Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study:

Social Structure and Party Choice in Western Europe O. Knutsen, 2004-10-01 This study is a comparative analysis of the relationship between social structure and party choice in eight West European countries Oddbjørn Knutsen analyzes the comparative strength of social structural variables and how these have changed from the early 1970s to the late 1990s Other factors that are considered include for which parties the structural variables have the largest impact within the various party systems and across national contexts and for which parties are the most significant change in support from various social groups found

Social Structure and Party Choice in Western Europe O. Knutsen, 2004-10-01 This study is a comparative analysis of the relationship between social structure and party choice in eight West European countries Oddbjørn Knutsen analyzes the comparative strength of social structural variables and how these have changed from the early 1970s to the late 1990s Other factors that are considered include for which parties the structural variables have the largest impact within the various party systems and across national contexts and for which parties are the most significant change in support from various social groups found

Social Structure, Value Orientations and Party Choice in Western Europe Oddbjørn Knutsen, 2017-07-24 This book analyses the impact of socio structural variables such as social class religion urban rural residence age and gender on influencing an individual's voting preferences There have been major changes in recent decades both to social structure and how social structure determines people's voting behaviour There has also been a shift in value orientations for example from religious to secular values and from more authoritarian to libertarian values The author addresses the questions How do social structure and value orientations influence party choice in advanced industrial democracies To what extent is the impact of social structure on party choice transmitted via value orientations To what extent is the impact of value orientations on party choice causal effects when controlled for the prior structural variables The book will be of use to advanced students and scholars in the fields of comparative politics electoral politics and political sociology

The Structure of Political Competition in Western Europe Zsolt Enyedi, Kevin Deegan-Krause, 2013-09-13 Is European party politics hovering above society Why do voters pick one party over others Is it a question of class Of religion Of attitudes about taxes or immigration or global warming Or is it something else entirely The Structure of Political Competition in Western Europe takes a detailed look at the ways in which Western Europe's party systems are anchored in social and ideological structures The book's first section focuses on the role of social structures particularly education class and religion and analyzes the complex interplay among these factors The second section addresses the ways that the sociological structures such as class and religion interact with voters' values The third section examines the way that these structures and values shape the space of political competition among parties The conclusion integrates the findings of the empirical articles putting them into broader comparative perspective discussing whether relatively predictable structures have been overwhelmed by media driven spectacles political personalities and focus on short term economic performance

This volume will appeal to scholars and graduate students in Europe and those from North America Asia and other regions who study European politics political parties cleavages and political behaviour This book was published as a special issue of West European Politics

Party Families in Western Europe Peter Egge Langsæther,2023-07-21 This comprehensive and comparative book makes clear what party families are and in doing so helps categorise and make sense of parties in different countries It describes the ideology of the families in Western Europe as well as classifying political parties accordingly Furthermore the book examines who the party families supporters are in terms of their social background and political values What role do class education and religion play in the 21st century Finally the book provides a discussion of the degree to which the concept of party families is still meaningful in the 21st century and how it needs to be studied comparatively and comprehensively Is party family still valid as a conceptual device to classify and compare parties across countries in Western Europe This text will be of key interest to scholars students and practitioners working in the field of political behaviour political parties and party politics policy studies and more broadly comparative and European politics

The SAGE Handbook of Electoral Behaviour Kai Arzheimer,Jocelyn Evans,Michael S. Lewis-Beck,2017-02-27 The study of voting behaviour remains a vibrant sub discipline of political science The Handbook of Electoral Behaviour is an authoritative and wide ranging survey of this dynamic field drawing together a team of the world s leading scholars to provide a state of the art review that sets the agenda for future study Taking an interdisciplinary approach and focusing on a range of countries the handbook is composed of eight parts The first five cover the principal theoretical paradigms establishing the state of the art in their conceptualisation and application and followed by chapters on their specific challenges and innovative applications in contemporary voting studies The remaining three parts explore elements of the voting process to understand their different effects on vote outcomes The SAGE Handbook of Electoral Behaviour is an essential benchmark publication for advanced students researchers and practitioners in the fields of politics sociology psychology and research methods

Austerity from the Left Björn Bremer,2023-04-21 Austerity became the predominant fiscal policy response to the Great Recession in Europe After a brief period of emergency Keynesianism from 2008 to 2010 even the centre left abandoned plans for deficit spending and accepted austerity as the dogma of the day In this book Bj rn Bremer explains how this came about and explores its political consequences combining qualitative and quantitative methods and drawing on a wide range of empirical evidence to study both the demand and supply side of politics Based on this evidence the book argues that a complex interaction of electoral and ideational pressures pushed social democratic parties towards orthodox fiscal policies As government debt became a taboo following the Greek sovereign debt crisis social democratic parties endorsed austerity to increase their perceived economic competence and fiscal credibility This decision was legitimized by economic ideas inspired by supply side economics which had become popular among social democrats at the end of the twentieth century Although the book shows that social democratic austerity was not inevitable powerful

feedback effects of the Third Way thus trapped and divided the centre left during the crisis This undermined the ability of social democratic parties to oppose austerity and eventually contributed to their electoral crisis in the shadow of the Great Recession

The Politics of Migration in Italy Pietro Castelli Gattinara, 2016-04-14 Migration represents one of the key issues in both Italian and European politics and it has triggered EU wide debates and negotiations alongside alarmist and often sensationalist news reporting on the activities of government party and social movement actors The Politics of Migration in Italy explores what happens when previously undiscussed issues become central to political agendas and are publicly debated in the mass media Examining how political actors engage with the issue of migration in electoral campaigning this book highlights how complex policy issues are addressed selectively by political entrepreneurs and how the responses of political actors are influenced by strategic incentives and ongoing events This book studies the dynamics of the politicization of the immigration issue across three local contexts in Italy Prato Milan and Rome which differ systematically with respect to crucial economic cultural and security dimensions of immigration Offering an innovative exploration of party competition and migration in Italy as well as providing the conceptual and analytical tools to understand how these dynamics play out beyond the Italian case this book is essential reading for students scholars and policymakers working in the areas of migration studies agenda setting and European politics more generally

The Oxford Handbook of Norwegian Politics, 2025-09-15 The Oxford Handbook of Norwegian Politics provides a comprehensive examination of Norway's political institutions politics public policy making and international relations As the introductory chapter highlights Norway has traditionally been characterized as a stable homogeneous corporatist and consensus oriented democracy At the same time it is well established that many of the country's distinctive features have been challenged and have perhaps declined in recent decades Norway has evolved in the face of rapid economic growth significant government access to massive oil revenues deindustrialization public sector expansion increasing cultural pluralism and economic inequality as well as growing party system fragmentation and the decline of the once dominant social democratic party This Handbook gives readers an updated account of major political developments and what characterizes Norway's politics compared to other countries in Scandinavia and beyond The diverse set of authors selected for their in depth knowledge and extensive expertise offer valuable insights into the different aspects of Norwegian politics Each chapter offers foundational knowledge about the present Norwegian system while presenting state of the art overviews of key issues and findings drawn from the most relevant research in the respective fields The authors also provide original analyses of more specialized topics or trace historical developments and overarching trends With over seventy contributors and written in an accessible manner this Handbook is an indispensable resource for understanding Norwegian politics

Liberal Parties in Europe Emilie van Haute, Caroline Close, 2019-02-12 This book investigates how liberal parties have evolved over time as a party family in a comparative perspective Through a discussion of the applicability of the concept of party family to liberal parties it gives a

better picture of the development challenges and opportunities for liberal parties in Europe The history of liberal parties in Europe is peculiar and the origins of the liberal family are not clearly defined Liberal parties are still quite heterogeneous given the various meanings embraced in the idea of liberalism including economic liberalism cultural liberalism progressivism social liberalism Bringing together the best specialists engaged in the study of liberal parties and with a two levels perspective comparative and case study this book renews and expands our knowledge on the liberal party family in Europe Four major themes are developed linked to the four approaches of the concept of party family electoral performances participation to power ideology and political program and party organization These themes are systematically developed in case studies and in comparative chapters Primarily aimed at scholars and students in comparative politics this book should especially appeal to scholars in the fields of political parties and party systems representation and elections voting behavior and public opinion

France's Political Institutions at 50 Emiliano Grossman,Nicolas Sauger,2013-10-18 Fifty years after the creation of the Fifth Republic French politics is undergoing profound changes The election of Nicolas Sarkozy has announced a general review of the French political system A special committee the comit constitutionnel is currently drafting a catalogue of potential reforms Debates focus on issues like presidentialization parliamentary scrutiny of the executive or the creation of a popular initiative to trigger constitutional review of given legislative texts These discussions reflect long standing trends in the Fifth Republic This volume aims at analysing those trends and at outlining the major perspectives for future development In particular it puts the French political system in comparative perspectives and provides in depth analysis of the evolution of the major political institutions and their relations The volume argues that substantial reforms have helped to partially reshape French politics Yet it also shows that the fundamental characteristics of semi presidential government have stood firm The question is whether current debates and subsequent reforms are likely to alter the current pattern This book was published as a special issue of West European Politics

Political Behaviour in Contemporary Finland Åsa von Schoultz,Kim Strandberg,2024-03-11 This book presents a comprehensive overview of Finnish electoral democracy expertly detailing both its typical representation of a stable European party democracy and its particularities such as a personalized electoral system a fragmented party system with tradition of grand government coalitions and its sensitive geopolitical location Using the Finnish National Election Study as a basis it analyses how voters act and react in an electoral democracy characterized by a high degree of competition between and within parties yet a democracy in which the possibility for voters to hold governments accountable for their actions is weak leading to interesting tensions within the system and influences on how voters relate to and engage in politics This book not only describes these patterns but also provides the reader with thorough explanations and interpretations from a team of expert contributors This book will be of key interest to scholars and students of Finnish politics Nordic Scandinavian politics and studies political behaviour electoral studies public opinion and more broadly to comparative politics and democracy The Open Access version of this book

Underprivileged Voters and Electoral Exclusion in Contemporary Europe Dario Tuorto, 2022-05-23 This volume investigates the reasons behind voter turnout inequalities in contemporary Europe. It looks at the socioeconomic factors that can inhibit electoral participation at the individual level and how these factors interact with the institutional constraints regulating access to the electoral arena and considering the changes affecting the class system and occupational opportunities. The volume also reflects on the long term effects of the 2008 Great Recession on the stability of democracy and the individual lives of voters who are often deprived of institutional representation and left with the choice between anti system protest and disengagement from politics.

Elections and Democracy Jacques Thomassen, 2014-07-03

Elections and Democracy addresses the contrast between two different views on representative democracy. According to the first view, elections are a mechanism to hold government accountable. In the second view, elections are primarily a means to ensure that citizens' views and interests are properly represented in the democratic process. The majoritarian and consensus models of democracy are the embodiment in institutional structures of these two different views of democracy. In the majoritarian view, the single most important function of an election is the selection of a government. The concentration of power in the hands of an elected majority government makes it accountable to the people. In consensus models of democracy or proportional systems, the major function of elections is to elect the members of parliament who together should be as representative as possible of the electorate as a whole. The criterion for the democratic quality of the system is how representative parliament really is. The book explores how far these different views and their embodiment in institutional structures influence vote choice, political participation and satisfaction with the functioning of democracy. The volume is based on data from the Comparative Study of Electoral Systems (CSES), a comparative study across 36 countries. The general conclusion of the book is that formal political institutions are less relevant for people's attitudes and behavior than often presumed. Rather than formal political institutions like the electoral system, it seems to be characteristics of the party system like polarization and the clarity of responsibility that really matter. The Comparative Study of Electoral Systems (CSES) is a collaborative program of research among election study teams from around the world. Participating countries include a common module of survey questions in their post election studies. The resulting data are deposited along with voting demographic district and macro variables. The studies are then merged into a single free public dataset for use in comparative study and cross level analysis. The set of volumes in this series is based on these CSES modules and the volumes address the key theoretical issues and empirical debates in the study of elections and representative democracy. Some of the volumes will be organized around the theoretical issues raised by a particular module while others will be thematic in their focus. Taken together, these volumes will provide a rigorous and ongoing contribution to understanding the expansion and consolidation of democracy in the twenty first century. Series editors: Hans Dieter Klingemann and Ian McAllister

Citizen

Politics Russell J. Dalton, 2018-12-13 Now more than ever people drive the democratic process What people think of their government and its leaders how or whether they vote and what they do or say about a host of political issues greatly affect the further strengthening or erosion of democracy and democratic ideals This fully updated shorter Seventh Edition of Citizen Politics continues to offer the only truly comparative study of political attitudes and behavior in the United States Great Britain France and Germany In addition to its comprehensive thematic examination of political values political activity voting and public images of government within a cross national context the updated edition of this bestseller explores how cultural issues populism Trump and far right parties are reshaping politics in contemporary democracies All chapters have been updated with the latest research and empirical evidence Further Dalton includes recent research on citizens political behavior in USA Britain France and Germany as well as new evidence from national election studies in USA 2016 Britain 2017 France 2017 and Germany 2017

The Oxford Handbook of the Radical Right Jens Rydgren, 2018-02-01 The resurgence of strong radical right wing parties and movements constitutes one of the most significant political changes in democratic states during the past several decades particularly in Europe The radical right s comeback has notably attracted interest from political scientists sociologists and historians although the majority of past research focuses on party and electoral politics In contrast The Oxford Handbook of the Radical Right not only covers existing literature but also shows how the radical right forms movements rather than parties Editor Jens Rydren has gathered an international cast of contributors to cover concepts and definitions ideologies and discourses and a range of contemporary issues such as religion globalization gender and activism Further this volume is one of few to provide a number of cases focusing on areas outside of Europe including Russia the US Australia Israel and Japan By integrating various strands of scholarship on the radical right that covers different regions and different research perspectives this Handbook provides an authoritative and state of the art overview of the topic and will set the agenda for scholarship on the radical right for years to come

The Governance of Small States in Turbulent Times Harald Baldersheim, Jozef Bátora, 2012-04-11 What is special about small states How do they adapt their policies and patterns of governance to meet turbulent times such as a new security environment and the international financial crisis Answers to these and further questions are provided by experts What are the constraints on and opportunities of governance of small states in an interdependent and increasingly turbulent global setting How do small states deal with radical changes in the international environment What is the role of political institutions in facilitating and constraining policy responses to a rapidly changing international environment How can political leadership contribute to stability in times of change This book seeks to answer these questions by taking a comparative perspective on the processes of change and adaptation in the governance of Norway and Slovakia These two small European states with highly open economies have been exposed to the same set of global turbulences related to post Cold War changes in the security environment and the global financial crisis they are also facing internal challenges that spring from rapidly rising

expectations while demographic shifts put pressure on their welfare systems Their governance structures and processes are informed by their different political administrative cultures different history and levels of stability of democratic governance structures and indeed by their different modes of attachment to the European Union and other regional integration frameworks These differences and a comparative approach in exploring the questions raised above can shed light not only on the specific forms of adaptation of governance structures in two small European states but also generate insights into the role of integration structures in facilitating and constraining change

Class Voting in Western Europe Oddbjørn Knutsen, 2008-01-01 Class Voting in Western Europe outlines the theories of changes in class voting and provides an empirical analysis of class voting Knutsen's thorough study will provide a new straightforward understanding of social class and party choice to anyone interested in the complex relationship between modern society and politics

The Latin American Voter Ryan E Carlin, Matthew M Singer, Elizabeth J Zechmeister, 2015-07-21 In this volume experts on Latin American public opinion and political behavior employ region wide public opinion studies elite surveys experiments and advanced statistical methods to reach several key conclusions about voting behavior in the region's emerging democracies In Latin America to varying degrees the average voter grounds his or her decision in factors identified in classic models of voter choice Individuals are motivated to go to the polls and select elected officials on the basis of class religion gender ethnicity and other demographic factors substantive political connections including partisanship left right stances and policy preferences and politician performance in areas like the economy corruption and crime Yet evidence from Latin America shows that the determinants of voter choice cannot be properly understood without reference to context the substance specific cleavages campaigns performance and the structure fragmentation and polarization that characterize the political environment Voting behavior reflects the relative youth and fluidity of the region's party systems as parties emerge and splinter to a far greater degree than in long standing party systems Consequently explanations of voter choice centered around country differences stand on equal footing to explanations focused on individual level factors

Culture and Politics Jan-Erik Lane, Uwe Wagschal, 2013-06-17 This concise accessible text presents an overview of the relevance of culture for politics Culture figures prominently in the theories of the great classics such as Marx Durkheim and Weber Recently the cultural approach to politics has developed quickly and the concept of political culture has played a role in these developments particularly given the emergence of large scale survey research into political value orientations Seeking to outline this rapid development the book is divided into three sections Section I of the book discusses the relevance of cultural perspectives to political analysis including discussion of the most significant concepts and methods Section II looks at the core elements of political culture tradition ethnicity and religion Section III examines emerging research avenues and opportunities including social capital value orientations in the postmodern world newer formulations of political culture such as gender and sexuality and the influence of the environment Drawing on a wealth of examples and a comprehensive analysis

of comparative data this textbook is essential reading for all students of political culture research methods political sociology and comparative politics

Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study has opened up a world of possibilities. Downloading Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the

click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study is one of the best book in our library for free trial. We provide copy of Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study. Where to download Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study online for free? Are you looking for Social Structure And Party Choice In Western Europe A Comparative Longitudinal Study PDF? This is definitely going to save you time and cash in something you should think about.
