04-09 The essays included in this volume provide both an assessment of key areas and current trends in sociology specifically with regard to contemporary sociology in Latin America as well as a collection of innovative empirical studies The volume serves as an effective bridge of communication allowing sociological academics to mobilize and disseminate research dynamics from Latin America to the rest of the world Gender, Sexuality, and Power in Latin America Since Independence William E. French,Katherine Elaine Bliss,2007 Integrates gender and sexuality into the main currents of historical interpretation concerning Latin America **The New Ethnic Studies in Latin America** Raanan Rein,Stefan Rinke,Nadia Zysman,2017-03-06 The New Ethnic Studies in Latin America aims at going beyond and against much of Jewish Latin American historiography situating Jewish Latin Americans in the larger multi ethnic context of their countries Senior and junior scholars from various countries joined together to challenge commonly held assumptions accepted ideas and stable categories about ethnicity in Latin America in general and Jewish experiences on this continent in particular This volume brings to the discussions on Jewish life in Latin America less heard voices of women non affiliated Jews and intellectuals Community institutions are not at center stage conflicts and tensions are brought to the fore and a multitude of voices pushes aside images of homogeneity Authors in this tome look at Jews multiple homelands their country of birth their country of residence and their imagined homeland of Zion This volume brings together an important series of chapters that pushes ethnic studies to greater complexity therefore this work is critical in laying the foundation for what Jeffrey Lesser has called the new architecture of ethnic studies in Latin America Joel Horowitz St Bonaventure University in E I A L 28 2 2017 Overall this collection serves as a stimulating invitation to scholars of Latin American ethnic studies It offers multiple models of scholarship that go beyond and against traditional narratives of Jewish Latin America Lily Pearl Balloffet University of California Santa Cruz in J Lat Amer Stud 50 2018 These essays manage to bring to the fore stories of Jews whose journeys have been sidelined until now Their stories demonstrate that identities are always a work in progress a continuous dance between ancestry history and culture Ariana Huberman Haverford College in American Jewish History 103
